They stole a piece of his life and got away with it. Antonio "Parker" Denoti has dedicated his life to bringing down the man responsible, Mano Torret, the boss of one of Chicago's most notorious crime families. His only hope lies with Cashenna Ramsey, a beautiful young woman- unwittingly sucked into Torret's web of deception and crime- who agrees to testify against him. Now Parker must keep her alive long enough to take the stand. Cashenna is taken into protective custody and whisked away to a secret location. Under Parker's protection, he was certain she was safe. But when he arrives at the safehouse, he finds nothing but bloodshed and bodies. His team is dead, and his witness - missing. Michael Jackson Shawn Henning,2010-06-17 Shawn Hennings new book is a powerful and overwhelming tribute and legacy to Michael Jackson. In one book, hes collected love letters, reflections, eulogies, poems, essays and drawings from people throughout the world who have a special appreciation for the King of Pop, Michael Jackson. I was particularly impressed at the diversity of material, from so many different countries and cultures all of it heartfelt and illuminating. In *We Love You More*, we learn about the many different ways that Michael Jackson affected people from all walks of life. The participants talk about how Michaels music, creativity and pubic example affected their lives and helped them to be better people. The contributions are a wonderful cathartic output to help to come to terms with the loss of Michaels huge talent. They will not only comfort those who have written them, but those who read them. People will learn about the experiences they have in common, with people throughout the world, who followed Michaels career, his music, his good deeds and the example he set for this generation and generations to come. The book will also be of comfort to Michaels own family. They will see that the spirit of Michael will continue in people everywhere and in many ways and for many reasons. Its also fascinating to learn what people have to say about different songs and what they meant to their lives. Im impressed by the diverse elements in the book from eulogies, to memories to poems and beautiful drawings and paintings and even photo montages at the end. Mr. Henning youve done a wonderful service to the Michael Jackson fan community and I commend you. Sincerely yours, Larry Nimmer

The Complete Lyrics of Irving Berlin Robert Kimball,Linda Emmet,2005-12 (Applause Books). Gathered together in one volume for the first time, here are all of the incomparable song lyrics of Irving Berlin the lyrics of more than 1,200 songs, 400 of which have never before appeared in print along with anecdotal, historical, and musicological commentary and dozens of photographs. Berlin came from a poor immigrant family and began his career as a singing waiter, but by the time he was nineteen he was publishing his songs and quickly found fame with Alexander's Ragtime Band in 1911. In the extraordinary six decades that followed, Berlin wrote one popular hit after another: *Blue Skies* * *Always* * *Cheek to Cheek* * *White Christmas* * *God Bless America* * *There's No Business Like Show Business* * and many more. He also wrote a number of the classics of musical theater's Golden Age, climaxing with *Annie Get Your Gun* . He penned three Astaire and Rogers films *Top Hat*, *Carefree* , and *Follow the Fleet* as well as the scores of *Holiday Inn*, *Easter Parade* , and other films. The breadth of his accomplishment is staggering.

An Emotional Dance Gary A. Puchett,2006-11-02 8/18/06 This book had to be addressed as one of fiction because of the real torment created by one vicious evil plotting scorned female controlled by Satans own mind. The story is true, however all the names have been changed to protect the innocent, the publisher, and the Author. Three years of dedication and very hard work gathering information to present to the reader, starting from July 2003. False police reports made and found to be unfounded by the department, many case numbers that John Q public has access to. One female in a very big city that wanted

to control all the dance arenas, and would stop at nothing short of murder to gain prominence among a few filthy underhanded worthless club owners. The main character Katherine was scorned by two ex lovers and wanted revenge to the point of absolute destruction to both of these educated and very striking men. An Emotional dance was performed by her to bring forth the Midnight Hour meant for complete ruin of these beautiful men. This book has exposed the underbelly of some unscrupulous dance studio renters that prey on innocent widows and other caring people that have had a loss of a loved one. These poor people are cheated out of large sums of money and given false hope in return, because of their need to feel wanted and accepted by others, they are hurting so bad and simply want to be loved once again. One very arrogant down town club renter, because they rent the space, has such a love of himself, that he truly believes he is the King of Los Vegas, how pathetic, small man syndrome comes to mind with this little person.

The Love Poet Martha Ross, 2011-12-28 This book is written based on a true love story, and even though it has other poems in it, love is the main factor.

Letters To Some-One Kartik Gupta, Many, Letters are one of an ancient means of communication the world has known. In this modern world, writing a letter to someone and expressing your thoughts, views and feelings has become a distant reality! However, we all know that there is always a part that we never speak and is hidden somewhere in the corners of our heart urging to be known to that Special Someone. To let the world know what is it that our heart holds within and to give a sneak peak of what it feels to witness something from one's end, it is absolutely essential to pen down those feelings and lay them bare in front of the world. Letters To SomeOne is an attempt to give that part a voice of its own, to let that feeling finally reach the destination it was always meant for. Various writers across the different geographical locations showed the courage to open their hearts with you as readers and the entire world confiding in you that maybe, one fine day, the feeling is understood by you and the letters they have written ultimately serve the purpose for what they were meant for!!

In His Hands Leslie Ostrander, 2017-08-19 In His Hands is a story of hope that will move you to tears and laughter. Share in this journey of discovery and experience the power of faith. Capture and utilize the uplifting attitude that Leslie uses to overcome injury, tragedy, and despair. Discover the foundation she has found, propelling her to victory in pageantry, life, and love. In 1979, at age four, Leslie was a survivor of a fatal car accident. Her life was changed in that instant! Paralyzed from the waist down with a spinal cord injury, Leslie had to grow up as a child confined to a wheelchair. Her vocal cords were also damaged with scar tissue diminishing her voice. Only able to speak in a slight whisper, she was forced to look deep within herself to find the strength to become a woman of substance. Leslie demonstrates how to rise above adversity and live life with conviction. She shares through her experiences that fear is an emotion that can disable and immobilize. Negative tendencies create bondage far greater than the paralysis she faces everyday. She has the ability to get people to examine their own limitations and provides life application skills that can help others reach their greatest potential.

All The Songs Philippe Margotin, Jean-Michel Guesdon, 2012-03-20 In this lively and fully-illustrated work, two music historians break down every album and every song ever released by the Beatles, from Please Please Me (U.S. 1963) to The Long and Winding Road (U.S. 1970). All the Songs delves deep into the history and origins of the Beatles and their music. This first-of-its-kind book draws upon decades of research, as music historians Margotin and Guesdon recount the circumstances that led to the composition of every song, the recording process, and the instruments used. Here, we learn that one of John Lennon's favorite guitars was a 1958 Rickenbacker 325 Capri, which he bought for £100 in 1960 in Hamburg, Germany. We also learn that Love Me Do, recorded in Abbey Road Studios in September 1962, took 18 takes to get right, even though it was one of the first songs John and Paul ever wrote together. And the authors reveal that when the Beatles performed I Want to Hold Your Hand on The Ed Sullivan Show in 1964, John's microphone wasn't turned on, so

viewers heard only Paul singing. The hundreds of photographs throughout the book include rare black-and-white publicity stills, images of Beatles instruments, and engaging shots of the musicians in-studio. All the Songs is the must-have book for the any true Beatles fan.

Look, The Sun Is Shining Ben Finn,2006-12-01 This is a memory-driven “travelogue” down the road (roads?) taken by the author in the pursuit of a dream that culminated in the writing of 8 full-length musicals, along with 12 one-act musicals for children. You will encounter the people he met along the way, the good souls and the scoundrels. If the latter seem to outnumber the former, do not regard that as, necessarily, a sign that the author has lost faith in the inherent goodness of people. For all we know, he may not have.

Help!: The Beatles, Duke Ellington, and the Magic of Collaboration Thomas Brothers,2018-10-23 The fascinating story of how creative cooperation inspired two of the world’s most celebrated musical acts. The Beatles and Duke Ellington’s Orchestra stand as the two greatest examples of collaboration in music history. Through his highly original examination of these two musical legends, Duke University musicologist Thomas Brothers delivers a portrait of the creative process at work, demonstrating that the cooperative method at the foundation of these two artist- groups was the primary reason for their unmatched musical success. While clarifying the historical record of who wrote what, with whom, and how, Brothers brings the past to life with a breadth of musical knowledge that reverberates through every page, and analyses of songs from Lennon and McCartney’s Strawberry Fields Forever to Billy Strayhorn’s Chelsea Bridge. *Help!* describes in rich detail the music and mastery of two cultural leaders whose popularity has never dimmed. “This is musicology with taste as well as ears.” — Wall Street Journal “Adds significantly to our knowledge of popular music and iconic musicians of the 20th century.” — Philadelphia Inquirer
