Catholic Bible Dictionary Scott Hahn,2009-06-16 More than a generation has passed since the appearance of the last major Catholic Bible dictionary. It has been a fertile generation for biblical scholarship, an eventful time for biblical archaeology, and a fruitful time for the Church's interpretation of the Bible. It is time for a new resource. Scott Hahn, internationally renowned theologian and biblical scholar, has inspired millions with his insight into the Catholic faith. Now he brings us this important reference guide, written specifically for Catholics, which contains more than five thousand clear and accessible entries and covers a wide range of people, places, and topics. From Genesis to Revelation, the whole of salvation history is presented and explained in smart, easy-to-understand prose. Catholic Bible Dictionary is an invaluable source of information, insight, and guidance for Catholics and others who are interested in enriching their understanding of Sacred Scripture. Scott Hahn draws from two millennia of scholarship to create an accessible and comprehensive tool for deeper and more rewarding biblical study.

Dr. William Smith's Dictionary of the Bible William Smith,1875

The Truth About the Tribulation James Lewis,2020-10-28 Since I was in high school in the early sixties, I heard that the tribulation could come at any time. I was told nothing more needed to happen before the church was raptured. I was told there was no mention of Christians after the third chapter of Revelation. But I thought to myself, if nothing is left, why we haven't we been raptured? About ten years ago, I started serious research on the subject. I found the answers were not as I was taught during my high school years. The more I studied, the more truth I found. I decided to put what I learned into a book to teach others the real truth about the tribulation. They say what you don't know can't hurt you. I found out that's a lie. There are things you need to know before the tribulation starts.
