## Jelena Bango

His Sunrise My Sunset Jan Hurst, 2016-05-12 Jan Hurst is a widow, mother, and retired executive, who built a business career over 30 very eclectic years in multiple business disciplines. She and her husband, Steve, were married 44 years, the first 24 years following his Air Force career. They had two daughters, who both became accomplished professional women and dedicated wives and mothers. Jan enjoyed her early marriage as a homemaker, until their younger daughter started school. As returning adult students, Jan and Steve both completed college while working and supporting a family. Once Steve retired from the Air Force, Jan began her career, no longer having the interruptions of moving and job hopping. She continued her education to earn an MBA and PhD in Business Administration Management. Jan focused on a personal ministry in business to lead organizations and share management approaches to incorporate Christian values. Having grown up as an Air Force dependent, her passion was to show people that clicks and good ol' boy approaches are not as productive or rewarding. She and her husband were both passionate about helping others and worked to live as they believed. They shared a special respect and admiration for each other up until the day they were parted. Jan is a witness willing to share her faith, love of God, and story. Losing her husband did not diminish her faith. Her faith has strengthened.

*Calderon: Life's A Dream* Michael Kidd, 2011-05-15 What is life? A frenzy. What is life? An illusion, a shadow, a fiction; and the greatest good is fleeting, for all life is a dream, and even dreams are but dreams.

*Portrait of an American Rabbi: In His Own Words* Rabbi Lance J. Sussman Ph.D., 2023-06-14 It is important to bear in mind that Sussman has also been a true credit to the Reform rabbinate. He has taught thousands of congregants over the decades. He imparted his love for the Jewish people and its past from the pulpit, under the marriage canopy, and even at the funeral bier. These attainments must never be minimized or overlooked. One of Isaac Mayer Wise's students memorialized a noteworthy incident that occurred during a class that Wise was teaching. Wise suddenly began to feel ill and decided to end the class early. As Wise began to step down from his teaching platform, a well-meaning rabbinical student jumped up from his seat, grabbed his teacher's arm and said, "May I help you down, Doctor?" The famous rabbi shifted his glance and said in a voice loud enough for the rest of the class to hear: "Never help a person down, my boy, a rabbi must always help people up!" This is how Rabbi Dr. Sussman has led in the various communities he served over the past four decades. He has been a learned rabbi who never lost sight of his obligation to help people up. Rabbi Dr. Gary P. Zola Executive Director Emeritus,

American Jewish Archives Ackerman Family Distinguished Professor, HUC-JIR From "To The Readers," written for the AJA Festschrift in honor of Rabbi Dr. Lance J. Sussman, 2024

**Wisdom Song: The Life of Baba Amte** Neesha Mirchandani, 2006-04-01 Born into privilege and wealth, Murlidhar Devidas Amte was a maverick who wanted to live life to the fullest. He realized early on that he had to live, not for himself, but for others - or else all his privilege, position and superior personal qualities would be mere tinsel. The pioneering commune at Anandwan, where those affected by leprosy could live with dignity and pride; the Bharat Jodo marches across the length and breadth of India to promote national unity and harmony; the decade-long vigil by the Narmada river in solidarity with those at the receiving end of state-sponsored environmental devastation - Baba Amte did this and much more, coping the whole time with a crippling spinal degenerative disease. The countless lives transformed by three generations of the Amte family are shining testimonials to the magnitude of Baba Amte's vision, and the indomitable spirit that made that vision real. With in-depth conversations with Baba, and interviews with many of his close friends and family, this biography is equally a record of the collective memory of those who have known him best. What emerges is an intimate portrait of one of the few individuals of our times who have embodied the cherished ideals of compassion and selfless service.

**Leonardo da Vinci** Dmitry Sergeyevich Merezhkovsky, 2018-01-01 This evocative account of the life of the Renaissance's greatest figure traces Leonardo's early development as an artist and court figure to his final years in exile, portraying his loves and sufferings, as well as his intellectual curiosity and tireless loyalty to his ideals. But it is the background to his famous painting La Gioconda and his relationship with the mysterious Florentine woman who modelled for it that are at the heart of the novel - here presented for the first time in an unabridged translation. The result is an engrossing and unforgettable read. An unjustly forgotten masterpiece of Russian literature that inspired one of Freud's most important essays, Leonardo da Vinci also offers an illuminating snapshot of the society of the period - beset with intrigue and religious and social tension - and a host of memorable historical figures such as Michelangelo, Raphael, Machiavelli, Savonarola and the infamous Borgias.

*With the Lamp of My Soul* Jelena Bango, 2019-09-27 JELENA BANGO (aka Helena Kvajic ROchstein) grew up in the land of the crossroads of cultures. She was born in Belgrade in 1939, at the beginning of the Second World War. During the war she lost her father. Her mother Marija immediately moved the baby into Legrad, a small village in Croatia. There, Jelena grew up sheltered by the Catholic nuns of the church and by the quietness of the mystical surroundings of the rivers Drava and Mura. Jelena's heart was always wide open to God while, at the same time, her mind was open to learning about the other cultures and religions. Under the guidance of the hidden hand of God, Jelena relocated to Paris, France, and shortly after, to Montreal, Canada. There she married into the Eastern Orthodox religious culture. She could never understand the reasons for religious separation of the churches and this was the hidden pain of her heart. Few years, the family moved to New York, and to the East Coast of Florida. Jelena continued her search for the meaning of life. She found A.M.O.R.C. and she became an enthusiastic student of Ancient Wisdom and Philosophy. The hidden Hand of God then thrust her into the Jewish mystical and cultural environment. This opened deeper the path of Light at the call of her soul. Today, Jelena understands more profoundly other people's struggles for Light, and she appreciates more deeply her own religion. Poetry writing was the means of her heart's language. Poetry could easily open the gates of the muses. The universe became Jelena's garden. Jelena is grateful to God, to her family and to everyone who graciously contributed to the growth of her soul

into Light.

**The Wood Beyond the World** William Morris, 2019-11-20 *The Wood Beyond the World* is a seminal work by William Morris that intricately weaves elements of fantasy, romance, and medievalism into a rich narrative tapestry. Written in 1894, the novel unfolds the adventures of Walter, a man who ventures into a mystical forest, a realm that serves as both a physical and metaphorical journey. Morris employs a lyrical and archaic prose style, reminiscent of Old English literature, punctuating the text with vivid imagery and a deep appreciation for nature, which reflects the author's socialist beliefs and desire for a more harmonious existence. The story resonates with themes of love, self-discovery, and the quest for meaning, positioning it firmly within the context of the Romantic and Pre-Raphaelite movements that influenced Morris's artistic development. William Morris was not only a writer but also a designer, activist, and key figure in the Arts and Crafts Movement. His fascination with the medieval world and a yearning for a simpler, more beautiful existence deeply informed his literary creations. Influenced by his socialist ideals and the Industrial Revolution's impact on society, Morris sought to advocate for a return to craftsmanship and authenticity, which can be clearly seen in the lush, detailed landscapes and rich characterizations that populate *The Wood Beyond the World*. For readers seeking an escape into a beautifully rendered fantasy filled with moral and philosophical depth, Morris's *The Wood Beyond the World* presents an exquisite experience. Its exploration of longing and the sublime nature of existence invites readers to reflect on their own lives while enjoying the enchanting journey into a world that feels both timeless and relevant. This novel is a must-read for those interested in the intersection of art, literature, and social thought.

**Chaos in Color** R. Layla Salek, 2023-09-19 From a young age, Layla Salek has experienced some people as colors—her mother brown, her father green, her husband rainbow. As she notes, sometimes, when words fail, colors speak. Chaos in

Color is the captivating story of Layla's journey from childhood to adulthood with a mother who suffered from untreated bipolar disorder. Each chapter paints a vivid, heartbreaking picture of the abuse, neglect, and trauma that she experienced as she grew up at the mercy of her mother's bipolar swings, an incompetent mental health system, and the strangers with whom she was often left. But dissipating those times of darkness were moments of love, joy, and happiness that she felt while being cared for by others in her life. These moments inspired her to start her own family, complete a doctorate in psychology, and work with children with mental illness and severe behavior disorders. Layla's story traces how personal and familial trauma is carried into adulthood and how it can be released through forgiveness. This honest, provocative memoir offers a relatable account for others who have experienced similar trauma, as well as hope for healing and a future full of light.

**Just Once, No More** Charles Foran,2025-05-13 In this vulnerable, honest, beautiful memoir, award-winning writer Charles Foran offers a brief and powerful meditation on fathers and sons, love and loss, even as his own father approaches the end of life. "Luminous. . . . Wise and moving." —Yann Martel Dave Foran was a formidable man of few words, from a different era than his sensitive, literary son, Charlie. As a younger person, Dave had lived alone for months in the bush, overcome snow blindness, hauled a dead body across a frozen lake on a dogsled, dodged bullets in a bar, and gone toe-to-toe with a bear. Some aspects of his life were rollicking while others were more restrained: A decent father and a devoted husband, Dave was also emotionally distant, prone to laconic cynicism and a changeable mood. As Charlie writes: "He struggled most days of his life with wounds he could not readily identify, let alone heal." The year Charlie turned 55, his 83-year-old father began a slow, final decline, and Charlie surprised himself by wanting to write about their relationship. On the surface, his motivation was to reassure his father that he was loved. But there was also a deeper desire at work. "Late into the middle of my own lifespan," Charlie writes, "sadness took hold of my being . . . I wanted to say so frankly, never mind how uncomfortable it made me." In spare, haunting prose, Just Once, No More pulls on these delicate threads— unravelling a

fascinating personal story and revealing its poignant universality.
