These easy to read bibles are suitable for all ages and can be read with your traditional bible. Our mission is to help people to read, understand, and apply the Word of God to their lives by providing Bible Translations, Bible Commentaries, and Bible Studies in simple modern English. This Bible edition concentrates on the translation of all chapters and verses of both the Old and New Testaments. Sample chapter: Book of John. About this book. John's Gospel is one of the four Gospels. 'Gospel' means 'good news'. The Gospels are the books that tell us about Jesus' life on earth. John was one of the three disciples who knew the Lord Jesus Christ best. John called himself 'the disciple that Jesus loved'. We think that John wrote his Gospel in the city called Ephesus. He wrote it some years after Matthew, Mark and Luke wrote their Gospels. He wrote it about 70 years after Christ's birth. John's Gospel is different from the other three Gospels. It does not describe many things that the Gospels of Matthew, Mark and Luke do describe. But it does include many things that are not in the other Gospels. John tells us much more about who Jesus was. John shows us Jesus as the Son of God - the only person who can cause us to live. John teaches us more about God's Spirit, too. At the beginning of his Gospel, John calls Jesus 'the Word'. Chapter 1. The Word became human. 1 In the beginning, the Word was already there. The Word was with God. The Word was God. 2 He was with God in the beginning. 3 God made all things by the Word. God did not make anything without him. 4 It is the Word who causes us to live. And because of this, he was the light to all people. 5 The light shines in the dark, and the dark cannot put out the light.

YOUR NEW LIFE STEP BY STEP - BOOK 1 JERRY MORRIS, 2010-07-28 This is Book One of a series of three books that are practical tools to disciple and mentor people one on one.

A Woman's Guide to Reading the Bible in a Year Diane Stortz, 2013-01-01 A Unique, Relational Way for Women to

Read the Bible in a Year Many women feel overwhelmed at the thought of reading the Bible in a year. Diane Stortz found that it is not only possible but life-changing. Her journey from initial reluctance to excitement about reading the Bible will inspire readers to try it for themselves. Part of a women's group that read through the Bible each year for ten years, the author discovered the value of reading the Bible to get to know God better rather than viewing it only as a book to study. This guide will give women tools to read and discuss the Bible together, drawing them closer to God and each other. Includes a week-by-week reading plan, discussion guide, lists of what to look for, and motivational quotes.

Christianity A Simple Explanation Stuart L. Russell, 2009 Like all religions Christianity has a code of ethics. Christianity's ethics are all based on one thing, which is 'love'. It is love of God, and his demand that we love others as we love ourselves, that is the basis of Christian morality. The book looks at how Christian conduct manifests itself in response to God's call to make unconditional love the fundamental in our dealings with others.

Christianity 101 Chad Price,2017-11-14 What exactly is a Christian? Many people will tell you that a Christian is someone who believes in God, does good things to get into heaven, and then forces their faith onto others. Is this true? If God is good, why do bad things happen? If God is loving, why would He send good people to hell? Unfortunately these questions, and others like it, can stump current believing Christians into answering simply with Uhm... Despite the vast majority of the United States claiming to be Christian, we live in a world where most Christians can hardly explain the basic fundamentals of their own faith. This has produced a judgmental group of believers who spout hate at anyone who believes differently than they do, has divided our churches, and has made it so that Christians live no differently than their fellow non-believing citizens. Overall, this book will use Scripture to explain who Christ wants His people to be, it will help you answer the tough questions you will get from the world, and discern true Christian teachings from false rabble. For you nonbelievers out there, I encourage you to read this as well. See what a Christian truly is for yourself, not what the media tells you we are. Finally, I pray that this book helps everyone who reads it discover the grace, mercy, and love of Christ. I pray that this book will inspire you to pursue the Lord with all your heart. As the Scriptures say, The fear of the Lord is the beginning of wisdom... (Prov. 9:10, NIV) and, You will seek me and find me when you seek me with all your heart (Jer. 29:13, NIV).

Purpose & Power In Retirement Harold Koenig,2008-01-01 Dr. Harold G. Koenig, with expertise in the fields of

geriatrics, mental health, and religion, explains that the notion of retirement was in fact a marketing tool developed in the post-World War II period. Continuing today, society's image of retirement is based largely on myths, such as: things will get better when you retire—you'll be able to do everything you wanted to but couldn't when you worked. In fact, these beliefs can be harmful, leading to emotional issues, identity crises, and problems with physical health.

Salvation Reaches to the End of the Earth Lee Kah Wor, This book serves as a documentation of what a recipient of the mercy and grace of Elohim has found convincing from His written Word. God is love. I have the utmost respect for the gift of free choice from the loving Father God. This is the third of five-volume series on The Messianic Credentials. It is not about what the right choice should be. It would be ludicrously futile to debate over such a thing as it is a matter of perception. In the process of putting this series together, I realized that God (Elohim) did not write what we like to hear. He wrote what we need to hear. This is because love corrects (Proverbs 3:12 and Hebrews 12:6). And God is love (1 John 4:8 and 1 John 4:16). He wrote the Bible out of His Spirit of love. In view of the above, I have written this series to relay that same Spirit. It is an appeal to consider reunion with God the loving Father from the perspective of the salvation wrought through Christ crucified. The love of God will bring about a change in perspective. In the words of Romans 2:4, it is the kindness of God that leads to repentance. As a caveat, this series is to be read with an open mind. It is meant to present the state of things from a Biblical perspective with no malicious and derogative intent. Any perception to the contrary is highly unfortunate and/or regrettable. Volume 3 - Salvation Reaches the End of the Earth Jesus of Nazareth was born to die the death of the Cross. Even before birth, He was despised and hated but yet held in awe. You will find the scriptural basis when you explore the trailhead of Isaiah 49:7 in the third volume of this series. When the appointed time for the fulfilment of the redemption plan arrived, the beloved Son of God as Jesus of Nazareth allowed Himself to be crucified as the perfect sacrificial Lamb. He was not murdered and neither was He suicidal. Read all about it in Volume 3. It speaks volumes about Him.

Scorpion John Diamond, 2014-04-01 Early in 1978, a young Melbourne cop is seconded to Special Branch to be part of a covert joint task force. He is to infiltrate a religious sect blamed for the Sydney Hilton Hotel bombing. It is there Jack Davidson receives his personal call sign a recognition of his birthdate, Scorpion. This story follows Jack's adventure from uniform work to plainclothes work and into the Criminal Investigation Branch. Eventually, disillusioned and aggravated by the level of police corruption, he gives up police work to become a soldier. He enjoys army life, until they decide his police background is too valuable to leave him in the infantry. He is sent to Army Intelligence. In time, he leaves the army and gets on with civilian life. Until one day he is contacted by an ASIO agent he knows from his police days. Following the September 11 attacks in the United States, the Australian government secretly decides to create a new covert security service dedicated to anti-terrorism matters. And they want to recruit Jack. He accepts the position and soon finds himself immersed in the dark and murky world of spying. A world where life is cheap, and truth means nothing.
