

Celine Dion To Love You More

L Cohen

Ended? Kilby Blades,2019-11-06 When their parents foil their plan to attend the same college, Jag and Roxy have a choice: try the long-distance thing and risk a messy ending, or let go and hope for a “someday second chance. Jag hates the friend zone, but bides his time as Roxy's next-best thing: her biggest cheerleader, a shoulder to cry on and her best friend. Six years later, when they’ve earned what their sacrifices were meant to achieve, Jag is a prodigious composer and Roxy writes for Rolling Stone. But it’s hard to revel in their own success when they’ve lost the one thing they were always meant to be: together.

Underneath a Flight Attendant Soraia Nakib,2012-01-17 Underneath a Flight Attendant talks about the authors adventures during her long flying career as a cabin crew and her musings as a spiritual guru and peace seeker. All the stories in the book are true facts experienced by the author and some told through her by her close friends. It talks about all subjects: love, politics, religion and science. A book to entertain, but also to teach- Weve all got something to teach others, but also learn until our last breath. The title Flight Attendant was chosen by the author since its still so popular in USA, but she explains that Cabin Crew is the latest title used in Europe and the Middle East. This book is also a good reminder for passengers all over the world, especially those who travel 4 or 5-star airlines; on how to be a conscious economy passenger and behave well. The author reveals to the world her psychic abilities. She describes ways for you to understand that anyone can start practicing their good luck habits and add waves of good energy into their quotidian. Hence, attracting positive bids in your professional or personal life. I tried to summarize my so far lived vicarious life in one book. Since this book talks about various subjects and the chapters are not sequences, theres no need to start it from the beginning. Just try a chapter that inspires you first at the contents page.

In The Name of Love Aaron Ben-Ze'ev,Ruhama Goussinsky,2008-02-21 We yearn to experience the idealized love depicted in so many novels, movies, poems, and popular songs. Ironically, it is the idealization of love that arms it with its destructive power. Popular media consistently remind us that love is all we need, but statistics concerning the rate of depression and suicides after divorce or romantic break up remind us what might happened if all that we need is taken away. This book is about our ideals of love, our experiences, of love, the actual disparity between the two, and the manners of coping with this disparity. A major study case of the book concerns men who have murdered their wives or partners allegedly 'out of love'. It is estimated that over 30% of all female murder victims in the United States die at the hands of a former or

present spouse or boyfriend. How can murdering a loved one be associated with the assumed moral and altruistic love? Not only is love intrinsically ambivalent, but it can also give rise to dangerous consequences. Some of the worst evils have been committed in the name of love (as in the name of God). A unique collaboration between a leading philosopher in the field of emotions and a social scientist, *In the Name of Love* presents fascinating insights into romantic love and its future in modern society.

The Arc of Love Aaron Ben-Ze'ev,2019-06-11 Is love best when it is fresh? For many, the answer is a resounding “yes.” The intense experiences that characterize new love are impossible to replicate, leading to wistful reflection and even a repeated pursuit of such ecstatic beginnings. Aaron Ben-Ze’ev takes these experiences seriously, but he’s also here to remind us of the benefits of profound love—an emotion that can only develop with time. In *The Arc of Love*, he provides an in-depth, philosophical account of the experiences that arise in early, intense love—sexual passion, novelty, change—as well as the benefits of cultivating long-term, profound love—stability, development, calmness. Ben-Ze’ev analyzes the core of emotions many experience in early love and the challenges they encounter, and he offers pointers for weathering these challenges. Deploying the rigorous analysis of a philosopher, but writing clearly and in an often humorous style with an eye to lived experience, he takes on topics like compromise, commitment, polyamory, choosing a partner, online dating, and when to say “I love you.” Ultimately, Ben-Ze’ev assures us, while love is indeed best when fresh, if we tend to it carefully, it can become more delicious and nourishing even as time marches on.
