## Maggie Osborne

Silver Lining Maggie Osborne, 2000-01-04 Hailed as “one of the best writers in the business” by Susan Elizabeth Phillips, multi-award-winning author Maggie Osborne delivers hilarious and heartrending tales of resilient women full of grit, pride, and dignity who shine through hard times. Now meet the most irresistible and independent heroine of them all, a woman called Low Down, who never had anything good happen to her until the day she asked for the one thing that only a man could give her. . . . As scruffy and rootless as the other prospectors searching for gold in the Rockies, Low Down wanted nothing in return for nursing a raggedy bunch through the pox. But when pressed to reveal her heart's wish, she admits, I want a baby. Not a husband, not a forced marriage to the proud man who drew the scratched marble and became honor bound to marry her. To be sure, Max McCord was easy on the eyes, but he loved another woman and dreamed of a different life. Yet they agreed to a temporary marriage that could end only in disaster. But can this strange twist of fate lead to the silver lining that both have been searching for?

*I Do, I Do, I Do* Maggie Osborne, 2011-08-31 A rich, proper spinster aching for a man's touch, Juliette March is an easy target for the seductive Jean Jacques Villette. When he disappears with her inheritance after their wedding, Juliette sets out to find the scoundrel. She never expects to meet Clara Klaus, who ran a boardinghouse until Jean Jacques swept her off her feet, then swept himself out of town. While following the trail of their no-good husband, Clara and Juliette run into Zoe Wilder, another victim of the debonair Jean Jacques. Now Juliette's ready to put a bullet in his cheating heart. When these three vengeful ladies embark on a misbegotten quest to Alaska, things get downright dangerous--especially for the unsuspecting men they entice along the way. . . .

**The Bride of Willow Creek** Maggie Osborne, 2001-11-06 Ten years ago Angie Bartoli eloped with Sam Holland. But before their impetuous marriage even began, they were torn apart by chance. Aiming to find her husband and resolve their relationship once and for all, Angie sets out on the adventure of a lifetime. In a small Colorado town, Angie discovers that her young groom has grown into a man--still handsome, irresistible, and infuriating as ever . . . and now the father of two young children. Forced to become a temporary family, Sam and Angie are surprised to find a deeper love awakening between them--one that could require more than they are willing to give if they are to forge a lasting new life on the American frontier.

*Honey* Stef Ann Holm, 2015-02-17 From USA TODAY bestselling author Stef Ann Holm, Book Three in the Brides for All Seasons series: Love is in full swing when a baseball star falls for his team's beautiful manager in this "bit of homespun perfection" (Romantic Times). Camille Kennison is the most beautiful woman in Harmony, Montana, but she seems destined to end up a spinster. Although she's received marriage proposals, no man has stirred her heart or her passion. She thinks she's struck out forever. Until Alex Cordova arrives in town. A darkly handsome former baseball star, Alex swore he'd never play ball again, but circumstances have arisen and he needs money. So when Camille offers him a contract with her father's team, he has little choice but to wear a uniform again. Soon Camille is managing the bungling team, and Alex would rather make a play for the pretty honey than pitch baseballs. He hopes to win her over, but a secret tragedy in his past could throw them both a curveball...unless they learn that truth paves the path to their field of dreams.

**Encyclopedia of Romance Fiction** Kristin Ramsdell, 2018-09-07 As the first encyclopedia solely devoted to the popular romance fiction genre, this resource provides a wealth of information on all aspects of the subject. Romance fiction accounts for a large share of book sales each year, and contrary to popular belief, not all of its readers are women: roughly 16 percent are men. This enormously popular genre continues to captivate people reading for pleasure, and it also commands a growing amount of academic interest. Included are alphabetically arranged reference entries on significant authors along with works,

themes, and other topics. The articles are written by scholars, librarians, and industry professionals with a deep knowledge of the genre and so provide a thorough understanding of the subject. An index provides easy access to information within the entries, and bibliographies at the end of each entry, a general bibliography, and a suggested romance reading list allow for further study of the genre.

Dove's Way Linda Francis Lee, 2000 Even months after that day on the train, her face still haunted my dreams. And I was sure the feel of her in my arms would stay with me forever. But then one night, she stepped back into my life as if walking into my dreams. . . . Matthew Hawthorne saved Finnea Winslet's life one day on a train in Africa. But Finnea didn't know that on that day she saved his soul. Destroyed by scandal, Matthew would have been ostracized completely by the unyielding society of his birth had he not been such a powerful man. Matthew doesn't let himself care about anyone or anything, until Finnea arrives unexpectedly in Boston. Raised in Africa, Finnea is as foreign to Bostonians as they are to her. Yet she is determined to make a life for herself there, so she turns to Matthew to learn the ways of that rigid town. But can Matthew help Finnea without losing what is left of his heart? From the jungles of Africa to the heart of Boston society, DOVE'S WAY is an extraordinary tale of redeeming love that will rescue a man, and release a woman from the pain in her heart.

It seems the town's handsome new sheriff, Jesse Harden, has taken a shine to her--and has offered her a way to end the scandal once and for all. Marriage, she hopes, even a hasty one to a virtual stranger, will put an end to the gossip and return her life to something like it was before. But Annie soon finds that the quiet life she once lived has been exchanged for one full of chance, desire, and the breathtaking possibility of true love. Jesse John Harden has always followed his instincts and has no doubt that he can turn this marriage of convenience into a true marriage of the heart. With each day that passes the bond between him and his pretty new wife grows stronger and the spark between them gets hotter. But Annie is hiding a secret that could destroy their delicate happiness. Now Jesse must convince Annie to let him stand beside her to face the past so they can have a chance at a happy future.

*Foxfire Bride* Maggie Osborne, 2004 Fox is a woman as feisty as they come. Once the most sought-after scout west of the Rockies, she led folks through wild, unexplored terrain until a gunshot wound ended her guiding career. She's living a calmer life when a handsome stranger appears with an urgent request to take him to Denver immediately. The gold coins he offers catch Fox's eye and so do his sharp good looks. Fox can't resist the chance to guide again, and can't ignore the fire that burns in her body whenever she sees this oh-so tempting man. Matthew Tanner has received a startling telegraph: His father is being held for ransom in Denver. With time running out, Matthew must find the best scout money can buy. When the best turns out to be a woman with gritty good looks and a wild mane of red hair, Matthew is both shocked and intrigued. **Romance Fiction** Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and the outlines the best-selling genre of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and the librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it—including fans searching for reading material—as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre, instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on Chick Lit in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have.

Jenny Jones has been a mule driver, a buffalo skinner, and once, in self-defense, a killer. Now she's adding babysitter to the list, thanks to a solemn oath she gave to the dying woman who saved her life. Bringing six-year-old Graciela safely to California won't be easy. The girl hates Jenny on sight, and her greedy, gun-toting relations are hot on their trail. Plus there's a certain tall, handsome complication . . . Ty Sanders thought he'd never find his brother's long-lost daughter. That was before he stumbled upon a tough-as-nails young woman battling desperados to protect the kid. Now all Ty wants is for Jenny to hand over his niece. But Jenny Jones has a promise to keep. Her word is all she has left . . . until a little girl opens her heart, and a rugged cowboy steals it.
