**The Witch's Guide to Animal Familiars** Madame Pamita, 2025-01-28 Whether you are seeking to bring animal magic into your practice or simply want to bond with a furry, finned, or feathered friend in more meaningful ways, this guide will expand your magical practice and amplify your power with the help of an animal familiar. MORE THAN JUST BLACK CATS . . . Discover your personal animal familiar and open yourself to a new way of working alongside the animal kingdom in your magical practice. More than simple elements to be added to spells, animals are allies who can teach any witch about energy, life force, and different kinds of consciousness. For centuries, witches have been linked with familiars such as black cats; however, the world of animal familiars is not limited to felines. Dogs, birds, rodents, reptiles, and even the guppies in your aquarium can be your special companions and magical co-creators. And familiars are not just limited to the pets that we live with; animals in the wild can also enhance our magic and teach us valuable spiritual lessons. In this comprehensive book, you'll learn how to identify an animal familiar and invite them into your witchcraft practice. You'll find spells to attract, protect, and bond with your familiar. You'll learn magical ways to calm your familiar and even rituals to help your familiar transition at the end of life. You'll access ways to talk to your familiar and build psychic links to help you understand them. You'll discover ways to invite your familiar to participate in your magical rituals, to exchange spiritual energy with your familiar, and even learn how to shapeshift into animal form.

With over a decade of experience teaching Tarot cards, my goal is to provide a format for the Wayfarer, Wanderer, Fool, and Mystic to deeply connect with the meanings of the Tarot cards through the same methods that I have used to teach many students over the years.

**Cute and Creepy Tarot Companion Guidebook** Misha Nagelvoort,2018-11-27 My Cute and Creepy Tarot deck is made up of the traditional 78 cards: 56 minor Arcana (4 suits of 14 cards each) and 22 major Arcana cards. In researching this project, I looked at many different tarot decks for layout and symbolism inspiration. The meanings in my companion guidebook are based on what felt right to me out of all the different decks I researched. Each card has a Monster, Yokai or Creature from Folklore on it. I tried my best to match the story of the creature, to the meaning of the cards. I have a great affinity for the cute, not classically cute per-se, but a cuteness that is there despite the horror of being a Monster. My love of Cute and my love of Creepy inspired this deck.
