**Summary of Gerald Durrell's My Family and Other Animals** Everest Media,2022-07-24T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 My family was not a very attractive sight that afternoon, as the weather had brought with it the usual selection of ills. For me, it had brought catarrh, which had inflamed the convolutions of my ears and made them bleed delicately but persistently. #2 We sold the house and flew to Greece. We were all travelling light, taking only what we considered to be the bare essentials of life. When we opened our luggage for Customs inspection, the contents of our bags were a fair indication of character and interests. #3 We arrived in Corfu, the largest of the Greek islands. The sea was calm and the sky was blue, and the island was blanketed in mist. We could see the mountains, and the beaches were as white as tusks among the brilliant rocks. #4 We arrived in Split, and had to wait for Mother to get Roger into a cab. He had never been in such a vehicle, and he treated it with suspicion. We had to lift him and

hurl him inside.
