

Lost Gods A Novel

John Marco Allegro

Lost Gods Brom, 2016-10-25 In *Lost Gods*, Brom, the artist and author of *The Child Thief* and *Krampus*, brings readers into a dark, fantastical, masterful mix of brilliant illustrations and dazzling prose. A young man descends into Purgatory to save his wife and unborn child in this gorgeous, illustrated tale of wonder and terror from the mind of master storyteller and acclaimed artist Brom. Fresh out of jail and eager to start a new life, Chet Moran and his pregnant wife, Trish, leave town to begin again. But an ancient evil is looming, and what seems like a safe haven may not be all it appears . . . Snared and murdered by a vile, arcane horror, Chet quickly learns that pain and death are not unique to the living. Now the lives and very souls of his wife and unborn child are at stake. To save them, he must journey into the bowels of purgatory in search of a sacred key promised to restore the natural order of life and death. Alone, confused, and damned, Chet steels himself against the unfathomable terrors awaiting him as he descends into death's stygian blackness. With *Lost Gods*, Brom's gritty and visceral writing takes us on a haunting, harrowing journey into the depths of the underworld. Thrust into a realm of madness and chaos, where ancient gods and demons battle over the dead, and where cabals of souls conspire to overthrow their masters, Chet plays a dangerous game, risking eternal damnation to save his family.

The Lost Gods Francesca Simon, 2013

Zeus: Lost Gods Book 1 LaVerne Thompson, 2016-08-16 *WARNING* This is not an erotic romance. It does however, have sex when warranted and lots of violence and cussing. You have been warned. What if you woke up one day and found out you used to be a god? But you don't care when you can't save the one you love. Unless you claim your legacy and your powers, even if you have to kill your father to do it. Ze found he would do whatever he must to make sure Kassia lived. She was an innocent. Kassia lived her life for the last year under a death sentence. She had an end date of three months. This was her last chance to save herself against the thing killing her from the inside. Even accepting the will of a god. He could save her life but at what cost to her soul? When survival is everything, would you do anything to ensure that you do? Zeus- *Lost Gods Book 1* is a Finalist in the I Heart Indie 2018 Contest of the Vegas Chapter of RWA. Ledo- *Lost Gods Book 2* is available Linc- *Lost Gods Book 3* is available

Zeus: Lost Gods Book 1 Laverne Thompson, 2016-09-14 All the gods are dead. Long live the gods. Long live Zeus. *WARNING* This is not an erotic romance. It does however, have sex when warranted and lots of violence and cussing. You

have been warned. What if you woke up one day and found out you used to be a god? But you don't care when you can't save the one you love. The Lost Gods Book One - Healer ,

Tsarato shel Fainder Kate Novak,Jeff Grubb,2007

Ledo Laverne Thompson,2016-10-14 All the gods are dead. Long live the gods. Never forget. To be reborn time after time knowing, remembering; each past life is both heaven and hell for Ledo. But as a son of Ares the Fates rule his life. His rebirth serves one purpose: to stand with Zeus when he faces Cronus and to die doing it. That never bothered him. He'd lived many lifetimes and knew his destiny, willingly embracing it. But then came Aria, she too was his destiny, his reward. Both his pleasure and his pain. Protect her he would, even if it meant going against the Fates. As a scientist, if Aria couldn't see it, taste it, touch it or calculate it, it didn't exist. Until the man from her beautiful dreams showed her everything she believed in was a lie. And now that she knew that, her life was forfeited. *WARNING* This is not an erotic romance. It does however, have sex when warranted and lots of violence and cussing. You have been warned.

The Silver Den Melanie Conant,2021-04-27

Linc Laverne Thompson,2016-12-28 *WARNING* This is not an erotic romance. It does however, have sex when warranted and lots of violence and cussing. You have been warned. All the gods are dead. Long live the gods. I am aware. Linc had grown up having to kill to protect himself and his best friend. So, death and he were intimate friends. Then when his best friend turned out to be non-other than the Greek god Zeus and needed him to once again watch his back, Linc had no choice but to grab his Glock and say, hell yes. Little did he know, he had many trials to go through to be able to help his friend. Not the least of which was helping a woman conquer her fears and not run from a man like him. But she was an integral part of his existence. He could not let her go. Mina had resigned herself to being alone all her life. She could trust no one with her secrets, she couldn't even trust herself. She'd been forced to kill to protect those secrets and she didn't want to risk the one man who might have accepted them. Not after she'd almost cost him his life. Yet, help him she must. It was her destiny, she just couldn't bring herself to believe it.

Lost Gods John Marco Allegro,1977

Lost Gods Anna Smith Spark,Gaie Sebold,Terry Grimwood,2021-03 They have slept for centuries. Buried. Forgotten. Lost. Until they awake. Or are awoken... When the deities of old return, will they bring blessings or destruction to a time that no

longer remembers them? Should they be left to lie in peace, or used for our own ends? Are they gods, or monsters? What lies out there in the realms of the lost gods? Featuring stories by Anna Smith Spark, Courtney Privett, Gaie Sebold, Laura Gregory, Charlotte Bond, Steven Poore, Terry Grimwood, Kerry Buchanan, Donald Jacob Uitvlugt, Ellen Crosháin, Allen Stroud, Chris Halliday, Lindsay Duncan & Gareth Lewis.

Epilogues for Lost Gods Cat Rector, 2022-11-30 Sigyn: We survived Ragnarok and tried to usher in a new era. Now the realms consist of two minuscule factions encamped in the remnants of Asgard and Vanaheim. But the gods are greedy. Anyone not under Asgard's control must fall. When they come, they're going to win. The realms are empty. There's no one left to help us. No one except the dead in Helheim. _____ Loki: When I died, I took everyone with me. Almost everyone. I've waited for Sigyn every day, but she never comes. Never dies. Everyone down here knows what I did. Who I am. And I must live-exist-with the weight of that guilt, those scars. She's going to come back someday, and I'm going to be alright. Be better. I'd do anything for her. I'd do anything to be with her. If only she'd ask. _____ Epilogues for Lost Gods is a story about grief and healing, and is the final chapter of The Goddess of Nothing At All

A Time of Lost Gods Emily Ng, 2020-05-12 Traversing visible and invisible realms, A Time of Lost Gods attends to profound rereadings of politics, religion, and madness in the cosmic accounts of spirit mediumship. Drawing on research across a temple, a psychiatric unit, and the home altars of spirit mediums in a rural county of China's Central Plain, it asks: What ghostly forms emerge after the death of Mao and the so-called end of history? The story of religion in China since the market reforms of the late 1970s is often told through its destruction under Mao and relative flourishing thereafter. Here, those who engage in mediumship offer a different history of the present. They approach Mao's reign not simply as an earthly secular rule, but an exceptional interval of divine sovereignty, after which the cosmos collapsed into chaos. Caught between a fading era and an ever-receding horizon, those "left behind" by labor outmigration refigure the evacuated hometown as an ethical-spiritual center to come, amidst a proliferation of madness-inducing spirits. Following pronouncements of China's rise, and in the wake of what Chinese intellectuals termed semicolonialism, the stories here tell of spirit mediums, patients, and psychiatrists caught in a shared dilemma, in a time when gods have lost their way.

Paragon Forgotten, the Lost Gods Book 1 Jm Robison, 2023-04-08 Cohthel should have visited Father's grave sooner. Because now it's missing. His mother makes excuses for the absent grave, which Cohthel accepts, but his best friend won't. He convinces Cohthel his father must still be alive, and Cohthel runs away from school, family, and friends to find the truth. He needs the truth because Mother won't remarry and without a father's guidance Cohthel fears he'll never choose an apprenticeship, will live with Mother the rest of his life, won't fully grasp manhood, and all his friends will succeed in life and leave him behind. While away, Cohthel hears corrupting rumors that humans are breaking alliances to force the other eight races to worship humans as gods. He returns home to not only having found the truth about his once-thought-dead father,

but that he now must choose: join the humans' war for godhood and erase his culture, identity, and humanity, or oppose the war and be forced to kill the only thing he's ever wanted: a father. An ageless human lurks behind the fabric of the universe, and she gives Cohthel a third impossible choice: stop the war. But he must find a way to live forever, first. **AUTHOR'S NOTE:** The ebook version of this novel does not include the fantasy map, the dedication page, or follow-on excerpt for The Lost Gods Book 2 at the end. All print versions of this book found elsewhere include those items.

The Shapeless God Harry John Mooney, Thomas F. Staley, 2010-11-23 Nine noted literary critics examine the spiritual and religious elements in the fiction of such diverse writers as James Baldwin, J. F. Powers, Graham Greene, Par Lagerkvist, and Flannery O'Connor. Contributors: Robert Boyle, S.J.; Robert McAfee Brown; A. A. Devitis; Herbert Howarth; Maralee Frampton; Nathan A. Scott, Jr.; Albert Sonnenfeld; Winston Weathers; and the editors

Science Fiction and Narrative Form David Roberts, Andrew Milner, Peter Murphy, 2023-02-23 Establishing science fiction as its own distinct and increasingly important narrative form, this book explores how the genre challenges pervasive perceptions of society as they appear in the conventional modern novel. Inspired by, and building upon, Georg Lukács's criticism of the orthodox novel for its depiction of life as alienating and disjointed, Milner, Murphy and Roberts demonstrate that science fiction steps beyond this contemporary form to be a more constructive form of literature, one able to conceive of society as complete, integrated and well-rounded. Taking stock of three kinds of science fiction which lie outside the scope of the modern novel – theological/ ontological science fiction, the science fiction of future history and epic science fiction – this book demonstrates the genre's unique capacity to encapsulate the whole world, persons and events, things and objects in a

glance, and address the motive behind the longing for meaningful totality. With reference to a vast array of works by authors such as Michel Houellebecq, Elias Canetti, Isaac Asimov, Jules Verne, H. G. Wells, Aldous Huxley, Marge Piercy, Iain M. Banks, Margaret Atwood, Ursula K. Le Guin, William Gibson, Dirk C. Fleck, Philip K. Dick, George Orwell and Kazuo Ishiguro, this book offers a compelling argument for rethinking the position and potential of the science fiction novel and to challenge the way we perceive our culture.

Finder's Bane Kate Novak, Jeff Grubb, 2012-10-16 The fate of one god hinges on the death of another—and the bravery of a rag-tag band of adventurers—in this classic Harpers novel. When Joel became a priest of the new god Finder, he knew it meant forfeiting the honor and security of his position as a master bard. Now his freedom—and his very life—are at stake as the powers of evil embroil the priests of Finder in a struggle against a plot to resurrect the dead god Bane. Accompanied by freedom fighter Holly Harrowslough, the mysterious winged woman Jas, and the aging priest Jedidiah, Joel embarks on a mission to recover the Hand of Bane. His quest leads him from the Realms all the way to the extra-planar city of Sigil. There, Joel must rely on all his courage, wisdom, and strength to thwart the return of Bane the Tyrant and rescue the god Finder from imminent death. *Finder's Bane* is the fifteenth book in a series of loosely-connected novels about the Harpers. It is also the first book in the *Lost Gods* trilogy.

The Confession A Novel Maksim Gorky, 2024-10-15 Delve into the emotional depths of human experience with Maksim Gorky's *The Confession*. This powerful novel explores themes of identity, suffering, and redemption, offering a raw portrayal of life in the early 20th century through the eyes of its compelling protagonist. As you journey through Gorky's evocative narrative, you'll be confronted with the struggles and triumphs of a soul seeking truth and understanding. The intimate confessions reveal the complexities of the human condition, inviting readers to reflect on their own lives. But what truths lie beneath the surface of our everyday existence? Can a single confession change the course of one's life? This novel serves as both a mirror and a window, providing insight into the societal challenges of Gorky's time while resonating with the timeless questions of morality and purpose. Each page draws you deeper into a world filled with passion, despair, and ultimately, hope. Are you prepared to confront the profound truths of life alongside Gorky's unforgettable characters? Engage with Gorky's poignant prose that captures the essence of struggle and resilience. His narrative transcends time, compelling you to ponder the nature of confession and its impact on personal growth. This is your chance to experience a literary masterpiece. Will you immerse yourself in *The Confession*? Don't miss out on this transformative reading experience. Purchase *The Confession* now, and explore the depths of human emotion and the quest for truth.

Whispering the Strategies of Language: An Psychological Quest through **Lost Gods A Novel**

In a digitally-driven world wherever screens reign great and immediate conversation drowns out the subtleties of language, the profound techniques and psychological nuances hidden within phrases usually get unheard. However, located within the pages of **Lost Gods A Novel** a charming fictional value blinking with raw thoughts, lies an exceptional quest waiting to be undertaken. Written by a skilled wordsmith, this marvelous opus invites viewers on an introspective trip, delicately unraveling the veiled truths and profound affect resonating within ab muscles cloth of each word. Within the emotional depths of this poignant evaluation, we will embark upon a sincere exploration of the book is key themes, dissect its captivating writing style, and yield to the powerful resonance it evokes serious within the recesses of readers hearts.
