Henry Ford's War on Jews and the Legal Battle Against Hate Speech Victoria Saker Woeste, 2012-06-27 Henry Ford is remembered in American lore as the ultimate entrepreneur—the man who invented assembly-line manufacturing and made automobiles affordable. Largely forgotten is his side career as a publisher of antisemitic propaganda. This is the story of Ford's ownership of the Dearborn Independent, his involvement in the defamatory articles it ran, and the two Jewish lawyers, Aaron Sapiro and Louis Marshall, who each tried to stop Ford's war. In 1927, the case of Sapiro v. Ford transfixed the nation. In order to end the embarrassing litigation, Ford apologized for the one thing he would never have lost on in court: the offense of hate speech. Using never-before-discovered evidence from archives and private family collections, this study reveals the depth of Ford's involvement in every aspect of this case and explains why Jewish civil rights lawyers and religious leaders were deeply divided over how to handle Ford.

Henry Ford: the International Jew Henry Ford,2010-06-01 The International Jew, by auto magnate Henry Ford, is comprised of newspaper articles printed in 'The Dearborn Independent during the 1920's. At the apex of his business career Henry Ford sensed that a terrific effort was being made to take his business from him and manipulate it into the hands of the money-changers. Henry Ford, who had the impression that these manipulators were being engineered by powerful Jewish financiers, called to his office the most intelligent research men within his acquaintance. He commissioned them to make a thorough study of the International Jew and publish their findings in The Dearborn Independent, which at that time was the official organ of the Ford Motor Company. No expense was spared, and it is estimated that literally millions of dollars were spent by Mr. Ford on this project. The original articles were carried first in The Dearborn Independent, and then published in book form. This book, The International Jew, provides a hard-hitting, easy-to-read introduction to what the renowned American automaker and industrialist called the world's foremost problem. This influential and much-discussed collection of essays, packed with facts and insights, is an eye-opening survey of the enduringly vexing Jewish question. Whether readers agree or disagree with the content of The International Jew and Ford's approach to the Jewish question, the book provides an important historical record that remains of interest today.

Henry Ford Henry Ford,William Schnarr,2023-01-06 In addition to carrying on the great white American tradition of monumental entrepreneurship, ethical business missions, and past-master engineering, Henry Ford was also one of the

world's most fruitful students on the Jewish Question. For eight long years he fearlessly studied and reported weekly on the Jewish Question despite extreme Jewish libel and slander; finally he was forced to retire this service after they threatened to financially choke him. No student of the Jewish Question disputes his findings, and in fact he is one of the greatest contributors to our knowledge thereof today, but many readers may have been frustrated by the limitations of the newspaper format. Well, now- for the first time in over 100 years- William Schnarr has undertaken the first fully researched and resourced edition of *The International Jew*, the 4-volume archive of nearly all Ford's original articles pertaining to the JQ. Due to the age of the papers and Ford's tendency to cite contemporary papers, many sources are lost forever, if not extremely difficult to track down, but even what can be confirmed with the aid of modern technology will shock and amaze readers, just as it did Schnarr as he found Ford's evidence. Although many citations are from *The Protocols of the Learned Elders of Zion*- a controversial pamphlet to this day- there are also many citations, from contemporary Jewish newspapers to centennial almanacs archived in the University of Minnesota. These documents all work to shatter once and for all the veneer of Jewish libel and slander, and show bright and clear Ford deserved every bit of credit that his admirers give him for his work on *The Dearborn Independent*.
