**King John** Joseph Candido,2021-12-30 This new volume in Shakespeare: The Critical Tradition increases our knowledge of how Shakespeare's plays were received and understood by critics, editors and general readers. Updated with a new introduction providing a survey of critical responses to the plays since the late 1930s to the present day, the volume offers, in separate sections, both critical opinions about the play across the centuries and an evaluation of their positions within and their impact on the reception of the play. The chronological arrangement of the text-excerpts engages the readers in a direct and unbiased dialogue, whereas the introduction offers a critical evaluation from a current stance, including modern theories and methods. Thus the volume makes a major contribution to our understanding of the play and of the traditions of Shakespearean criticism surrounding it as they have developed from century to century.

The Wild Longing of the Human Heart William Cooney, 2015-12-01 The search for happiness has been an enduring quest for us all. The greatest minds from history--Plato, Aristotle, Epicurus, Rousseau, Kant, Mill, Gandhi, Einstein and many others—all confirm that happiness is the one thing we all crave after. *The Wild Longing of the Human Heart* is divided into two parts. Part one examines the brief history of happiness which has not always meant exactly the same thing to all cultures and individuals, and then moves on to summarize the latest information from the areas of brain science as well as the field of positive psychology. Part two proposes that it is not happiness (in the psycho-physiological sense of something like tranquility) which is the true goal of human living. Rather, the true goal of the “wild longing” is a meaningful life, guided by the search for truth, beauty and goodness.

**A Smudge on My Lens** Dave Spencer, 2008 An adopted post war baby boomer from a Sussex council estate, Dave Spencer was born at a time when reminders of World War II still littered the 50s landscape. Nature was still bountiful, but the landed gentry were selling our heritage before conservation had teeth. His was the first television generation: weaned on the Flower Pot Men, he grew up in an increasingly commercial and libertarian society, which exploded into the colourful 60s. Ill at ease amongst former public school boys, a lurch to the left saw him taking several unsuitable apprenticeships, before a rude awakening led a confrontation with the law and a taste of life on the road. Dave took a ferry across the Mersey and a hippy hike from Cornwall to Manchester, then a final fling in Sussex led to an encounter with a longhaired milkman, in a story which mixes religion, drugs, politics and passion.

Yes, You Can Do This! How Women Start Up, Scale Up, and Build The Life They Want Claudia Reuter, 2020-02-14 How women can lean in to entrepreneurship to create the life they want! Claudia Reuter left a promising corporate career to raise her two young children but realized, when re-entering the workforce, that the gap in her resume looked like a gap in ambition—not a purposeful plan. Instead of leaning into a corporate career and fighting the structures and systems designed

by and for men decades ago, or leaning out and giving up income, Claudia took a different path. That decision ultimately led to success in the corporate world and at home. In *Yes, You Can Do This!*, Claudia shares her own reasons for starting a business and makes a call to action for women to consider entrepreneurship so that they can create businesses with the rules they want and change the playing field for others, making a significant impact in the world. More than a how-to book on building a business, *Yes, You Can Do This!* provides clear examples and practical resources to help others create the life they want through entrepreneurship. In *Yes, You Can Do This!*, you'll learn: How to develop and share your vision How to deal with stereotypes and unconscious bias How to leverage perceived weaknesses and turn them into strengths How to balance life at high speeds and avoid burnout How to cultivate the confidence to move from idea to creating a company with the culture and rules you want Claudia provides women with an electrifying third career option: it's not just lean in or lean out, but startup and change the playing field for others in the process. Praise for *Yes, You Can Do This!* It's rare to find a book on entrepreneurship that fuels your heart with inspiration and encouragement and your mind with practical, tangible things you can put into action immediately — but this is one of them. As a woman who has started three companies and been a senior team member of five startups, this is the guide I wish I'd read when I was starting out. —Nataly Kogan, Author of *Happier Now* and founder of *Happier, Inc.* Combining compelling storytelling with practical, tactical advice, Reuter has created a manifesto for the next generation of female founders. Rooted in the research around gender and work, this is a must read for women looking to launch the next new thing. —Jennifer McFadden, Associate Director of Entrepreneurial Programs, Yale School of Management A must-read for any woman considering taking the leap into entrepreneurship, *You Can Do This* brings together today's best thinking about women in the workplace with practical advice for creating your dream career and life - by starting a company. Whether you are just curious or ready to take the leap, this book is a great read and a valuable resource. —Anna Barber, Managing Director, Techstars Claudia helps not just the female entrepreneur, but all entrepreneurs, find their footing in what can be an overwhelming whirlwind of starting a business. This book is not only inspiring and uplifting, but positively necessary for any woman looking to find success in the startup space! —Shira Atkins, Co-founder & CMO Wonder Media Network Stories of entrepreneurial success exist in abundance for men who receive 97.8% of venture funding and hold 95% of CEO roles. What is most inspiring about Claudia's book, making me want to shout from the rooftop, is that it is told from the perspective of an everyday woman who pushed hard through barriers, doubts, and setbacks that any entrepreneur would face. On top of all that, she overcame obstacles that are uniquely ours as women today. Claudia is now a standout among women, but with her book in hand, women who want to build a business to scale have a blueprint and path to do so. Here's to making dreams come true! —Coco Brown, CEO and Founder, The Athena Alliance. As I read through the book, there were multiple points where I thought, 'Every man in any startup or fast-growing business should read this.' As a man in technology, I took away lots of new ideas, along with examples that were explained in

a way that I wouldn't have been able to do prior to reading Claudia's book —Brad Feld, Managing Director, at Foundry Group, author of *Venture Deals* and *Do More Faster* Reuter breaks the stigma about mothers that chose to leave the workforce. She provides practical tools to start a business, by showing the path to success for every woman that wants to write her own rules —Sharon Kan, CEO of Pepperlane & Co-Founder of the WIN Lab Reuter manages to put into words what women have been facing and feeling for decades. She leaves the readers with stories, steps and inspiration to create the career path they are worthy of no matter if it's starting from scratch or breaking glass ceilings. This book will fuel the next generation of women in leadership and entrepreneurship giving them guides and confidence as it has fueled me to start the business I have always wanted. —Elizabeth Presta, CD(DONA), CLD

**Darker with the Dawn** Adam Steiner,2023-12-01 From his early work with *The Birthday Party* to the future sounds of *Ghosteen*, Nick Cave has rewritten the language of rock 'n' roll. *Darker with the Dawn* uncovers the history and deeper meanings behind Nick Cave and The Bad Seeds' most well-known songs from "Tupelo", "The Mercy Seat", "Red Right Hand",

“Stagger Lee”, “Into My Arms”, to “Higgs Boson Blues” and beyond. The book explores Nick Cave’s life in music drawing upon his inspirations of the Bible, Greek myth, and literature, as well as his enduring passion for gospel, blues, and progressive rock. Steiner reflects upon Cave's journey from his childhood in Australia, struggles with drug addiction, his young fascination with the nightmare landscapes of America's wild west and the southern gothic towards a reckoning with his own sense of Christian spirituality. In a career spanning four decades Cave's songwriting has moved from the saints and sinners of the traditional murder ballad to piano-based heartbreak songs, deconstructed garage rock and ambient fever dreams delivered through minimalist electronica. Adam Steiner dives into the world of a complex songwriter who, in his universal expressions of love and death, continues to speak to us of the light and shade of humanity.

*How We Learn to Be Brave* Mariann Edgar Budde,2023-05-23 A NEW YORK TIMES BESTSELLER How We Learn to Be

Brave is an inspirational guide to the key junctures in life that, if navigated with faith and discernment, pave the way for us to become our most courageous selves, by the bishop of the famed Episcopal Diocese of Washington, D.C. On January 21, 2025, many Americans were introduced to Bishop Mariann Budde thanks to what The New York Times called “an extraordinary act of public resistance.” During her prayer service for Donald J. Trump’s second inauguration, Bishop Budde addressed the president directly, imploring him “to have mercy on the people in our country who are scared now,” from those who are part of the LGBTQ+ community to immigrants and refugees. But for Bishop Budde, this moment was the culmination of a lifetime spent thinking about those pivot points when we’re called on to push past our fears and act with strength. With *How We Learn to Be Brave*, she teaches us that being brave is not a singular occurrence; it’s a journey that we can choose to undertake every day. Here, Bishop Budde explores the full range of decisive moments, from the most visible and dramatic (the decision to go), to the internal and personal (the decision to stay), to brave choices made with an eye toward the future (the decision to start), those born of suffering (the decision to accept that which we did not choose), and those that come unexpectedly (the decision to step up to the plate). Drawing on examples ranging from Harry Potter to the Gospel According to Luke, she seamlessly weaves together personal experiences with stories from scripture, history, and pop culture to underscore both the universality of these moments and the particular call each one of us must heed when they arrive. With Bishop Budde’s wisdom, readers will learn to live and to respond according to their true beliefs and in ways that align with their best selves. *How We Learn to Be Brave* will provide much-needed fortitude and insight to anyone searching for answers in uncertain times.
