Before I Met You Lisa Jewell, 2013-10-15 "Lisa Jewell leaves the chick-lit tag firmly behind with *Before I Met You*, a poignant story about a young woman uncovering her grandmother's bohemian life in 1920s London—and finding her own place in the world in the process."—Good Housekeeping (UK) "Jewell's moving novel immerses readers in the lives of these unique characters through the universal themes of family and a search for belonging...a compelling and entertaining novel."—Publishers Weekly Jazz Age London, a passionate and forbidden interracial romance, and the unbreakable bond between a bright young woman and her eccentric grandmother come together brilliantly in this gem of a novel from the New York Times bestselling author of *None of This Is True*, perfect for fans of *Downton Abbey*, *Twenties Girl*, and *The Chaperone*. After her grandmother Arlette's death, Betty is finally ready to begin her life. She had forfeited university, parties, boyfriends, summer jobs—all the usual preoccupations of a woman her age—in order to care for Arlette in their dilapidated, albeit charming home on the English island of Guernsey. Her will included a beneficiary unknown to Betty and her family, a woman named Clara Pickle who presumably could be found at a London address. Now, having landed on a rather shabby street corner in '90s Soho, Betty is determined to find the mysterious Clara. She's ready for whatever life has to throw her way. Or so she thinks... In 1920s bohemian London, Arlette De La Mare is starting her new life in a time of postwar change. Beautiful and charismatic, she is soon drawn into the hedonistic world of the Bright Young People. But two years after her arrival in London, tragedy strikes and she flees back to her childhood home and remains there for the rest of her life. As Betty navigates the ups and downs of city life and begins working as a nanny for a rock star tabloid magnet, her search for Clara leads her to a man—a stranger to Betty, but someone who meant the world to her grandmother. Will the secrets of Arlette's past help Betty find her own way to happiness in the present? A rich detective story and a captivating look at London then and now, *Before I Met You* is an unforgettable novel about two very different women, separated by seventy years, but united by big hearts and even bigger dreams.

Thoughts on Life and Advertising Hugh Salmon, 2016-01-06 In and around a distinguished media career, Hugh Salmon has faced unusual life experiences, meeting new challenges and interesting people along the way. In the 1990s, his career was interrupted by his discovery of financial irregularities at an advertising agency of which he was managing director. When he reported this to his head office, an American company quoted on the New York Stock Exchange, his chairman and the

company not only dismissed him but told lies about him to cover up the fraud. In a pioneering legal action, Hugh's well-publicised, five-year battle to clear his name and recover his reputation led to a 'spectacular victory'. In the 2000s, Hugh discovered he was suffering from a broken back caused by a long term rugby injury and experienced at first hand the realities that disabled people are forced to endure. He realised the understanding of human behaviour and creativity he had worked with in advertising could be better applied to improving society as a whole. Hugh Salmon's challenging observations on life and human behaviour have featured in a blog on the marketing website Brand Republic and on The Huffington Post. *Thoughts on Life and Advertising* is a compilation of some of these blog posts and is accompanied by his ebook *Ideas for Britain*. From stories about the young man who was the most useless person on the planet to leadership lessons from the Queen; from government blunders to corporate corruption; from office politics to sport and music; from kindness to selfishness; spiced with creative insights, empathy and common sense, *Thoughts on Life and Advertising* exposes characteristics of human behaviour that will inspire young people - and students of life at any age.

In the seaside town of Ridinghouse Bay, single mom Alice Lake discovers a man sitting on the beach outside her house. He has no name, no jacket, and no idea how he got there. Against her better judgment, she invites him inside. Meanwhile, in a London suburb, newlywed Lily Monroe grows anxious when her husband fails to return home from work one night. Soon, she receives even worse and more confounding news: according to the police, the man she married never even existed. The annual trip to Ridinghouse Bay is uneventful, until an enigmatic young man starts paying extra attention to Kirsty. Something
