Diálogos con Krishnamurti Jiddu Krishnamurti,1998

El Pensamiento de Krishnamurti Miguel Ángel Caminos,1993

Vida y muerte de Krishnamurti Mary Lutyens,1993

The Collected Works of J. Krishnamurti Jiddu Krishnamurti,1991 Within the process of daily relations with people, with nature, and with society, our own causes of sorrow are revealed. 'In relationship the important thing to bear in mind is not the other but oneself,' states Krishnamurti, 'It is within oneself that harmony in relationship can be found, not in another, nor in environment.' (p. 160) This is not cause for isolation but the beginning of a process of self-revelation which creates the foundation for true relationship.

La llama de la atencin J. Krishnamurti,2015-09-30 Krishnamurti fue un conocido escritor y orador en materia filosófica y espiritual. Sus principales temas incluían la revolución psicológica, el propósito de la meditación, las relaciones humanas, la naturaleza de la mente y cómo llevar a cabo un cambio positivo en la sociedad global.

krishnamurti los grandes temas José Russo Delgado,2002

La otra mirada Piedad Yuste Leciñena,2022-12-09

Tratado de la obviedad José Carlos Plaza,2025-09-04 No he permitido nunca la presencia de extraños al equipo en el proceso de preparación de ese acto de amor que es el teatro. Durante los ensayos los actores deben desnudarse, relajarse para sentirse libres y crear sin temor al ridículo, sin miedo a equivocarse. Por eso el ambiente debe ser protector, sin miradas ajenas [...]. Eso de 'la catarsis' que los antiguos griegos dijeron que era una purificación. José Carlos Plaza, el director de escena más galardonado de su generación, abre las puertas de su conocimiento en este libro, un tesoro para profesionales y un testimonio único para todo interesado en el proceso de creación y en el oficio de contar historias, para dejar que el lector entre en lo que considera más secreto: el ensayo de una obra de teatro. Ese momento medio mágico, medio científico, en que un texto escrito pasa a «hacerse carne» se nos desvela aquí de la mano de un hombre que ha pasado su vida dirigiendo espectáculos. Con juegos, anécdotas y análisis de texto inéditos, el libro revela tanto el laborioso

entrenamiento de actores y actrices como el placer que significa vivir una situación imaginaria, y abandonar un yo más pequeño para revelar su inmenso yo creador. El objetivo: conseguir que el espectador salga transformado de una función teatral.

Acerca de la enseñanza del diseño María del Carmen Frigerio, Silvia Pescio, Lucrecia Piatelli, 2022-04-20 Este trabajo fue desarrollado en el marco del Gabinete de Heurística de la Facultad de Arquitectura, Diseño y Urbanismo de la UBA. Su motivación principal fue revisar la naturaleza del actual sistema de formación de los diseñadores, caracterizar los efectos que este sistema produce en los alumnos y profesores y reflexionar sobre la posibilidad de modificar algunas características del quehacer de los docentes formadores. Se conoce el atraso que dicha Facultad tiene respecto a la enseñanza y la transmisión del diseño proyectual y la importancia de la formación de los docentes formadores. Esta obra analiza el material que surgió de observaciones realizadas durante el dictado de clases de la materia Diseño, en las carreras de Arquitectura y Diseño Gráfico, hace 5 años. Hoy se las retoma con el objetivo de pensar lo que sucede en los talleres, específicamente en lo que se refiere a la transmisión y a la enseñanza del diseño.

Acerca de la enseñanza del diseño ,

The Collected Works of J. Krishnamurti Jiddu Krishnamurti, 1991 During this time span, Krishnamurti gave talks in England and India. In this volume, Krishnamurti introduces the material as a form of a discussion. He asks those listening to engage in the material along with him. What I propose to do during these discussions is to think outwith each one of you this extraordinarily complex problem of living. You know this problem is not confined to a narrow area. All over the world it is the same. We are confused; we do not know what to do; and we do not know how to set about it or to discover why each group is fighting the other.

Krishnamurti Obras Completas. Tomo 5. Percepción sin Opciones Jiddu Krishnamurti, 1998

Vigencia de Krishnamurti ,

Caminar con Krishnamurti Armando Clavier, 1989

Puerta Abierta Mary Lutyens, 2005 En La puerta abierta, el tercer volumen de la biografía iniciada con Los años del despertar y Los años de plenitud, Mary Lutyens ofrece una vista panorámica y muy amena de la enseñanza de Krishnamurti a través de penetrantes evocaciones de sus experiencias espirituales. Gran parte de libro está formada por numerosas y hermosas citas, sacadas de sus conferencias. ¿Quién fue Krishnamurti? Él fue muy claro cuando dijo que no era un guru (deploraba la relación discípulo-gurú), ni el líder de ninguna organización religiosa. Su propósito era librarnos de todo cuanto nos impide descubrir la verdad por nosotros mismos. Krishnamurti buscaba aportar comprensión, no consuelo. Una filosofía sutil y sin concesiones que todavía estimula a millones de personas de todo el mundo. Una filosofía cuya finalidad consiste en terminar con la violencia y el dolor, mediante la completa transformación psicológica que abra las puertas del amor.

Libros españoles en venta, ISBN ,1995

Educar la interioridad Luis López González, 2015-06-08 Un libro para ayudar a los niños a ser ellos mismos. ¿En qué momento el móvil empezó a ocupar un lugar central en la vida de los jóvenes? ¿Desde cuándo los más pequeños viven con prisas y estrés? ¿Por qué a menudo tenemos la sensación de que los niños se encuentran desorientados? ¿Qué se nos perdió en el camino? La respuesta está en lo que hemos dejado de mirar: el interior. Este libro es un manual completo para desarrollar conductas y actividades que permitan a los más pequeños trabajar su interioridad y que los inviten a reflexionar y a tomar conciencia de sí mismos. Porque educar su interioridad supone múltiples beneficios, además de los puramente académicos; les enseña a escoger, a tolerar la frustración, a conocer sus necesidades, sus límites y sus motivaciones... En definitiva, la educación de la interioridad nos ayuda a ser nosotros mismos y más felices. En este viaje hacia el interior, Luis López nos invita a alejarnos del ruido ensordecedor de la sociedad y a escucharnos desde la razón, el arte o el propio cuerpo. Para ello, incluye ejercicios prácticos para realizar con los niños (visualización, meditación, focusing, etcétera), así como pautas sencillas y cotidianas para que los adultos ayudemos a los niños a mejorar sus recursos emocionales y aumentar su bienestar psicológico. No hay nada más responsable en nosotros, los adultos, que preocuparnos por el desarrollo personal e interior de nuestros pequeños.

LEV ,1999

Whispering the Techniques of Language: An Psychological Quest through **La Llama De La Atencion Krishnamurti**

In a digitally-driven earth where screens reign supreme and instant connection drowns out the subtleties of language, the profound techniques and psychological nuances hidden within words usually move unheard. Yet, nestled within the pages of **La Llama De La Atencion Krishnamurti** a charming literary value sporting with natural feelings, lies a fantastic journey waiting to be undertaken. Composed by a skilled wordsmith, this wonderful opus attracts readers on an introspective journey, lightly unraveling the veiled truths and profound affect resonating within the fabric of every word. Within the psychological depths of the moving evaluation, we shall embark upon a honest exploration of the book's key styles, dissect its charming writing type, and succumb to the strong resonance it evokes deep within the recesses of readers' hearts.
