Emanuel Swedenborg

Behold! a Pale Horse Milton Cooper, 2018-05-02 William Cooper turned out to be right; and that's all we have to say about his self-published Book. Let's keep copies of this treatise for our grandchildren and their children, so the spectre of corruption and perfidy that we the late 20th century generation experienced, will never occur again in seven generations.

Behold a Pale Horse William Cooper, 2012-04-11 Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to talk due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been talking, he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. Bill Cooper is the world's leading expert on UFOs. -- Billy Goodman, KVEG, Las Vegas. The only man in America who has all the pieces to the puzzle that has troubled so many for so long. -- Anthony Hilder, Radio Free America William Cooper may be one of America's greatest heroes, and this story may be the biggest story in the history of the world. -- Mills Crenshaw, KTALK, Salt Lake City. Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands. -- William Cooper, October 24, 1989.

Die with a Little Dignity Leroy Mathis, 2011-08-25 A cautionary tale about Harlem. The only place in the world, that banker and vagabond live side by side. This book entails many back stories. The main theme is about a white woman who overcomes the dreaded endurance of abuse; a paramount violation from a maniac. It questions the act of being religious, friendship without sexuality, gentrification, and a trip to the celestial.

Those Days Elizabeth Alberts,2020-04-14 Those Days was chosen for my book title because it describes in vivid detail what happens during the days of those left here on earth when the Church has been taken to heaven. It will be 2,520 days of God's increasing wrath poured out on man such as has not been since the beginning of creation . . . and unless the Lord had shortened those days, no flesh would be saved (Mark 13:19-20).

"Rethinking the Interior, c. 1867-1896 " Imogen Hart,2017-07-05 From Aesthetes in Africa to the cultural history of the teapot, the essays in this collection contribute to scholarly debates across a wide range of disciplines. Addressing the question of whether eclectic relationships in Victorian decorative arts are actually self-conscious iconographic schemes or merely random juxtapositions of assorted objects, *Rethinking the Interior, c. 1867-1896: Aestheticism and Arts and Crafts*, argues that no firm demarcation exists between the two movements examined here. In the process, the contributors explore a wide variety of interiors in locations as diverse as London, Cornwall, New England, and Tangiers. Analyzing spaces public and private, sacred and secular, the volume poses several historiographic challenges. Drawing on a wide range of feminist and queer theories, the book questions the identification of nineteenth-century interiors as exclusively female or family spaces. The collection also addresses the complex and temporary character of interiors, and responds to the recent scholarly trend to return questions of feeling and embodied experience to the study of the decorative arts.

You Never Die Irene Petteice,2018-06-01 You Never Die is a religious, yet mystical book of the unknown, other dimensions perhaps Heaven's even. But it explains it all in a way so that you should not fear death and dying because your life continues on and You Never Die tells you where your life continues. You Never Die is well researched and written from the author's own life's experiences as an intuitive. It contains everything you ever wanted to know about the hereafter but never heard from anyone else as to what happens between here and eternity. Do you die and take a dirt nap? Do our pets go to Heaven? Do we really have guardian angels? Do people really have out-of-body experiences? Have some people died, seen Jesus, and then come back to life? Can you really move a mountain by faith? Learn the truth right here.
