Rivista di politica economica ,2005

VOCE DI PRORA Bruno Temperoni,2009-08-10 Bruno Temperoni was born in Rome on March 21, 1918 and died in Bergamo on August 19, 1991. He interrupted his scientific studies in 1938 to serve the military during the Second World War. After six years at the service of the Italian Royal Navy, and having finished a tough, involving military parenthesis, he joined his father in the craftsmanship of furniture. Later with his brother, he continued this activity, developing and expanding the company, until the furniture factory reached a successful artistic commercial level. As an autodidact, having a striking sensitivity, he dedicated himself to what he always loved: prose, poetry, photography, and plastic arts. But it was in painting, his true passion, that he expressed an unquestionable artistic personality receiving recognition from art critics and various prizes: "Mostra d' Arte Lazio 72, Il Premio Bianco-Nero", " III Premio Mostra d'Arte, Incontro col Teatro Romano, Mostra Carnevale 73, Premio Personalità.

Lo scatto umano Mario Dondero,2017-10-25T00:00:00+02:00 Chi ha conosciuto di persona Mario Dondero sa che è impossibile fargli raccontare la sua vita senza che lui ci metta dentro quella di tutti gli altri. E così questa autobiografia è diventata la biografia del fotogiornalismo narrata da Dondero, umanissimo umanista, mitissimo rivoluzionario, viaggiatore sempre 'donderoad', grande griot della visione. la Repubblica Incontri, aneddoti, agganci con storie incredibili e mai banali, dove i nomi della grande cultura del '900 compaiono assieme a quelli dei primi fotoreporter e dei primissimi creatori di agenzie. Il tutto tenuto insieme da un collante comune: la passione. Danilo De Marco, Il Venerdì di Repubblica Il più bel periodo del fotogiornalismo internazionale raccontato da uno dei migliori fotografi italiani. Mario Dondero rivela le storie che stanno dietro le immagini sue e di alcuni colleghi, spiegando il vero senso del mestiere del fotoreporter. Fabrizio Villa, Corriere della Sera

Rivista marittima ,1907

L'orto dei frutti dimenticati Gianluca Serioli,2025-03-15 Quest'opera è un viaggio nella memoria, nei sogni smarriti, nelle parole mai dette. L'autore raccoglie frammenti di vita e li trasforma in racconti sospesi tra nostalgia e poesia, tra il

disincanto del presente e il calore indelebile del passato. Chi siamo davvero? Cosa resta di noi, dei nostri giorni migliori, degli amori sfiorati e delle illusioni perdute? Tra le pagine di questa raccolta si intrecciano le voci di chi ha cercato la propria strada senza mai trovarla del tutto, di chi si è fermato a contemplare il mondo da un angolo nascosto, di chi ha imparato che il tempo non si ferma e che, forse, l'unica salvezza sta nel ricordare. C'è il sapore delle estati d'infanzia, il silenzio di un'alba sul lago, la malinconia di una canzone che torna a bussare alla porta della memoria. E poi c'è la vita, nella sua struggente bellezza, nei suoi piccoli gesti quotidiani che si fanno eterno rifugio. Uno sguardo profondo e autentico sulle esistenze fragili e potenti che ci abitano, un inno alle radici, alla poesia del quotidiano, a quel tempo interiore che, come un frutto antico, aspetta solo di essere riscoperto.

Spink & Son's Monthly Numismatic Circular, 1904

La crepa Gabriele Chiarolanza, 2020-03-07 Berlino, autunno 1951. La Germania nazista, dopo aver vinto la guerra, è ormai stata accettata da tutti, sia in patria sia all'estero, come un grande stato europeo. Alla guida del paese si trova Reinhard Heydrich, uno dei più feroci dirigenti del partito durante il Terzo Reich. Adolf Hitler, mantenendo il titolo di Führer, vive un'esistenza anonima e appartata e tutto, nella nazione tedesca, appare ormai normalizzato. Qualcuno, però, ancora non si è piegato alla nuova realtà uscita dalla guerra. Qualcuno sogna l'avvento di un mondo privo di nazisti, senza rinunciare ad impegnarsi in prima persona a raggiungere questo obiettivo. Tra incontri fortuiti, amicizia, amore e un passato che non va dimenticato - ma anzi ricordato - Marius e i suoi compagni si ritroveranno a vivere un'avventura dai risvolti imprevedibili e dal finale inaspettato. Berlino, autunno 1951. La Germania nazista, dopo aver vinto la guerra, è ormai stata accettata da tutti, sia in patria sia all'estero, come un grande stato europeo. Alla guida del paese si trova Reinhard Heydrich, uno dei più feroci dirigenti del partito durante il Terzo Reich. MALAGIUSTIZIOPOLI SECONDA PARTE Antonio Giangrande, E' comodo definirsi scrittori da parte di chi non ha arte né parte. I letterati, che non siano poeti, cioè scrittori stringati, si dividono in narratori e saggisti. E' facile scrivere "C'era una volta...." e parlare di cazzate con nomi di fantasia. In questo modo il successo è assicurato e non hai rompiballe che si sentono diffamati e che ti querelano e che, spesso, sono gli stessi che ti condannano. Meno facile è essere saggisti e scrivere "C'è adesso...." e parlare di cose reali con nomi e cognomi. Impossibile poi è essere saggisti e scrivere delle malefatte dei magistrati e del Potere in generale, che per logica ti perseguitano per farti cessare di scrivere. Devastante è farlo senza essere di sinistra. Quando si parla di veri scrittori ci si ricordi di Dante Alighieri e della fine che fece il primo saggista

mondiale. Le vittime, vere o presunte, di soprusi, parlano solo di loro, inascoltati, pretendendo aiuto. Io da vittima non racconto di me e delle mie traversie. Ascoltato e seguito, parlo degli altri, vittime o carnefici, che l'aiuto cercato non lo concederanno mai. "Chi non conosce la verità è uno sciocco, ma chi, conoscendola, la chiama bugia, è un delinquente". Aforisma di Bertolt Brecht. Bene. Tante verità soggettive e tante omertà son tasselli che la mente corrompono. Io le cerco, le filtro e nei miei libri compongo il puzzle, svelando l'immagine che dimostra la verità oggettiva censurata da interessi economici ed ideologie vetuste e criminali. Rappresentare con verità storica, anche scomoda ai potenti di turno, la realtà contemporanea, rapportandola al passato e proiettandola al futuro. Per non reiterare vecchi errori. Perché la massa dimentica o non conosce. Denuncio i difetti e caldeggio i pregi italiani. Perché non abbiamo orgoglio e dignità per migliorarci e perché non sappiamo apprezzare, tutelare e promuovere quello che abbiamo ereditato dai nostri avi. Insomma, siamo bravi a farci del male e qualcuno deve pur essere diverso!

Recueil Des Cours, Collected Courses, 1982, 1983-09-14 The Academy is a prestigious international institution for the study and teaching of Public and Private International Law and related subjects. The work of the Hague Academy receives the support and recognition of the UN. Its purpose is to encourage a thorough and impartial examination of the problems arising from international relations in the field of law. The courses deal with the theoretical and practical aspects of the subject, including legislation and case law. All courses at the Academy are, in principle, published in the language in which they were delivered in the Collected Courses of the Hague Academy of International Law .

Il Triestino Mercurio , 1815

A Sociable Moment Colleen Reardon, 2016-05-02 After their military defeat by the Florentines in the mid-sixteenth century, the citizens of Siena turned from politics to celebratory, social occasions to express their civic identity and show their capacity for collective action. In the first major work of its kind, Colleen Reardon opens a window on the ways in which the Sienese absorbed the new genre of opera into their own festive apparatus and challenges the prevailing view that operatic productions in the city were merely an extension of Medici power to the provinces. It was, rather, members of the expatriate Chigi family who exploited the festive impulse of their countrymen, coordinating operatic performances with their triumphant visits home by activating ties of friendship and family as well as connections to Sienese institutions, most notably the Assicurate, possibly the first all-female academy in Italy. If the Chigi proved successful at inserting opera into larger patterns of sociability that conveyed the very essence of what it meant to be Sienese (senesità), their successor, the flamboyant playwright and librettist Girolamo Gigli, struggled in his attempts to transform operatic performances into professional enterprises. Fluidly written and richly embellished with anecdotes from historical chronicles, *A Sociable Moment* offers insight into the Sienese experience with opera during the genre's rapid expansion throughout the Italian peninsula

during the late seventeenth and early eighteenth centuries.

Gazzetta di Parma ,1773

Lo scampolaio ovvero de trinitate homini Antonio Verderi,2024-04-08 Quando il corpo del duca Aleotti viene ritrovato orribilmente dilaniato dai cani all'interno della sua villa, è subito chiaro per tutti, soprattutto per il viceispettore Caniglia, che non si tratta di un caso di facile soluzione, fosse solo per la quantità di elementi da analizzare: il passato della vittima, caduta in disgrazia dopo aver sperperato il proprio patrimonio; la scena del delitto, ricca di elementi volutamente disseminati come a costruire una scenografia teatrale; e infine, i misteriosi riferimenti esoterici sparsi nell'edificio. Nel tentativo di dare un senso a tutto ciò, entra in gioco anche la specialista Vanessa Cerbi, recentemente formatasi presso l'FBI. Ma è l'intuizione del viceispettore Caniglia a dare una svolta all'indagine. Il collegamento con un omicidio avvenuto l'anno precedente gli conferma il terribile sospetto: si trovano di fronte all'opera di un serial killer... Thriller avvincente e ricco di risvolti psicologici, *Lo Scampolaio* cattura l'attenzione del lettore fin dalle prime pagine con una prosa piacevole, incalzante e spesso ironica. Davanti ai suoi occhi, man mano che la trama si dipana e i tasselli del mosaico trovano il proprio posto, prende forma un disegno inquietante e machiavellico, specchio fedele delle molteplici seduzioni del male. Antonio Verderi, originario di Noceto (PR), da oltre vent'anni si occupa della registrazione e realizzazione tecnica di album musicali, collaborando con prestigiose etichette discografiche a livello mondiale. Ha gestito artisticamente e tecnicamente vari teatri ed eventi culturali. È un esperto della storia della riproduzione sonora e della digitalizzazione di supporti fonografici. Questo è il suo romanzo d'esordio.

The Early Mountaineers Francis Henry Gribble,1899

Play, Men! Giovanna Maina,2020-03-05T00:00:00+01:00 L'anno 1966 sembra essere una sorta di annus mirabilis per quanto riguarda la sessualizzazione dell'editoria popolare italiana. L'uscita nelle edicole di un settimanale come "Men" e, qualche mese prima, di due testate a fumetti come "Goldrake" e "Isabella" costituisce, di fatto, un punto di non ritorno nel processo di sdoganamento dell'erotismo nelle abitudini culturali del nostro paese. *Play, Men!* rappresenta un tentativo di sistematizzazione della stampa per adulti a cavallo tra gli anni Sessanta e Settanta. Dai fumetti neri ai primi timidi nudi fotografici, dagli exploit porno-chic di "Playmen" fino allo scivolamento nell'hard, questo volume offre uno sguardo d'insieme sulla miriade di riviste che popolavano la fascia di consumo "vietata ai minori", un settore tanto centrale dal punto di vista commerciale e della produzione di immaginario, quanto ancora poco esplorato dagli studi sui media.

Codename SICILYWAR: Archaeology, Museums, and Social Networks under Threat in Sicily during World War II Antonino Crisà,2025-08-21 This text examines the impact of WWII on Sicily's archaeological sites and museums. It explores how authorities managed archaeological finds, reconstructs social networks during the war, and compares Sicily's situation

to other European contexts, using newly-discovered documents and a multidisciplinary approach.
