The Forest Worker, 1927

One Summer at the Cabin Merrilee Needham, 2021-09-23 What do you do when you are a little tattered, a little worn around the edges? Forty years of marriage, caregiver for the last few—dementia is a cruel disease— and when your husband dies and there is big hole in your life what do you do? You pack up and go to an old log cabin sitting on a cliff in the middle of nowhere. As you have done all your life. Except now you are alone. In the middle of the Canadian Shield. In the silence of the surrounding bush the days of summer are journaled. There are expected challenges and a few unexpected surprises. Told with an awareness of the absurd and an eye to the funny the healing process progresses. Just for the hell of it a few stories and poems are thrown in. It's all about remembering what was, accepting what is, and rediscovering the beauty [and fragility] of our wilderness.

EMERSON HOUGH Ultimate Collection - 19 Western Classics & Adventure Novels, Including Historical Books, Poetry & Children's Tales (Illustrated) Emerson Hough,2024-01-15 EMERSON HOUGH Ultimate Collection showcases the remarkable versatility of Hough as he intertwines heart-pounding adventure with profound social commentary. Comprising 19 Western classics and adventure novels, this anthology not only captures the essence of the American frontier but also reflects the waning spirit of a nation's pivotal historical moments. Illustrated throughout, Hough's prose is characterized by its vivid imagery and rich descriptions, evoking the vast, tumultuous landscapes that shaped the lives and destinies of its characters. From riveting tales of cowboys and pioneers to lyrical poetry and imaginative children's stories, this collection presents a comprehensive exploration of American life and ideals during the late 19th and early 20th centuries. Emerson Hough, a trailblazer in the genre of American fiction, was known for his eloquent portrayals of the Western experience. His own upbringing in the Midwest and profound understanding of American history fueled his desire to depict the complexities of frontier life. Hough's experiences as an outdoorsman and his deep engagement with ecological themes shaped his narrative voice, allowing him to evolve from mere storyteller to a chronicler of American identity. Readers seeking to delve into the rich tapestry of American literature will find Hough's Ultimate Collection indispensable. It offers insights not only into the rugged adventure of the West but also into the philosophical underpinnings of human resilience and

community. This anthology is a must-read for lovers of historical fiction, adventure, and those eager to understand the heart of American storytelling.
