*The Saint of Bright Doors* Vajra Chandrasekera, 2023-07-11 Winner of the Nebula Award for Best Novel! A 2023 New York Times Notable Book "The best book I've read all year. Protean, singular, original." —Amal El-Mohtar for the New York Times *The Saint of Bright Doors* sets the high drama of divine revolutionaries and transcendent cults against the mundane struggles of modern life, resulting in a novel that is revelatory and resonant. Fetter was raised to kill, honed as a knife to cut down his sainted father. This gave him plenty to talk about in therapy. He walked among invisible powers: devils and anti-gods that mock the mortal form. He learned a lethal catechism, lost his shadow, and gained a habit for secrecy. After a blood-soaked childhood, Fetter escaped his rural hometown for the big city, and fell into a broader world where divine destinies are a dime a dozen. Everything in Luriat is more than it seems. Group therapy is recruitment for a revolutionary cadre. Junk email hints at the arrival of a god. Every door is laden with potential, and once closed may never open again. The city is scattered with Bright Doors, looming portals through which a cold wind blows. In this unknowable metropolis, Fetter will discover what kind of man he is, and his discovery will rewrite the world. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*The Speculative Route* Merve Tabur, Sami Ahmad Khan, 2025-08-29 The Speculative Route explores speculative traditions and science fictional modes across South and Southwest Asia and North Africa (SSWANA), examining their historical connections, inter- and intra-regional entanglements, overlaps, and differences. Conceptualizing science fiction and fantasy (SFF) as a mode rather than a genre, this volume challenges the putative boundaries between literary and genre fiction through critical studies and essays focusing on SFF from Bangladesh, Egypt, India, Iran, Pakistan, Palestine, Sri Lanka, and

Turkey. It demonstrates the ways in which science fictional modes of thinking and imagination function as critical tools for addressing social, cultural, and political issues beyond genre conventions and expectations. Bringing together articles by leading scholars of SFF and think-pieces by acclaimed authors of contemporary SF, this volume focuses on central themes such as the relationship between aesthetics and politics, alterity, world-building, memory, trauma, colonialism and decolonization, ecology, gender, religion, and mythopoetics. It engages with the past, present, and future of speculative traditions in SSWANA, and compares the visions that emerge from these seemingly disparate--but historically connected--entities. Part of the Studies in Global Genre Fiction series, this volume will be of great interest to academics, students, and practitioners in the fields of genre studies (notably, SF, SFF), comparative literature, media and popular culture, area studies, postcolonial studies, and future studies, as well as to readers who are interested in exploring SFF works from the Global South.

*The Saint's Mistress* Kathryn Bashaar, 2020-09-22 Saints are not born. Saints are made. Told against the fourth-century backdrop of the fall of the Roman Empire and the rise of Christianity, *The Saint's Mistress* breathes life into the previously untold story of Saint Augustine and his beloved mistress. Defying social norms and traditions, the love between the Roman aristocrat Aurelius Augustinus and Leona, a North African peasant, creates a rift with Aurelius' mother Monnica, his powerful patron Urbanus, and the marital laws of the Roman Empire. When Monnica and Urbanus succeed in separating Leona from her son and securing a more suitable fiancée for Aurelius, Leona commits herself to the Church. Feeling the ever stronger pull of the evolving Christian church, Leona and Aurelius walk separate paths in service of their faith. When many years later Leona and Aurelius, now Bishop Augustine, meet again, old passions re-ignite, perennial feuds smolder, and the fate of the Roman Empire in North Africa hangs in the balance. A love story for the ages, *The Saint's Mistress* brings to life the monumental struggle between love, faith and religious office.

**My Way** Joy Nugent, 2018-01-17 Author Joy Nugent has spent three decades in the role of a private, palliative care nurse, being with people at the end of their life—part of a lifetime of caring for others. She left a comfortable life as the wife of a successful orthodontist to follow a calling and vocation. In *My Way: One Nurse's Passion for End of Life*, Nugent shares not only her personal history but also her model for end-of-life nursing. Her career and education spanned many countries, from her home in Adelaide, Australia, to Canada, the United States, the UK, India, Singapore, and Malaysia. She encourages nurses to follow in her footsteps, urging them to become midwives of the soul and to take charge of their own professional lives. Throughout, Nugent details her life experiences and travels and offers recommendations on the attitude, knowledge, and skills essential for building trusting patient-nurse relationships. Although she has had to face many challenges and struggles along the way, she acknowledges that her life has been divinely guided. This memoir recalls one nurse's personal and professional life, provides guidance for others in gaining the confidence to die without fear, and advises those comforting them at the bedside.

Night's Bright Darkness Sally Read, 2016-08-02 Staunchedly atheist Sally Read converted to Catholicism in the space of nine electric months. In 2010, Read was heralded as one of the bright young writers of the British poetry scene. Feminist and deeply anti-Catholic, she was writing a book about female sexuality when, during her research, she spoke with a Catholic priest. The interview led her on a dramatic spiritual quest that ended up at the Vatican itself, where she was received into the Catholic Church. Unsurprisingly, this story is written in the vivid language of poetry. Read relates her encounters with the Father, the Spirit and then the Son exactly in the way they were given to her timely, revelatory and compelling. These transforming events threw new light onto the experiences of her past her father's death, her work as a psychiatric nurse and her single years in London while they illumined the challenges of marriage and motherhood in a foreign country. As she developed a close intimacy with the new love that erupted into her life, Christ himself, she found herself coming to embrace a faith she had previously rejected as bigoted and stifling.

Livingstone met his great-grandfather Cosimo in a rainy alley in London where he discovered the truth about alternate realities. Now he's on the run—and on a quest—trying to understand the impossible mission he inherited from Cosimo: to restore a map that charts the hidden dimensions of the multiverse. Survival depends on staying one step ahead of the savage Burley Men. The Spirit Well The Search for the Map—and the secret behind its cryptic code—intensifies in a quest across time, space, and multiple realities. The Shadow Lamp The quest for answers—and ultimate survival—hinges on finding the cosmic link between the Skin Map, the Shadow Lamp, and the Spirit Well. The Fatal Tree It started with small, seemingly insignificant wrinkles in time: A busy bridge suddenly disappears, spilling cars into the sea. A beast from another realm roams modern streets. Napoleon's army appears in 1930s Damascus ready for battle. But that's only the beginning as entire realities collide and collapse.

Bright Days Dark Nights With Charles Spurgeon Elizabeth Ruth Skoglund, 2014-09-19 I would go into the deeps a hundred times to cheer a downcast spirit; it is good for me to have been afflicted that I might know how to speak a word in season to one that is weary. --Charles Spurgeon Millions read the words of the great nineteenth-century preacher Charles Spurgeon without knowing that his ministry succeeded during seasons of overwhelming emotional pain. Bright Days, Dark Nights offers a first look for many at the deep depression this great man of God encountered. Spurgeon confronted emotional problems with an acceptance based on physical, emotional, and spiritual causes and cures. Drawing from Spurgeon's enormous collection of sermons and conversations, author and therapist Elizabeth Skoglund provides insight into subjects such as confidence, depression, and anxiety. Readers will find strength and comfort for themselves and others in this unique blending of biblical principles and psychological wholeness.
