Mail Mameve Medwed,2001-01-01 Reminiscent of the novels of Nora Ephron, this brilliantly-written, hilariously touching tale explores a contemporary woman's quirky love life. Katinka O'Toole has discovered that a degree from Harvard does not always lead to fame and fortune. Divorced and struggling to make a living as a writer, the highlight of her day has become the arrival of the mail. Or, more precisely, the mailman. Yes, she hopes for an acceptance letter, but she also has a fierce crush on Louie Capetti, her gorgeous postal carrier, who she hopes will carry her away to romantic bliss. So while she has taken to receiving her mail in discount Dior, she also has to deal with her pretentious ex-husband (a noted Joycean scholar), her class-conscious mother, the unwanted affections of a corporate lawyer, and various other roadblocks to true love that plague smart women in today's society.
