*The Life You Were Born to Live* Dan Millman, 1993

The Life You Were Born to Live - Revised 25th Anniversary Edition Dan Millman, 2018-08-20 Years ago, Millman had the good fortune to be tutored by a number of mentors as mysterious and wise as his best-known teacher he called Socrates. One of those masters revealed to him (and a few other close disciples) a previously secret (and more accurate) method of numerological insight that bordered on psychic abilities, and in fact opened doorways to profound insight into the core issues at the heart of one's own life and the lives of others. Millman worked with this system for a decade, providing spiritual law alignment readings for countless people, before teaching this system to a relatively small group of people — and finally, the time came to write *The Life You Were Born to Live*. In this book he presents the method and revelations of The Life Purpose system, a modern method based on ancient wisdom that has helped hundreds of thousands to find new meaning, purpose and direction. *The Life You Were Born to Live* describes: • the thirty-seven paths of life • a precise method to determine your own life path and the paths of others • the core issues, innate talents and special needs related to each path, including areas of health, money and sexuality • guidelines for approaching a career consistent with your innate drives and abilities • the hidden purpose behind your own primary relationships • how to live in harmony with the cycles of your life • the key spiritual laws to help you understand your past, clarify your present, and empower your future.

**Choosing the Life You Were Born to Live** Christine M. Sopa, 2012-10-01 Once you become aware of a thought that is limiting you in one way or another, you then have the power to change it. The thoughts and beliefs we have about ourselves and the world around us create our reality. That reality is the matrix in which we make choices that affect our life and our level of joy every day. Through her compelling personal stories, humor, and the vulnerable nature in which she shares pieces of her own life, Christine Sopa guides you on a journey of selfdiscovery where you will learn to use the power of your thoughts to achieve joy in an ever-changing world. Many of us have come to a point in our lives where we know we can look back but never go back. At this point, it is imperative to be able to see the bigger picture of your life, to understand that you deserve and have the power to create the world around you as you want it to be and that guidance is available to all of us

every step of the way. All we have to do is learn how to listen. On this journey of self-exploration, you will learn to understand what barriers keep you from overcoming your deepest fears, how to use your emotions as a guide in making choices, and finally understand why you make the choices you do in your life. Choosing the Life You Were Born to Live gives away the secret to believing in yourself, how to make choices that will honor your highest path in life and why life shows up the way it does. If you are ready to transform your life once and for all, then this is the journey for you!

**The Life You Were Born to Give** David H. McKinley, 2007-02-04 Everything we have we've been given. Even our very lives are a gift from God, given so we can live to give, not live to get. Yet it is our tendency in life to absorb, to take in without distribution resulting in a souring of all that is good and a separation from all that is intended. In *The Life You Were Born to Give*, David McKinley helps readers shift their focus from getting all they can out of life to giving their lives away, for Christ. Guiding them through the book of Romans, the transformational message includes: A Life Delivered (Romans 1-11) A Life Devoted (Romans 12: 1-2) A Life Distributed (Romans 12-16) Recommended for readers looking for a basic approach to spiritual growth. -Don Morgan, *Aspiring Retail*
