As the daily news points to growing spiritual darkness over the nations, many Christians are tempted to believe that America is a lost cause. But is this true? Many Christian prophetic leaders agree: there is hope for America and the nations! Apostle John Benefiel has witnessed tremendous spiritual breakthrough, both...

Mobilizing Heavenly Resources Adeoye Oluwafemi Abiodun, 2017-11-27 The book is specially vomited by the holy spirit to stir up men who have slept as it is written while men sleep this book will help many who are already living a minus life, many that are ignorant of who they are or the privileges and the resources are God has created and kept for them. Ignorance is no excuse in spiritual matters and God do not want us to be kept in the dark so that you can do your own part which is to pray and he to do his own part which is to act and bring answers. There are plenty of wholesome resources which you and I can use and quite not a few is discussed in this first edition let take a look at Job 38:22-23 hast thou entered into the weapons of the snow? Or hast thou seen the treasure of the hail, which I have reserved against the day of trouble, against the day of battle and war. - The verse explains that God is ever ready, he is always prepared - God sees far beyond what we humans see, his foresight into future is far greater than philosophers on their tip toe. - His insight is unimaginable (Daniel 2:22 he revealed deep and secret things; he knoweth what is in darkness and light dwells with him) - God is always at his best when

we men are at our worst - He is the ultimate killing machine and he has in his arsenal strange weapons to fight strange battles. - God himself has the solution for he has the solution to all trouble and problems of life - God is still speaking today only if you tune to his frequency and his modulation and ready to obey The book is simply put as Williams Shakespeare has said there is a tide in the affairs of men to which if taken up leads to fortunes, you can through this book change the season around you by saying no it must stop, it cannot continue like this, let there be a change. Read and let your life change.

Deliverance and Spiritual Body Mapping Carolyn Steidley, 2016-06-13 Will you go to hell for me? asked the Lord. I remember standing in my living room stunned. It took me a few days to be able to answer him. I replied with a shaking, Yes. He then took me in a vision to the gates of hell. I could smell the sulfur and feel the heat. The gates were huge thick black iron, they swung open as I approached. I was standing on stepping stones just big enough for my feet and lava swirled around the stones. I heard the Lord's voice, Don't be afraid Carolyn. I have a net around you and yours. I looked and saw a large net all around me. I continued along the stones and then I saw it - a hand reached desperately to me out of the lava. I grabbed a hold and pulled for all I was worth! The vision ended. From that vision, I learned there are people all around us who are in their own personal hells. We are to set the captives free! The Lord gave me a way to help. It is called Spiritual Body Mapping and it works! It is an amazing way to quickly diagnose and target the strengths as well as areas that need to be addressed in an individual's life. As you read this book, I pray for the spirit of wisdom and revelation to enlighten you. God Bless you, Carolyn Steidley

Muckraker W. Sydney Robinson, 2012-05-12 A major work by a brilliant young biographer, Muckraker details the tenacity and verve of one of Victorian Britain's most compelling characters. Credited with pioneering investigative reporting, W. T. Stead made a career of 'muckraking': revealing horrific practices in the hope of shocking authorities into reform. As the editor of the Northern Echo, he won the admiration of the Liberal statesman William Gladstone for his fierce denunciation of the Conservative government; at the helm of London's most influential evening paper, the Pall Mall Gazette, he launched the career-defining Maiden Tribute campaign. To expose the scandal of child prostitution, Stead abducted thirteen-year-old Eliza Armstrong (thought by many to be the inspiration behind Eliza Doolittle, from friend George Bernard Shaw's Pygmalion), thrusting him into a life of notoriety. Labelled a madman in later life for dabbling in the occult, W. T. Stead conducted his life with an invincible zeal right up until his tragic demise aboard the Titanic. Revealing a man full of curious eccentricities, W. Sydney Robinson charts the remarkable rise and fall of a true Fleet Street legend in this enthralling biography.

SUMMARY: David Devenish shares insights drawn from many years of personal experience in helping people break free from strongholds that have bound them. In this no-nonsense guide, he gives us effective strategies for spiritual warfare which include: Having a biblical model for understanding the enemy's strategies and dealing with them. Keeping a balance between the reality of Satan and the demonic realm, our responsibility for our actions, and the absolute sovereignty of God. 'A book full of biblical shocks and surprises that God has owned, to cause all heaven (and hell!) to break loose and set thousands free. A superb manual that will make you mad with the devil and eager to sign up and fight.' Greg Haslam, Minister, Westminster Chapel, London 'I was captivated and intrigued by the timely warning in Demolishing Strongholds. David Devenish has provided valuable insights on spiritual warfare. Erdoğan's War Gonul Tol,2022-10-04 Recep Tayyip Erdoğan, Turkey's pugnacious president, is now the country's longest-serving leader. On his way to the top, he has fought many wars. This book tells the story of those battles against domestic enemies through the lens of the Syrian conflict, which has become part and parcel of Erdoğan's fight to remain in power. Turkey expert Gönül Tol traces Erdoğan's ideological evolution from a conservative democrat to an Islamist and a Turkish nationalist, and explores how this progression has come to shape his Syria policy, changing the course of the war. She paints a vivid picture of the president's constantly shifting strategy to consolidate his rule, showing that these shifts have transformed Turkey's role in post-uprising Syria from an advocate of democracy, to a power fanning the flames of civil war, to an occupier. From the first days of Erdoğan's rule through the failed coup against him, via the Kurdish peace process, the Arab uprisings and the refugee crisis, this compelling, authoritative book tells the story of one man's quest to remain in power—tying together the fates of two countries, and changing them both forever.

North Korea, 2009-2012 Ian Jeffries,2012-12-07 North Korea continues to be a country of great concern internationally,

where future developments are uncertain, especially as a result of the succession to the leadership of Kim Jong-un following the death of Kim Jong-il. It is also a country which is relatively unknown and relatively little studied. This book provides a comprehensive, detailed survey of economic and political developments in the last few years. As such it provides many insights into the current trends which are likely to shape the country's future direction.

Just Love Dr. Kent Hodge, 2011-12-14 Just Love God's love is revealed through his Message: the Logos. Whether in creation, our conscience, scripture or in the coming and life of Jesus Christ, this Message is the same. Through his Message, God reaches out to man to call him to repentance and to the gift of eternal life, by the shed blood of his Son. His love comes to us individually in the baptism of the Spirit in new birth, and eventually takes over our life as we share his gospel love with the church and with all others in missions. This book looks at issues related to the love God and shows the continuity of God's love and character between the Old and New Testaments: One God, One Message!

Fighting Emperors of Byzantium John Carr, 2015-04-30 This lively history chronicles every Byzantine Emperor who personally fought in battle, from Constantine the Great to Constantine XI. The Eastern Roman or 'Byzantine' Empire had to fight for survival throughout its eleven centuries of history. Military ability was therefore a prime requisite for a successful Emperor. In *Fighting Emperors of Byzantium*, historian John Carr explores the personal and military histories of the fighters who occupied the imperial throne at Constantinople. They include men like its founder Constantine I, Julian, Theodosius, Justinian, Heraclius, Leo I, Leo III, Basil I, Basil II (the Bulgar-slayer), Romanus IV Diogenes, Isaac Angelus, and Constantine XI. Byzantium's emperors, and the military establishment they oversaw, can be credited with preserving Rome's cultural legacy and, from the seventh century, forming a bulwark of Christendom against aggressive Islamic expansion. For this the empire's military organization had to be of a high order, a continuation of Roman discipline and skill adapted to new methods of warfare.
