

Of Disquiet Fernando Pessoa

Fernando Pessoa

The Book of Disquiet Fernando Pessoa, 2002-05-30 With its astounding hardcover reviews Richard Zenith's new complete translation of THE BOOK OF DISQUIET has now taken on a similar iconic status to ULYSSES, THE TRIAL or IN SEARCH OF LOST TIME as one of the greatest but also strangest modernist texts. An assembly of sometimes linked fragments, it is a mesmerising, haunting 'novel' without parallel in any other culture.

The Book of Disquiet Fernando Pessoa, 2010-12-09 Sitting at his desk, Bernardo Soares imagined himself free forever of Rua dos Douradores, of his boss Vasques, of Moreira the book-keeper, of all the other employees, the errand boy, the post boy, even the cat. But if he left them all tomorrow and discarded the suit of clothes he wears, what else would he do? Because he would have to do something. And what suit would he wear? Because he would have to wear another suit. A self-deprecating reflection on the sheer distance between the loftiness of his feelings and the humdrum reality of his life, The Book of Disquiet is a classic of existentialist literature.

An Unwritten Novel: Fernando Pessoa's The Book of Disquiet Thomas Cousineau, 2013-07-16 A richly insightful guide to Fernando Pessoa's masterpiece, for both students and the common reader. "Anything and everything, depending on how one sees it, is a marvel or a hindrance, an all or a nothing, a path or a problem," says Bernardo Soares, the putative author of Fernando Pessoa's classic The Book of Disquiet. Thomas Cousineau's An Unwritten Novel offers the general reader, as well as students and teachers, an "Ariadne's thread" that will help them to find their way through this labyrinthine masterpiece: a self-proclaimed "factless autobiography" in which all the expected elements of the contemporary novel remain "unwritten."

The Book of Disquiet - Fernando Pessoa Fernando Pessoa, 2025-04-30 The Book of Disquiet by Fernando Pessoa is a deeply introspective and fragmentary work that defies traditional narrative structures, offering instead a mosaic of reflections on identity, solitude, dreams, and the elusive nature of reality. Written under the heteronym Bernardo Soares, the book presents a semi-fictional diary filled with philosophical musings, emotional detachment, and lyrical prose. Pessoa delves into the inner life of his narrator, revealing a world shaped more by thought than by action, where introspection becomes both a refuge and a burden. Since its posthumous publication, The Book of Disquiet has been celebrated for its existential depth and literary innovation. The work challenges readers with its lack of linear plot and its persistent questioning of selfhood and meaning. Pessoa's mastery of paradox and his ability to capture the subtle dissonances of human experience

have made this book a cornerstone of modernist literature. Its lasting significance lies in its honest portrayal of inner turmoil and its exploration of consciousness as a fragmented and ever-shifting reality. The Book of Disquiet remains a haunting meditation on the complexities of being, offering readers a mirror to their own uncertainties and inner contradictions.

The Book of Disquiet Fernando Pessoa, 2017 For the first time--and in the best translation ever--the complete Book of Disquiet, a masterpiece beyond comparison

The Book of Disquiet Fernando Pessoa, 1991

The Book of Disquietude Fernando Pessoa, 1991 This is the factless autobiography of Bernardo Soares, one of the 72 literary personae or heteronyms with which Fernando Pessoa created the theatre of himself. Conceived in 1916, Soares is, Pessoa declares, 'a mutilation' of his own personality. The circular text returns again and again to a protagonist desperate to find out who he is.

The Book of Disquiet Fernando Pessoa, 2017-08-29 For the first time—and in the best translation ever—the complete Book of Disquiet, a masterpiece beyond comparison The Book of Disquiet is the Portuguese modernist master Fernando Pessoa's greatest literary achievement. An "autobiography" or "diary" containing exquisite melancholy observations, aphorisms, and ruminations, this classic work grapples with all the eternal questions. Now, for the first time the texts are presented chronologically, in a complete English edition by master translator Margaret Jull Costa. Most of the texts in The Book of Disquiet are written under the semi-heteronym Bernardo Soares, an assistant bookkeeper. This existential masterpiece was first published in Portuguese in 1982, forty-seven years after Pessoa's death. A monumental literary event, this exciting, new, complete edition spans Fernando Pessoa's entire writing life.

The Book of Disquiet Fernando Pessoa, 1998 By Fernando Pessoa. Translated and with an Introduction by Alfred Mac Adam.

Pessoa's Geometry of the Abyss Paulo De Medeiros, 2017-07-05 Fernando Pessoa wrote prolifically in many genres until his untimely death in 1935, and he has long been widely recognized as Portugal's most influential twentieth century writer. The publication of the Book of Disquiet in 1982, however, caused a seismic change in the appreciation of his work and its place in Modernism. In that great and vast collection of fragments, Pessoa firmly established his place among the canon of European modernists and radically questioned many of Modernity's assumptions. Alain Badiou, for example, has argued that philosophers are not yet able to assimilate Pessoa's thinking. Paulo de Medeiros's new study, one of the first to be dedicated to the Book of Disquiet, takes up that challenge, exploring the text's connections with photography, film, politics and textuality itself, and developing comparisons with D. H. Lawrence, Walter Benjamin, and Franz Kafka. Paulo de Medeiros is Professor of Modern and Contemporary World Literatures in the Department of English and Comparative Literary Studies at the University of Warwick.

Pessoa Richard Zenith,2022 For many thousands of readers Fernando Pessoa's *The Book of Disquiet* is almost a way of life. Ironic, haunting and melancholy, this completely unclassifiable work is the masterpiece of one of the twentieth century's most enigmatic writers. Richard Zenith's *Pessoa* at last allows us to understand this extraordinary figure. Some eighty-five years after his premature death in Lisbon, where he left over 25,000 manuscript sheets in a wooden trunk, Fernando Pessoa (1888-1935) can now be celebrated as one of the great modern poets. Setting the story of his life against the nationalistic currents of European history, Zenith charts the heights of Pessoa's explosive imagination and literary genius. Much of Pessoa's charm and strangeness came from his writing under a variety of names that he used not only to conceal his identity but also to write in wildly varied styles with different imagined personalities. Zenith traces the back stories of virtually all of these invented others, called 'heteronyms', demonstrating how they were projections, spin-offs or metamorphoses of Pessoa himself. Zenith's monumental work confirms the power of Pessoa's words to speak prophetically to the disconnectedness of modern life. It is also a wonderful book about Lisbon, the city which Pessoa reinvented and through which his different selves wandered.

The Book and Disquiet: Fernando Pessoa Between Literature and Philosophy Odelia Hitron,2018

Challenging Modernism Michäel Rinse Gerrit Stoker,2013

Pessoa: A Biography Richard Zenith,2021-07-20 Finalist for the Pulitzer Prize (Biography) New York Times • Times Critics Top Books of 2021 New York Times Book Review • Editors' Choice Kirkus Reviews • Best Nonfiction of the Year Like Richard Ellmann's *James Joyce*, Richard Zenith's *Pessoa* immortalizes the life of one of the twentieth century's greatest writers. Nearly a century after his wrenching death, the Portuguese poet Fernando Pessoa (1888-1935) remains one of our

most enigmatic writers. Believing he could do “more in dreams than Napoleon,” yet haunted by the specter of hereditary madness, Pessoa invented dozens of alter egos, or “heteronyms,” under whose names he wrote in Portuguese, English, and French. Unsurprisingly, this “most multifarious of writers” (Guardian) has long eluded a definitive biographer—but in renowned translator and Pessoa scholar Richard Zenith, he has met his match. Relatively unknown in his lifetime, Pessoa was all but destined for literary oblivion when the arc of his afterlife bent, suddenly and improbably, toward greatness, with the discovery of some 25,000 unpublished papers left in a large, wooden trunk. Drawing on this vast archive of sources as well as on unpublished family letters, and skillfully setting the poet’s life against the nationalist currents of twentieth-century European history, Zenith at last reveals the true depths of Pessoa’s teeming imagination and literary genius. Much as Nobel laureate José Saramago brought a single heteronym to life in *The Year of the Death of Ricardo Reis*, Zenith traces the backstories of virtually all of Pessoa’s imagined personalities, demonstrating how they were projections, spin-offs, or metamorphoses of Pessoa himself. A solitary man who had only one, ultimately platonic love affair, Pessoa used his and his heteronyms’ writings to explore questions of sexuality, to obsessively search after spiritual truth, and to try to chart a way forward for a benighted and politically agitated Portugal. Although he preferred the world of his mind, Pessoa was nonetheless a man of the places he inhabited, including not only Lisbon but also turn-of-the-century Durban, South Africa, where he spent nine years as a child. Zenith re-creates the drama of Pessoa’s adolescence—when the first heteronyms emerged—and his bumbling attempts to survive as a translator and publisher. Zenith introduces us, too, to Pessoa’s bohemian circle of friends, and to Ophelia Quieroz, with whom he exchanged numerous love letters. Pessoa reveals in equal force the poet’s unwavering commitment to defending homosexual writers whose books had been banned, as well as his courageous opposition to Salazar, the Portuguese dictator, toward the end of his life. In stunning, magisterial prose, Zenith contextualizes Pessoa’s posthumous literary achievements—especially his most renowned work, *The Book of Disquiet*. A modern literary masterpiece, Pessoa simultaneously immortalizes the life of a literary maestro and confirms the enduring power of Pessoa’s work to speak prophetically to the disconnectedness of our modern world.

Fernando Pessoa Bartholomew Ryan, 2024-11-12 A critical biography of the modernist Portuguese writer. As a young man Fernando Pessoa aspired to, as he put it, “be plural like the universe.” He would fulfill this desire by inventing over one hundred fictional alter-egos which he called heteronyms. Beginning with Pessoa’s early days in Portugal, this philosophical biography explores the life, work, and imaginative universe of this modernist pioneer. Bartholomew Ryan offers a detailed overview of Pessoa’s writings on radical politics, his ventures into esoteric realms, and his expertise in astrology. Along the way, Ryan unravels Pessoa’s real and literary relationships and explores his unfinished prose masterpiece, *The Book of Disquiet*. This is a compelling, timely exploration of Pessoa’s profound, innovative ideas.

Fernando Pessoa Dr Jerónimo Pizarro, 2020-07-10 A Critical Introduction proposes a new didactic and dynamic way of

reading the great twentieth-century poet Fernando Pessoa (1888-1935). The aim is to present a holistic vision of this complex poet, promoting his literary geniality in order to better understand his orthonymic-heteronymic poetry. A guiding motif is Pessoa's own Be as plural as the universe. In leading the reader through the poet's published literary work, Jerónimo Pizarro allows an intimate perspective, alongside an academic one, to better understand the workings of Pessoa's mind and life. Discussion centres on the dilemmas an editor faces when editing posthumously. A prime question revolves around the genesis of Pessoa's heteronyms and oronyms. Understanding is revealed by a critical perspective on the unity that exists in all of Pessoa's literary work. Interpretations of the poems; explanation of the profundity of *The Book of Disquiet*; and his isms of Paulism, Caeirism, Intersectionism and Cessationism, are discussed and analysed. The issue of Pessoa's astrological predictions his birth year and the effects of this event on Portuguese national history is debated. A chapter is devoted to the effect that translating Omar Khayyám's *Rubáiyát* had on the poet. The work contains eleven texts written by Pessoa in English (including an autobiographical note from 1935), a substantive dual language bibliography, and is highly illustrated with facsimiles of the poet's own written material. A Critical Introduction is essential reading for all scholars and students of Pessoa's literary output and life circumstances. The work has been written to appeal to cultural studies (arts and aesthetics) enthusiasts in general at both undergraduate and postgraduate level, but given the engagement of new critical material it also provides a structured resource for future research.

From Lisbon to the World George Monteiro, 2018-09-04 Fernando Pessoa is one of the greatest poets of the 20th century. Until some years ago known in the English-speaking world only among a minority of connoisseurs, his work is finally becoming available in English translations, and more are in the process of reaching the literary public. Born in Lisbon in 1888, Pessoa was only forty-seven when he died, but he left behind a staggering number of unpublished manuscripts that are still being screened and brought to light. George Steiner heralded the day Pessoa discovered his major Portuguese heteronyms, for no country had ever seen the birth of four great poets in a single day. That was a reference to the personae Pessoa created, the famous heteronyms Alberto Caeiro, Álvaro de Campos, and Ricardo Reis, besides the man himself -- all poets in their own right with their biographies and even critical exchanges among themselves. Today well over a hundred Pessoa heteronyms are known, including, notably, the semi-heteronym Bernardo Soares, author of *The Book of Disquiet*, presently available in two English translations. Lately, another Pessoa is emerging -- an English writer, as well as a thinker. Indeed, having been educated in Durban, South Africa, where his stepfather was the consul of Portugal, the poet had a strong English education that shaped his life and thought. George Monteiro has been in the forefront of the uncovering of this side of Pessoa. Author, among many other works, of *The Presence of Pessoa: English, American, and Southern African Literary Responses*, and *Fernando Pessoa and Nineteenth-Century Anglo-American Literature*, in this volume Monteiro continues to explore and interpret the world of Pessoa to English-speaking readers.

Selected Poems Fernando Pessoa, 1972 Fernando Pessoa, the great Portuguese poet and prose writer, has become an icon not only in his native Portugal -- where his likeness once adorned a monetary note -- but also in France, where he is revered in much the same way that Whitman is here. Never before has such a comprehensive and beautifully translated edition of his poetry been available in English. Richard Zenith has taken three of Pessoa's major heteronyms (the poet's term for his numerous literary alter egos), as well as the poetry Pessoa wrote as himself, and created a volume of extraordinary emotional depth and poetic precision. With an introduction that throws light on the work and on the elusive man himself, *Fernando Pessoa and Co.* is an important addition to world literature.

Yeah, reviewing a book **Of Disquiet Fernando Pessoa** could build up your close contacts listings. This is just one of the solutions for you to be successful. As understood, realization does not recommend that you have wonderful points.

Comprehending as capably as contract even more than supplementary will give each success. neighboring to, the pronouncement as capably as keenness of this *Of Disquiet Fernando Pessoa* can be taken as competently as picked to act.
