The Key to My Heart Lia Louis,2022-12-06 A Goodreads Most Anticipated Romance A heartwarming novel about hope after loss as a young widow receives mysterious messages of love from the “must-buy author” (Jodi Picoult) of *Eight Perfect Hours*. Sparkly and charming Natalie Fincher has it all—a handsome new husband, a fixer-upper cottage of her dreams, and the opportunity to tour with the musical she’s spent years writing. But when her husband suddenly dies, all her hopes and dreams instantly disappear. Two and a half years later, Natalie is still lost. She works, sleeps (well, as much as the sexually frustrated village foxes will allow), and sees friends just often enough to allay their worries, but her life is empty. And she can only bring herself to play music at a London train station’s public piano where she can be anonymous. She’s lost motivation, faith in love, in happiness...in everything. But when someone begins to mysteriously leave the sheet music for her husband’s favorite songs at the station’s piano, Natalie begins to feel a sense of hope and excitement for the first time. As she investigates just who could be doing this, Natalie finds herself on an unexpected journey toward newfound love for herself, for life, and maybe, for a special someone.

Early Broadway Sheet Music Donald J. Stubblebine,2010-08-25 This work, a companion to the author's *Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993* (McFarland 1996), provides information about all sheet music published (1843-1918) from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway--and all the major musicals from Chicago.

Presidential Sheet Music Danny O. Crew,2001-01-01 Political historians have traditionally interpreted the people and events of each presidential era by studying books, periodicals, letters, diaries and speeches. One source of printed material that has not received much scholarly attention is published music, much of which has been all but lost in the archives of libraries and museums. These two volumes of *Presidential Sheet Music* present an exhaustive listing of presidential-related music in all printed forms, with information on each piece.

Driving Identities Ken McLeod,2020-04-30 Driving Identities examines long-standing connections between popular music and the automotive industry and how this relationship has helped to construct and reflect various socio-cultural identities. It also challenges common assumptions regarding the divergences between industry and art, and reveals how music and sound are used to suture the putative divide between human and non-human. This book is a ground-breaking inquiry into the relationship between popular music and automobiles, and into the mutual aesthetic and stylistic influences that have historically left their mark on both industries. Shaped by new historicism and cultural criticism, and by methodologies adapted from gender, LGBTQ+, and African-American studies, it makes an important contribution to understanding the complex and interconnected nature of identity and cultural formation. In its interdisciplinary approach, melding aspects of ethnomusicology, sociology, sound studies, and business studies, it pushes musicological scholarship into a new consideration and awareness of the complexity of identity construction and of influences that inform our musical culture. The volume also provides analyses of the confluences and coactions of popular music and automotive products to highlight the mutual influences on their respective aesthetic and technical evolutions. Driving Identities is aimed at both academics and enthusiasts of automotive culture, popular music, and cultural studies in general. It is accompanied by an extensive online database appendix of car-themed pop recordings and sheet music, searchable by year, artist, and title.

A Burning in Homeland Richard Yancey,2003-02-28 A Burning in Homeland is ...a wonderfully written, crazily romantic story of intense love and devastating betrayal ...a stunning debut of a remarkably gifted young novelist ...a Southern novel that captures the beauty, madness and mystery of both place and time. In what can only be described as a tour-de-force of passionate atmospheric storytelling, first-time novelist Richard Yancey had created a finely nuanced narrative that resounds with raw, emotional truths -- a story about the ominous return to a small town in central Florida of a man once sentenced to prison for defending the honor of the woman he loved, about the woman and her husband who both betrayed him, and about a guileless young boy who gets caught up in their web of love, lies, and deceit. The story of the love between Halley Martin and Mavis Howell is seldom talked about in the tiny town of Homeland, Florida, but in the twenty years since Halley was sent to prison for murdering a rival suitor -- the only murder ever in this small, pious town -- the story has become legend. To seven-year-old Shiny Parker it has become a mystery, something his parents whisper about. He knows that

somehow the pretty wife of the local minister is involved, but it is all too confusing for him to sort out. When the church's parsonage burns, almost killing the minister, only days before the legendary Halley Martin is due to be released from prison, Shiny senses a connection between the events -- as do most residents of the town. But if Haley was still in prison when the house burned, who set the fire...and why? Passionate love, the betrayal of friendship, hidden letters, a suspicious fire, mystery and revenge -- all are elements of this complex and deeply involving Southern gothic tale. Alternating among a trio of first person narrators -- Shiny, Mavis, and Halley -- Richard Yancey has created a lush, epic Southern landscape bursting with larger than life characters and rich atmospherics. *A Burning in Homeland* is both starkly haunting and exquisitely romantic and a masterpiece of dazzling storytelling you will not soon forget.

From Time to Time Jack Finney, 2013-11-12 Jack Finney's beloved sequel to his classic, New York Times bestselling illustrated novel *Time and Again*. Simon Morley, whose logic-defying trip to the New York City of the 1880s in *Time and Again* has enchanted readers for twenty-five years, embarks on another trip across the borders of time. This time Reuben Prien at the secret, government-sponsored Project wants Si to leave his home in the 1880s and visit New York in 1912. Si's mission: to protect a man who is traveling across the Atlantic with vital documents that could avert World War I. So one fateful day in 1912, Si finds himself aboard the world's most famous ship...the Titanic.

Empire, War, Tennis and Me Peter Doherty, 2022-08-02 For those who look, and think deeply, new connections emerge. Peter Doherty, one of the world's foremost authorities on immunology, recipient of the Nobel Prize for medicine, and an active and respected commentator on public health, reflects in this book on empire, war and tennis. Doherty identifies the origins of modern tennis within its imperial context, relating seemingly unlikely connections between the sport, its players and national militaries. He traces the fate of tennis-and its players-as a nascent force for internationalism and cultural tolerance within the context of World War II. And he personalises this account through an unsentimental but revealing depiction of his tennis-loving Queenslander uncles, at war and in captivity in the Pacific. As Doherty shows, tennis and war have threaded their way through the lives of many people since the nineteenth century, in a way intriguingly unique to this sport. This is part of Peter's story. And, as we come to realise, it is also part of the story of our world.

Death of a Rainmaker Laurie Loewenstein, 2025-07-01 A classic murder mystery set in the 1930s Dust Bowl that portrays the era with great beauty, tenderness, and sorrowful authenticity. —Finalist for the 2019 Oklahoma Book Awards, Fiction This striking historical mystery . . . is brooding and gritty and graced with authenticity. — NPR, One of the Best Books of

2018 selected by Maureen Corrigan The murder investigation allows Loewenstein to probe into the lives of proud people who would never expose their troubles to strangers. People like John Hodge, the town's most respected lawyer, who knocks his wife around, and kindhearted Etha Jennings, who surreptitiously delivers home-cooked meals to the hobo camp outside town because one of the young Civilian Conservation Corps workers reminds her of her dead son. Loewenstein's sensitive treatment of these dark days in the Dust Bowl era offers little humor but a whole lot of compassion. — New York Times Book Review When a rainmaker is bludgeoned to death in the pitch-blackness of a colossal dust storm, small-town sheriff Temple Jennings shoulders yet another burden in the hard times of the 1930s Dust Bowl. The killing only magnifies Temple's ongoing troubles: a formidable opponent in the upcoming election, the repugnant burden of enforcing farm foreclosures, and his wife's lingering grief over the loss of their eight-year-old son. As the sheriff and his young deputy investigate the murder, their suspicions focus on a teenager, Carmine, serving with the Civilian Conservation Corps. The deputy, himself a former CCCer, struggles with remaining loyal to the corps while pursuing his own aspirations as a lawman. When the investigation closes in on Carmine, Temple's wife, Etha, quickly becomes convinced of his innocence and sets out to prove it. But Etha's own probe soon reveals a darker web of secrets, which imperil Temple's chances of reelection and cause the husband and wife to confront their long-standing differences about the nature of grief.
