Phoenix Rising Donald G. Lett,Donald G Lett Jr,2008-02 In an age when the supply of gasoline to feed this modern American society has become both more expensive and more scarce questions are being pondered. Inquires like, How can a modern society scale back its dependence on gasoline as a motive source?' Are there genuine alternative power sources?' Are they the answer to a growing crisis?' Recent announcements of hybrids like those from Honda, Toyota, and Ford have really brought attention to this issue. Hybrids that use both gasoline engines and electric motors. Really, though, alternative power sources have been around for as long as the automobile has been. The battle between and among the steam car, the electric and the gas car was fought out in the first couple of decades of the twentieth century. This book explores the ins and outs of that battle. A struggle from which the gasoline car emerged completely victorious. To such an extent that steam cars and

electric cars virtually disappeared from the scene for many decades. We will look over all three alternatives, exploring their advantages and disadvantages. We will also look over the obstacles to the steamers and the electrics. Barriers that still exist to a certain extent. Handicaps that caused their disappearance in the first place.

Favor in Business Saul Flores Jr.,2022-12-13 FAVOR IN BUSINESS In a world where success is predominately measured by how much money we have in the bank, the size of our financial portfolio, and how prestigious our lives are, there have been great American Entrepreneurs who have chosen to take the path less traveled - to be truly compassionate and giving. They risked judgement, ridicule, and their fortunes; but in doing so they realized they could never out give God. Author Saul Flores Jr. Brilliantly depicts in this book, Favor in Business, the incredible and encouraging stories of men and women who define what giving truly looks like, From William Colgate of the Colgate-Palmolive empire to Mary Kay of Mary Kay Cosmetics, 12 unique stories compiled from in-depth research and Biblical Scriptures grace the pages of the book to educate and bring awareness to what it means to be anointed to succeed in business. Capital City Thomas Kessner,2004-04-07 At the beginning of the nineteenth century, New York City was an undistinguished town, competing with Philadelphia and Boston to be America's dominant port city. Just two generations later, it had built itself into the country's powerhouse center of trade and finance, rivaled only by London as financial capital of the world. In Capital City, Thomas Kessner tells the story of this remarkable transformation. With the advantages of its famous harbor and the opening of the Erie Canal in 1825, New York became the chief commercial center for the growing nation. As the shipping industry prospered, capital accumulated, and a growing banking center emerged, New York went on to finance

the Union cause during the Civil War, open the West to development, and consolidate the national railroad system. The city's energy and opportunity attracted ambitious men from all over the country whose names became synonymous with big business: Vanderbilt, Carnegie, Rockefeller, and Morgan. New York's banks set the interest rates for the nation, its stock exchange fixed the price of securities, its investors transformed American business from family-owned enterprises into modern corporations, and its growing political clout catapulted public figures, such as Samuel Tilden and Teddy Roosevelt, onto the national stage. Combining political and urban history with a colorful cast of characters, Capital City chronicles how Gotham's Gilded Age reshaped the metropolis and the nation as it molded our present-day economy.

Dreamality Bob Coy,2010-05-11 Somewhere between childhood and adulthood, many of us let go of our dreams. We stop trusting that anything will be different. We stop hoping that anything could get better. We stop expecting life to be full of excitement, anticipation, joy, fun, and hope. Optimism is replaced by anger, frustration, and bitterness. But it doesn't have to be that way. Bob Coy, senior pastor of the seventeen thousand-member Calvary Chapel of Fort Lauderdale, believes that hope can be revived and we can rekindle in our heart the expectation of something more. Using the biblical story of Joseph as a running analogy, Coy looks to God as our dream-deliverer as well as the source of our dreams. He asserts that, as we come to understand God's heart toward us and the bigger picture of our lives, we can reclaim and live out our dreams.

Fe Y Prosperidad Saul Flores Jr.,2023-03-31 En un mundo en donde el éxito se mide por cuánto dinero tenemos en el banco y el tamaño de nuestra cartera de inversiones, han existido grandes Empresarios Americanos que han elegido tomar el camino menos transitado - ser verdaderamente compasivos y generosos. Ellos se arriesgaron a ser juzgados, ridiculizados, y a perder sus fortunas; pero al hacerlo se dieron cuenta de que cuando abres tu corazón para dar, también lo abres para recibir bendiciones. El autor Saul Flores Jr. describe de manera brillante en este libro, Fe y Prosperidad, las increíbles y alentadoras historias de hombres y mujeres que definen lo que es prosperar; desde William Colgate del imperio de Colgate - Palmolive, hasta Mary Kay de los cosméticos Mary Kay. 12 historias únicas compiladas a partir de una profunda investigación
