Joel Osteen

If My Heart Could Talk Dodie Osteen, 2016-04-05 Dodie Osteen, mother of Joel Osteen, gives readers a personal account of her extraordinary life and shares what she has learned about love, faith, and family. As the wife of forty-four years to the late Pastor John Osteen, founder of Lakewood Church, Dodie Osteen stood as a wife, mother, and first lady of the church, even when life felt anything but steady. Today, she continues to stand by her son, Pastor Joel Osteen, and the rest of their family as they lead Lakewood. In this revealing memoir, Dodie shares that her path, though glorious, has not always been easy. She shows an intimate look at such life-altering experiences as contracting polio as a child, raising 5 children, battling cancer, and losing her husband, all with the beautiful heart and sense of humor she displays to thousands at Lakewood and nationwide at Night of Hope events. While recounting her journey, Dodie offers readers meaningful life lessons applicable to their own lives.

My Journey With Breast Cancer and God's Miracles That Sustained Me Cathy Sutor Riley, 2007-12-05 Cathy Sutor Riley decided to write this book during her treatments for bi-lateral breast cancer. It seemed to help to put her experiences on paper and she was hoping that her story would inspire and strengthen anyone that was going through any type of trial, not just breast cancer. It is obvious throughout this book that God was ever present during her journey and carried her when she couldn't carry herself. The faith that Cathy was taught during her childhood from the two Christian parents she was blessed with is what made all the difference in her life. She knows that without those teachings and lessons in faith she may have given up from the very first day of her diagnosis. Cathy had always said she didn't see how any woman could go through breast cancer because she would have to give up her hair and breasts, the two main things that make a woman feel feminine. It is obvious now that the way a woman gets through this is from the strength given to her by God. Only God can carry any of us through the trials we will face in this life, and there will always be trials as long as we live on this earth. It is this author's hope that this book will give you strength, hope, faith and the knowledge that your God is always with you and He is waiting for you to seek Him and depend on Him for everything. He is as close as our next breath and He is our very best friend. Always draw near to God and He will carry you through all things of this world.... May God bless you as you read and meditate on this book!

A Cure for Cancer Weston L Blair PhD, 2012-03 When author Dr. Weston L. Blair was diagnosed with non-Hodgkin's

lymphoma in 2005, he and his wife, Fran, believed the diagnosis was something the Lord was going to use for their good and His glory. Blair, an ordained minister, placed his trust in the Lord. His daily medicine was God's word, and this is his story of healing. *A Cure for Cancer* gives a step-by-step walk through Weston's documented battle with cancer. It narrates his journey from the initial diagnosis of stage II non-Hodgkin's lymphoma through three month's progression to stage IV. Blair recalls good news, then bad news, and then the last tests and visit with Dr. Felipe Samaniego at MD Anderson Cancer Center in Houston, Texas, where Blair was declared cancer-free. This memoir, filled with spiritual teachings and comforting scriptures, provides insights into one man's battle with the fear, pain, and hopelessness of cancer. It shows how he coped on a daily basis and how he found healing through his faith in God's Word.

Blessed To Be Broken Jamie Byrd, 2022-08-01 No one wants to have cancer or any other serious disease. But unfortunately, we don't get to choose. God allows trouble in our lives to show us how strong He is in the midst of it all and to strengthen us. It is in the midst of our troubles that we come to realize the incredible goodness and faithfulness of our Savior. If God is for us, who can be against us? (Romans 8:31) We do not choose to have cancer, and it is important to understand that God does not generally give people cancer or any other serious disease. But our wonderful, loving God does offer comfort and peace and strength to get you through your illness. You just have to choose to receive it! The purpose of this book is to help you to receive these blessings of comfort, peace, and strength as you fight your battle. Jesus says, Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid (John 14:27 NIV). Whether you are a long-time believer or not sure if God is real, choose to receive the blessings of the Holy Spirit through these daily devotions! Our loving God longs to bless you! This is your personal invitation to experience God's unchanging love.

A Cure For Anxiety: Biblical Truths And Metaphysical Practices To Overcome Anxiety, Panic, Social Anxiety, And Agoraphobia Elizabeth Connelly, 2025-06-13 I don't know of one other book that combines biblical truths and metaphysical practices to cure anxiety. I have combined this with my 40 years suffering with agoraphobia to come up with the prescription that anyone can do to cure anxiety. In this book I have described my life that. Included many traumatic events. They describe in early childhood the traumatic event that was responsible for my first anxiety attack. The alcoholism of my mother and the critical and unaffectionate demeanor of my father when I was young are also described in the book as well as partner verbal and physical abuse, an abortion, promiscuity and multiple miscarriages. I also describe my years in New York the acting school I enrolled in, a love affair with an acting student and our trip across country and our eventual break up after the abortion. After most chapters I felt some things needed further explanation and that is why I've chosen Reflections at the end of most chapters as a vehicle to shed light on some of the darker aspects of my life to help put a little

perspective on how I feel now as to how I felt at the time. During all of this I was still haunted by the possibility that another panic attack would derail me at any time. But most of all this is a story of resilience and survival and the constant hope that things would get better which they did.

Spiritual Prescriptions Evangelist Bolajoko Olayemi, 2024-01-10 This book is written by divine instructions from God Almighty to as many that are ready to follow His divine protocol. Remember, I say, You can never overpray. You can only underpray. I also want you to know that surely your prayers are not a waste. There is no way someone can fulfill or complete God's agenda for his or her life without prayer. I assure you, you still have hope in Christ Jesus to live longer. Remember these: Doctors can only detect what happens to you or what is wrong with any part of your body through their machine, but they can never make it perfect like the way it was before. But Jesus can. Doctors can only place you on hospice care and tell you that you have less than six months to live, but Jesus has the final say over you. See now that I, even I, am he, and there is no god with me: I kill, and I make alive; I wound, and I heal: neither is there any that can deliver out of my hand. (Deut. 32:39) Jesus can still lend you His life because He has paid for your life. Only Jesus is a great physician. Bolojoko Olayemi is originally from Nigeria. She is a graduate of business administration. She is an evangelist and missionary with a strong desire for souls winning, a preacher of His word, a coach, and a teacher, alongside the publication of this book, to depopulate the kingdom of darkness and to increase the kingdom of God. This makes her first book to be published. To the glory of God, many more are on the way to changing the world for Christ.

Your Words Hold a Miracle Joel Osteen, 2012-05-08 At some point in every person's life, we will need a miracle from God. It may be for us, a family member, or a troubled child. It might be a mountain of family or financial trouble, or some unseen force that fills us with fear. The late John Osteen has good news for us. We can have a miracle from God, for God is a miracle worker. And He has recorded many of His miracles in His Word, the Bible. Rather than running around searching for needed miracles, Osteen shows us how to put the power of God's Word into daily practice. When we agree with, believe in, and confess the Word of God, miracles reveal themselves.

Salvation with a Smile Phillip Luke Sinitiere, 2015-11-13 Joel Osteen, the smiling preacher, has quickly emerged as one of the most recognizable Protestant leaders in the country. His megachurch, the Houston based Lakewood Church, hosts an average of over 40,000 worshipers each week. Osteen is the best-selling author of numerous books, and his sermons and inspirational talks appear regularly on mainstream cable and satellite radio. How did Joel Osteen become Joel Osteen? How did Lakewood become the largest megachurch in the U. S.? *Salvation with a Smile*, the first book devoted to Lakewood Church and Joel Osteen, offers a critical history of the congregation by linking its origins to post-World War II neopentecostalism, and connecting it to the exceptionally popular prosperity gospel movement and the enduring attraction of televangelism. In this richly documented book, historian Phillip Luke Sinitiere carefully excavates the life and times of

Lakewood's founder, John Osteen, to explain how his son Joel expanded his legacy and fashioned the congregation into America's largest megachurch. As a popular preacher, Joel Osteen's ministry has been a source of existential strength for many, but also the routine target of religious critics who vociferously contend that his teachings are theologically suspect and spiritually shallow. Sinitiere's keen analysis shows how Osteen's rebuttals have expressed a piety of resistance that demonstrates evangelicalism's fractured, but persistent presence. *Salvation with a Smile* situates Lakewood Church in the context of American religious history and illuminates how Osteen has parlayed an understanding of American religious and political culture into vast popularity and success.

Your Best Life Now (Special 10th Anniversary Edition) Joel Osteen, 2014-08-05 Live boldly and act on your most powerful beliefs with this life-changing guide to faith, positive thinking, and spiritual fulfillment from #1 New York Times bestselling author Joel Osteen. Pastor Joel Osteen asks everyone to examine what he or she really believes. Why is this important? Because we will become what we believe. Our beliefs will prove either a barrier or vehicle as we strive to go higher, rise above our obstacles, and to live in health, abundance, and victory. In *Your Best Life Now*, Osteen says, I am what I am today because of what I believed about myself yesterday. And I will be tomorrow what I'm believing about myself right now. God sees us as more than conquerors, able to fulfill our destiny. We need to see ourselves through the eyes of our Creator. He says that our self-image should mirror exactly what God says about us, not what we feel or think. And he encourages readers to be people of faith, for if you can see the invisible, God will do the impossible.

When the Bottom Drops Out Robert Bugh, 2011-10-12 Nobody is immune to disappointment. Unfortunately, at some point all of us will face that horrific moment when the bottom completely drops out of our life, leaving us broken, devastated, and desperately searching for God's grace. Pastor and theologian Robert Bugh has experienced unthinkable pain and disappointment firsthand, having lost both his wife and his best friend to cancer within a year and a half of each other. Though devastating, Bugh's tragedy also brought him into a stronger, deeper relationship with God. *When the Bottom Drops Out* chronicles Rob's journey from loss to restoration and shows readers how to find and hold tightly to Christ through even the most painful episodes of life. Bugh's story is proof positive that while pain and disappointment are an unavoidable part of life, God is nonetheless faithful, holding us close at all times and in all circumstances.

Least of My Brothers Nicole Alexander, 2023-04-16 Dear Luv Guv: I totally get the mountain you created, walking each step of your daily COVID briefings with you, anticipating and coaching from my love of football, SCUBA Diving, Sea Captain and School of Hard Knocks experiences. I boldly critique your presentations as if you are a Divemaster. Please pardon, but my ideas oft preceded your daily briefings. Sharing this with my long-time friend and confidant via email, we joke, "Just Solving All The World's Problems on Paper". Home during Shelter-In-Place, I finally finish writing novels. You are positively portrayed except for our dads' brash talk, a literary device I created to show New Yorkers, even politicians, are not that different from Midwestern farmers. Don't worry, no one takes anything Dads say about daughter's potential boyfriends seriously. As a Bible student, consider that Dad faults King David, a nearly perfect man in God's eyes. Yes, of David and Goliath fame. On morning strolls on Heaven's outskirts, your dad, the illustrious former Governor, finds my dad who eked his way into Heaven on a loophole I found. In my overactive imagination, our dads talk about our mutual single status. Your dad is intrigued by my ability to talk smack, my figure (always a strength), my brain (particularly in governance), and my knowledge of Football. They meddle, using Divine Intervention Tricks to help us together solve the COVID Crisis. Singles whether city or country, across the entire universe endure matchmaking. Despite all the hoopla and uproar, more unites us all than separates, excluding elitist greed and fear mongering designed to distract and separate Average Americans from money and opportunity. That gets me started down many rabbit holes and frequent laments "Where Have All The Heroes

Gone?" P.S, I withhold judgment on your "The Boyfriend" take. I've learned to observe these things first.

War On Sickness Brenda Kunneman, 2023-10-16 Are you ready to get your healing back? Then let's dive into the Word of God, because the fact is that we stand on one incredible truth that precedes all others: it is God's will for us to be healed.

War On Sickness will show you the message God has given for His people-for you-because He always wants to heal you! The war against sickness isn't over; no, despite all the things the enemy has tried to do, overwhelming victory is ours through Christ. So if you are hungry for divine healing, get ready to shout, because God is empowering the Church to take the war on sickness to the devil-and he'd better look out, because the gates of hell cannot stand before us! It is time for the Church to rise up, seize the promises God has given to us, and fight back with the Brenda Kunneman spiritual weapons of our warfare against the tide of fear and disease under which the enemy desires to crush us. We, as a body, have gotten weak about divine healing, including the charismatic Church. You can tell by the way you hear people talking about and glorifying negative things-the conditions, the aches and pains, the diseases. The way we have been using our words has been diminishing our covenant right, a promise God has given His people, to be healed.

The Mind to Heal Doreen Lecheler, 2012-09 When I received news of an incurable cancer recurrence, I naturally assumed it was the will of God. I was forty-eight years young and determined to accept whatever came my way. But there's a different mindset required when you are either accepting death or preparing for battle. In this search for meaning and direction, I found hope, permission, and the power to choose life. As a two-time cancer conqueror, Doreen understands the ups, downs, fears, and concerns of those struggling through disease. Combining her expertise in goal-setting and effective thinking skills with the knowledge and power of Scripture, Doreen offers seven critical choices to co-create an environment for healing. Most people hope and pray for healing but subconsciously sabotage their own wellness. They spend more time worrying and talking about the disease than their vision of health. It's vital they learn to manage their thoughts, emotions and self-talk in a manner consistent with what they want. The Mind to Heal is book two of the HEALED series. It focuses on our role and responsibility to receive healing. It provides tools, principles, and strategies for how to think victoriously to overcome disease.
