F*ck Like a Goddess Alexandra Roxo, 2020-07-21 "I felt as if I had had a cathartic emotional experience not by talking but by following Ms. Roxo's coaching to tune into my energy and desire." —New York Times What if your deepest fears and wounds were the KEY to living a turned on, passionate life, sharing your gifts with the world, and having mind-blowing orgasms along the way? And what if you could embrace all of you—all of your messy, wild, raw, sensual self—exactly as you are right now AND still feel good? This is what it means to f*ck like a goddess—literally and metaphorically. To let life make love to you and enjoy every bit, even the parts that hurt, and to find the magic in all of it. And this is your birthright. So why is it so damn hard for women to simply feel comfortable in their own skin, let alone feel strong and secure enough to freely share their gifts with the world? "Because each of us has been conditioned, programmed, and literally brainwashed into thinking we are not enough," writes Alexandra Roxo, "and it is up to us to rewrite that story." A prominent voice in transformational healing and the divine feminine, Roxo shares tried-and-true methods that have led to both her own healing and that of hundreds of her coaching clients over the years. "We are in need of an uprising of bold, wild women who have reclaimed their bodies and stand in their sacred sexuality for them," she writes. "As women, we need to liberate our voices, step into total security within ourselves, and fully own our raw, sensual power, finally letting go of the shame, guilt, denial, and repression that's been put upon us." The methods in this book will inspire you, challenge you, bring up your resistance, and unleash your gifts. It won't always be easy, but if you do the work, you'll discover what it really feels like to f*ck like a goddess.

Summary of Alexandra Roxo's F*ck Like a Goddess Everest Media, 2022-06-15T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The word fuck has a powerful meaning. It refers to the act of creation, and it can be used in any situation where we want to make an impact. It represents the feminine version of God. #2 The energy of nature, of Mother Earth, of Creation itself, is the most powerful energy in the cosmos. It has been suppressed and eradicated for thousands of years by patriarchal societies. #3 The art of changing our consciousness at will is known as magic. It is the basis of our healing, and it feels magical. It is like the way cow poop becomes fertilizer for seeds to grow into beautiful flowers. #4 You have a physical portal where creation enters. It is available to you to access sexual and creative energy, and let it radiate through your actions, words, and vibes. It is up to you to own and reclaim those parts from

the negative conditioning that religion, society, and culture have imprinted on you.
