Hollow Bailey Williams, 2024-11-19 "Illuminating and infuriating . . . A staggering achievement." (Publishers Weekly starred review) A powerful coming-of-age memoir of one girl's struggle, adrift in warrior culture At eighteen, Bailey Williams bolted from her strict Mormon upbringing to a Marine recruiting office to enlist as a 2600—a military linguist. But the first language the Marine Corps taught her wasn't Arabic, Farsi, or Dari. It was how Marines speak to, and about, women. There are only three kinds of women in the Marine Corps, she was told: you can be a bitch, a dyke, or a whore. Determined to prove she's not whatever it is the men around her believe a woman to be, Private Williams turned to an eating disorder, intending to show her discipline through the visible testament of bone. She ran endurance distances on an increasingly Spartan diet, shoving through her own body's resistance. Pushed to the brink by a leadership and a culture that demands women shrink themselves, she finally looked to the women around her, and began to wonder what else she was losing. Quietly but inexorably, the power of other women's stories whispered an alternative path to what it means to be a woman, and a warrior.

Hollow is a story for anyone whose identity has been prescribed to them—and has dared question if there is another way to live.

A Mask for Every Occasion Ke-Ke Kline, 2019-10-24 It tells the story of how I overcame the dark trials of life by learning how to forgive, accepting people for who they are, and allowing the words of God to transform my life. So that I could be an example for others that have had or yet dealing with these same issues. Knowing that in whatever the situation or circumstance are, you can be an overcomer, you can be delivered, and surely you can be set free from any any Demons, and any Addictions that hold us captive. Hiding behind those mask was my place of familiarity, and comfort, a guard to protect me from the pain and hurt sustain by others. But I found the answer through reading the words of God, praying, fasting, submitting myself to Him, and allowing me (Ke-Ke Kline) to DIE TO SELF. I protest by your rejoicing which I have in Christ Jesus our Lord, I die daily. (1 Cor 15:31)

Hey, Doc! Are You Listening to Your Heart? Richard Sheff, 2008-09-29 If you want to help change medicine, give this book to your doctor. Hey, Doc!, the true story of Dr. Richard Sheff's personal journey through medical training as a family physician, shows us a new way to understand doctors (and ourselves as patients). I knew then, as now, there is something terribly lacking in how we take care of patients and train physicians... Over two decades in medicine has taught me that the most potent tool for healing we as physicians have is our heart. But each of us must learn to listen to our own heart before we can touch and heal the hearts of our patients. While this book is a must read for anyone considering a career in medicine, Hey, Doc! speaks to the patient in all of us. Readers will understand their own doctor and come away with new hope that, when sick and most vulnerable, they can be heard, understood, and touched by their physician. Dr. Sheff teaches us the surprising truth that, in their hearts, doctors yearn for the same connection with us.

You're Doing Great! (And Other Lies Alcohol Told Me) Dustin Dunbar, 2024-01-09 Everything you know about alcohol is a lie. Dustin Dunbar had it all. A beautiful wife, two sweet baby girls, a degree in psychology, and properties around the world—the building blocks of a nascent real estate empire. All the while, he happily believed every lie alcohol told him: “Real men drink.” “One drink won’t kill you.” “You’re the life of the party.” “You can’t stop.” He believed these lies and many others until it was too late. Because of his addiction, he risked everything he valued most and nearly lost everyone he cared for—until he started to figure out that most of what we experience with alcohol is completely fabricated, a big lie packaged with bright lights and big names to distract us from the truth. Dunbar calls this non-reality “the alcohol matrix,” and it took him years to break out of it and finally start enjoying a life free of alcohol addiction. Just as Holly Whitaker offered women a radical path to sobriety in her New York Times bestselling *Quit Like a Woman*, Dunbar combines his own experiences with his extensive background in psychology to expose the lies we all too willingly accept about alcohol and interrogates the part culture plays in reinforcing these lies, particularly for men—and shows readers how they too can break free from alcohol addiction. An inspiring, hilarious, and much-needed approach to addiction and self-acceptance, *You're Doing Great!*: Debunks the myth that alcohol washes away the pain. Explains the toll alcohol takes on our emotional, physical, and spiritual well-being. Illustrates the steps to deal with our problems head-on. Exposes the practices used by advertisers and marketers to entrap us to drink. Proves that AA isn't the only option for battling alcohol addiction. Teaches readers to activate skills of self-empowerment. Shows us how to enjoy an alcohol-free consciousness and an exciting new chapter in our lives. Filled with entertaining true-life tales, hard-earned wisdom, and easy-to-follow advice for recognizing the truth about alcohol, *You're Doing Great!* is a powerful invitation to discover the real you that thrives on the other side of addiction.
