It develops nine principles of biomechanics, which provide an applied structure for biomechanical concepts, and the application of each principle is fully explored in several chapters. Following the best-selling format of the Videos That Teach series, TV Shows That Teach will give you plenty of TV show clip ideas to use for illustrations or teaching on a variety of topics or Bible passages. From the classics, to some of the latest and greatest shows, you'll find ideas that will fit into any message you're trying to communicate to your students.

Included in this book are clip ideas from comedies like Happy Days, The Simpsons, Saturday Night Live, The Office, The Cosby Show, Everybody Loves Raymond, and more.
