This is just one of the insights you will find in author Steven Bundy's *Bundyisms: Thoughts to Ponder over Your Morning Coffee*. When his children were about to graduate from high school and college, Bundy gave them a book of idioms, thoughts, and sayings he had come up with over the years. Soon, others wanted to read his words of advice, observations, and humor, too. These insights cover a variety of topics, including soda pop, godly wisdom, and indifference. Bundy comments on each saying, often provoking further thought. *Bundyisms: Thoughts to Ponder over Your Morning Coffee* adds flavor to your life any time of day. I Am Not Your Friend I Am Your Mother Rene' Stanley, 2024-12-31 *I Am Not Your Friend, I Am Your Mother* is a powerful memoir that chronicles one mother's unwavering commitment to raising her children with strong biblical principles in an increasingly secular world. Through candid reflections, Sarah shares her journey of choosing tough love over friendship, steadfast values over popularity, and spiritual guidance over permissiveness while raising her three children - Michael,

Jessica, and Ethan. From the early years through turbulent teens and into adulthood, Sarah details the challenges, heartaches, and ultimate triumphs of maintaining biblical standards in modern parenting. She addresses difficult topics including setting boundaries, handling rebellion, and balancing discipline with affection. As her children grow into adults and become parents themselves, Sarah witnesses the fruits of her labor as they pass these same values to the next generation. This inspiring memoir serves as both an encouragement and a practical guide for parents striving to raise godly children in today's world. Sarah's raw honesty about her struggles and victories offers hope and wisdom for those facing similar challenges in their parenting journey. Perfect for parents seeking biblical guidance in child-rearing or anyone interested in the impact of faith-based parenting across generations.

Embracing Prodigals John Sanders, 2020-07-31 Do you wonder why some people you know hold theological and political views that blow your mind but they find quite reasonable? Today, Christians are at odds over how to understand the Bible, atonement, and salvation of non-Christians. They are also polarized over issues such as same-gender marriage, income inequality, and health care. Two social science models, Nurturant and Authoritative, explain this divide. Values are at the heart of our disagreements. Nurturants prize empathy and cooperation while Authoritatives cherish obedience to law and order. Each group has distinct core values and these lead them to embrace different theological, moral, and political views. This book explains the divide and makes the case that Jesus embodied the Nurturant way of life. He modeled empathy, grace, forgiveness, and care for those beyond his own tribe. The Nurturant and Authoritative approaches have competed for thousands of years but contemporary research shows that the Nurturant way of life produces better mental and spiritual health as well as superior communities in which to live.
