Diary of an Almost Somebody ,2023-05-01 The Diary of an Almost Somebody is exactly what it says on the tin. It is the story of an ordinary life starting with his family history going back to the 18th century in Ireland. The family history is taken mainly from entries in the Boyd Barrett family bible, supplemented by researching Irish 19th century censuses, parish records and newspaper archives. The later part contains his recollections from the 1940s to the present time. David's life has not been out of the ordinary with, his childhood in England during WW11 followed by his boarding school education and teenage years in 1950s Dublin resonating with many readers. His early working life in London, Persia (Iran) and West Africa illustrates a life which no longer exists. He illustrates the ups and downs of his family and business life up to the present time and tries to describe it as it was and as it happened.

McNamara, Clifford, and the Burdens of Vietnam 1965-1969 Edward J. Drea,2011 Overseeing the Vietnam War and contending with these complex policy issues taxed even McNamara's enormous energy and brilliant intellect as he struggled to manage DoD programs. His long-cherished cost-cutting programs fell by the wayside; his favored weapons systems were swept aside; his committed efforts to limit strategic arms faltered; and his reputation was permanently tarnished. McNamara, Clifford and the Burdens of Vietnam highlights the interaction of McNamara and Clifford with the White House, Congress, the JCS, the Department of State, and other federal agencies involved in policy formulation. The two secretaries increasingly found that the cost of winning the war became a morally prohibitive as the price of losing.

The Undiscovered Country Paul Andrew Hutton,2025-08-05 New York Times Bestseller From the author of *The Apache Wars*, the true story of the American West, revealing how American ambition clashed with the realities of violence and exploitation The epic of the American West became a tale of progress, redemption, and glorious conquest that came to shape the identity of a new nation. Over time a darker story emerged—one of ghastly violence and environmental spoliation that stained this identity. *The Undiscovered Country* strips away the layers of myth to reveal the true story of this first epoch of American history. From the forests of Pennsylvania and Kentucky to the snow-crested California Sierras, and from the harsh deserts of the Southwest to the buffalo range of the Great Plains, Paul Andrew Hutton masterfully chronicles a story that defined America and its people. From Braddock's 1755 defeat to the 1890 Wounded Knee massacre, he unfolds a grand

narrative steeped in romantic impulses and tragic consequences. Hutton uses seven main protagonists—Daniel Boone, Red Eagle, Davy Crockett, Mangas Coloradas, Kit Carson, Sitting Bull, and William “Buffalo Bill” Cody—as the biographical threads by which to weave a tapestry across seven generations, revealing a story of heroic conquest and dark tragedy, of sacrifice and greed, and of man-made wonders and environmental ruin. The American frontier movement has proven eternally fascinating around the world—the subject of countless books, paintings, poems, television shows, and films. The Undiscovered Country reveals the truth behind America’s great creation myth.

Becoming Citizens Gayle Gullett,2000-02-07 In 1880, Californians believed a woman safeguarded the Republic by maintaining a morally sound home. Scarcely forty years later, women in the state won full-fledged citizenship and voting rights by stepping outside the home to engage in robust activism. Gayle Gullett reveals how this enormous transformation came about and the ways women's search for a larger public life led to a flourishing women's movement in California. Though voters rejected women's radical demand for citizenship in 1896, women rebuilt the movement in the early years of the twentieth century and forged critical bonds between activist women and the men involved in the urban Good Government movement. This alliance formed the basis of progressivism, with male Progressives helping to legitimize women's new public work by supporting their civic campaigns, appointing women to public office, and placing a suffrage referendum before the male electorate in 1911. Placing local developments in a national context, *Becoming Citizens* illuminates the links between women's reform movements and progressivism in the American West.

Lee Walker knows it won't be easy to start a new life in a new city. But she is on a mission: to prove to everyone, and to herself, that she can make it here, working in the masculine world of the construction industry. When contracting rival Sam Brown offers her a job, Lee is stunned and a little wary. Sam's motives seem honorable enough, even if he doesn't see her in a strictly professional light. In fact, Sam sees her as the woman she's always hoped to be—smart, capable, warm, funny and sexy. Before she knows it, Lee is falling head over heels for her boss. But part of her is sure that telling Sam about her past would have him backing away, fast. Now she must choose between protecting her bruised and battered heart—or trusting it to a man whose quiet strength just might heal it...

THE SACRED^SUNDAY WORDS OF WISDOM JOURNAL Michael William AngelOh,2019-05-24 It was on July 4th that I found an up and coming Social Media Website called Facebook. I registered for my first Facebook Homepage account and

within 30 days had composed a page featuring my “HAWAIIAN WORDS OF WISDOM” sayings. I immediately began receiving hundreds of likes and encouraging comments to my new page which inspired me to begin another new page entitled, “SACRED^SUNDAY WORDS OF WISDOM.” This page would feature my collection of writings and Quotations which I would feature to my many friends on Facebook and then on Twitter another Social Media site posted early each Sunday morning. These early creations have been published regularly on both Fridays and Sundays ever since 2008 and are the source and inspiration for this Book. Each Friday I had posted one of my Hawaiian Words of Wisdom Quotations in both Hawaiian with the English translation. Each Sunday I had posted one of my very favorite Scriptural Quotations occasionally with a comment or personal Prayer attached. The other days of the week were inspired primarily by my own personal Quotations that I had published in my personal Newsletter entitled, “The Sacred^Sunday Journals” which went out weekly to over 6,000 subscribers along with my Sunday postings on Social Media. This new Book publication offers Daily Inspiration and features what are called, “THE FRUITS OF THE HOLY SPIRIT” Quotations. It also features the author's HAWAIIAN WORDS OF WISDOM as well as “SACRED^SUNDAY'S SCRIPTURAL QUOTATIONS for 365 days, a full year. They are presented as daily reminders or what may be called “THE INSPIRATIONAL WORD FOR THE DAY.” Daily WORD STONE IMAGES are also posted to keep the reader’s attention focused upon those Spiritual attributes in each Soul’s consciousness that may be reflected upon each day of ordinary time for each individual Soul’s lifetime journey. The “SACRED^SUNDAY WORDS OF WISDOM JOURNAL” begins on a Sunday with Day 1 and ends on a Sunday with Day 365. My sincere desire is that each Quotation for every day of whatever year you happen to be reading this Book will warm your Heart and illuminate your mind and Soul having a human experience on a daily basis.

Every Second Counts Donald McRae,2006-07-03 The dramatic race to transplant the first human heart unravelled
against a backdrop of searing tension, scientific brilliance, ethical controversy and racial strife. In 1967 four surgeons stood
on the brink of medical immortality: Christiaan Barnard in South Africa; Norman Shumway at Stanford; Richard Lower in
Virginia; and Adrian Kantrowitz in New York were all ready to proceed with the world's first human heart transplant. Every
Second Counts, written by the award-winning author Donald McRae and based on the intimate recollections of the surviving
surgeons, tells for the first time the story of that tumultuous race and the relationship between the four men who fought it. It
is a true account that combines the utterly compelling - and often shocking - details of science with raw human drama as four
men strove to conquer the greatest of medical challenges.--BOOK JACKET.

Nasha Bil Hoga, He Who Walks Alone Mike Wyant,2013-02 An eleven-year-old Navajo boy is taken by force from his
Arizona reservation home and bussed to Fort Sill Indian School near Lawton and Fort Sill, Oklahoma, in 1949. The U.S. law
requires the Navajo children to attend school in a federally operated boarding school. The boy is treated roughly at his
capture and on the bus trip. He vows to escape from the school and walk/run back the eight hundred miles back to his home,
realizing he has no money and does not trust the white man. He is forced to rely on his survival skills. He makes several

friends at the school. However, in the spring, he leaves at night and starts his journey home. The challenges he faces at the school and also his journey and how he overcomes those challenges are detailed. When he finally reaches his home area, he hears crying from several people and creeps through the sagebrush to see what is happening. The same government agents who seized him are trying to wrestle an eight-year-old girl from her mother and grandmother and put her on the bus. But while that happens, the boy slips unnoticed on to the bus and invites all the children to follow him, and he will hide and protect them until the agents have gone and stopped looking for them. Twenty-one of the children come with him, and he hikes for two days, covering his trails, until he reaches an old unknown cliff dwelling that he and his family had stayed at many times. It is well hidden. For close to a year, the children survive in the cliff dwelling, learning Indian skills from the boy and school skills from a twelve-year-old girl. Meanwhile, a large political battle takes place for many months, and finally, the law is changed so the Navajo children can stay on the reservation to learn the white man's ways and education. When all the papers have been signed by the Congress and the president, the children's group is able to return home. A large dinner is planned by the tribal council for their return. At this dinner, the boy, Jeff White Cloud, has his name formally changed by the tribal leaders to Nasha Bi³ Hoga, He Who Walks Alone.
