Set the World on Fire Vinita Hampton Wright, 2022-03-25 Only four women in the two thousand-year history of the Church—Thérèse of Lisieux, Teresa of Avila, Catherine of Siena, and Hildegard of Bingen—have the distinction of being named Doctors of the Church because of their impact on the faith. In *Set the World on Fire*, bestselling author, retreat leader, and spiritual director Vinita Hampton Wright offers a four-week personal retreat that immerses you in the dramatic lives, historical eras, and groundbreaking ideas of these formidable saints and invites you to develop the grit, humility, pragmatism, hope, joy, and vision these women possessed. Each week of your retreat begins with weekend reading and prayer to introduce the saint and the primary topic of the chapter, followed by five days of morning and evening prayer. Much of the text comes from the saint's own writings. Scripture, reflection questions, and suggestions for action are designed to help you engage personally with the saint and her wisdom for living your faith. Each week offers a unique and in-depth experience of the saint and her unique gifts to the Church: Week one: St. Thérèse of Lisieux—the young Carmelite nun whose autobiography sent ripples across Christendom—will teach you to love God through her Little Way. Week two: St. Teresa of Avila—a Carmelite who spent years reforming her order and gave to the world a spiritual masterpiece called *The*

Interior Castle—will instruct you in trusting your personal experience of God. Week three: St. Catherine of Siena—a Third-Order Dominican who poured out her life for people in need but also gave astute, sharp direction to Church leaders—will guide you to live every moment with courage through the love of truth. Week four: St. Hildegard of Bingen—a Benedictine abbess whose spiritual visions led to books, poetry, music, art, and early scientific discovery—will show you how to engage life with passion and creativity. Each woman’s experience of God, understanding of spirituality, and timeless wisdom gained her the title Doctor of the Church, which indicates that through her life, research, study, and writing, she has deepened and advanced the faith.

When God Came My Way Dave Zimmerman, 2022-07-20 The origin of this book covers my personal experiences that would alter my life. Kind of before and after scenario. A few months after my thirtieth birthday, a busy day of sales calls, I arrived home, exhausted. Well, maybe exhausted would not be good way to describe what I felt. I felt strangely uneasy and fell at ease. Just plain uncomfortable would be the description of my mood that evening. Nothing special had happened at work. It was just strange feeling that came over me. I wasn’t much different the next morning. I still felt out of sorts. I remember saying to myself, “What the heck is going on?” I ate a quick breakfast, got in the car, and started driving to my office. Almost without thinking or paying attention to where I was going, I found myself in the parking lot of the local Catholic church nearby our house. For some strange reason, I felt it was a stop I needed to make. Mass had just ended, so the church was empty, except for a couple of altar boys cleaning up around the altar. Before I realized it, I was in the back pew, on my knees. Over the next several minutes, I poured out my heart to God like I had never done before. An overwhelming sense of remorse seized my emotions. I don’t remember how long I stayed knelt there in the church. When I finally left and got back in my car, with tears welling up in my eyes, I had no idea why or what just happened. I felt totally confused. Since I had never been a particularly religious person, to say the least, the experience seemed even led conceivable and much more puzzling. But it did happen, and it left a mark on me that would last forever. I would never be the same man who had gone into church that morning. That day would mark the beginning of what I realize were God’s gifts pouring out into my life, at least the many I am aware of. I am sure there are many more that I am not conscious of. I would discover sometime late that what I had experienced had been a spiritual conversion—not necessarily a common experience, but not all that rare either. It’s true to say, “When you leave the house in the morning, you never really know how you will return to it.” I know I hardly expected to return seemingly transformed, both personally and spiritually.

Balthasar and Anxiety John R. Cihak, 2011-10-20 This study offers a theological response to the problem of anxiety from the point of view of Hans Urs von Balthasar. It is a systematic presentation, analysis and development of Balthasar's original theology of anxiety found in his only work on the subject, *Der Christ und die Angst*. The study takes a thematic approach

based upon the four types of analysis found in *Der Christ und die Angst*: phenomenological, anthropological, theological and ecclesial. These four approaches to the topic correspond to the phenomenon, origins, redemption and transformation of anxiety. Through this thematic approach, Balthasar's thought is examined in relation to some of the important figures on anxiety. The phenomenon of anxiety is presented in relation to modern psychiatry. The examination of anxiety's origins places him in dialogue with Kierkegaard on anxiety from discursive reasoning and Freud on anxiety from ego-consciousness. The redemption of anxiety places Balthasar in relation to Aquinas in order to clarify Balthasar's interpretation and to show its significance in the theological tradition. The transformation of anxiety places our author in dialogue with Luther on the shape of anxiety in the Christian life. The final chapter begins to unravel the construct of anxiety, with a brief exploration of how it is transformed in the Church according to Balthasar, something he had never explicitly developed. The influence of Bernanos on Balthasar's thought is felt throughout the study. The entire study is framed by the two Gardens wherein transpire the most significant events concerning anxiety for Balthasar: the Garden of Eden and the Garden of Gethsemane.

Aging in Spirit Karen Kaigler-Walker, 2023-03-14 Does God expect women who've lived faithfully most or all our lives to continue to grow in Christ as we age into our later decades? Absolutely! Not only does God want us to keep on maturing, but God provides the path to spiritual growth. God hardwired us to blossom into a new realm of spirituality as we age. Aging in Spirit provides a blueprint for developing the type of greater love, compassion, understanding, and acceptance that Jesus taught as we move into our elder years so we can continue to be the hands and feet of God until the end of our lives.

Smiles of God Felicity Leng, 2004-01-30 Therese of Lisieux was dubbed The Little Flower. Taking this as her theme, Felicity Leng has shown how Therese's flowering as a Saint was a process of hardship, inner conflict and physical and moral endurance. The Little Way (her spiritual message) has become something immensely appealing to people from all walks of life. There is constant demand for books on Therese, yet no book or article on her has shown the various sources of her flower imagery and how she drew on them to shape her unique vision of herself and her never-ending relationship with God, people, the Church and the natural world. The reader is constantly pointed to Therese as a living personality with a mature

creative imagination. Her concept of purpose, redemption, effort, suffering and joy, now and hereafter, is gradually constructed throughout the book.

Can Christianity Cure Obsessive-Compulsive Disorder? Ian Osborn, MD, 2008-04-01 Obsessive-compulsive disorder (OCD) is a relentless condition, the primary symptom being the occurrence of terrifying ideas, images, and urges that jump into a person's mind and return again and again, despite the individual's attempt to remove them. Christians who suffer from OCD may grapple with additional guilt, as the undesired thoughts are frequently of a spiritual nature. Yet people may be surprised to learn that some of the greatest leaders in Christian history also struggled with this malady. What did they experience? How did they cope? Were they able to overcome these tormenting, often violent, obsessions? Where did God fit into the picture? Ian Osborn shares the personal accounts of Martin Luther, John Bunyan, and Saint Thérèse of Lisieux, as well as his own story, in exploring how faith and science work together to address this complex issue.

My Vocation is Love Jean LaFrance, 2012-06-22 Find your way to total trust in God with Saint Thérèse of Lisieux as your guide. St. Benedict and St. Thérèse Dwight Longenecker, 2002 St. Benedict and St. Therese of Lisieux stand as two of the monumental figures in the history of the Western Church. Their impact on Christian thought cannot be overestimated, yet never before have they been viewed as spiritual father and daughter. From his little rule to her little way, these two great saints teach us to find ourselves in the ordinary. The path of holiness lies open for every Christian, for the course leads through the real demands and details of everyday life. As both Benedict and Therese understood so well, the family, the school, the parish, and the workplace are all schools of the Lord's service. By using St. Therese's writings to illustrate St. Benedict's Rule, Dwight Longenecker shows how holiness is always the result of a daily reliance on Gods' grace. - Back cover.

The Smallest Spark John D. Wright, 2015-10-27 Not many teenagers would take interest in the eternal welfare of a convicted murderer. Even fewer would have interest in becoming a nun cut off from the outside world—while still a teenager. And still fewer would be able to discern a meaningful significance to suffering in general. Thérèse Martin did all that and more. She embraced all the suffering she could handle both physically and spiritually, striving to offer all of it so that good could be brought of it until her death at the age of twenty-four. This book attempts to narrate from multiple perspectives the true story of the hidden life of an unknown young woman who, after her death, would come to be known as the Greatest Saint of Modern Times.

Saints of the Roman Calendar: Including Recent Feasts Proper to the English-Speaking World Enzo Lodi, 2017-08-31 The Catholic Church has always placed before the eyes of the faithful the example of holiness set by the saints. In the first Preface of the Mass for Holy Men and Women we read: In their lives on earth you give us an example. In

our communion with them you give us their friendship. In their prayer for the Church you give us strength and protection. Moreover, as the Second Vatican Council put it, every act of love offered by us to those who are in heaven tends to and terminates in Christ, 'the crown of all the saints, ' and through him in God who is wonderful in his saints and is glorified in them. This book, then, should be a welcome addition to the ever increasing number of volumes that treat of the lives of the saints. With the addition of feast days proper to the United States, it is offered to the English-speaking public in the hope that it will foster greater devotion to the saintly men and women who are not only historical figures worthy of our veneration but models worthy of our imitation.

Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian, 2024-06-21 Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation, the Missionaries of Charity Sisters. Not intended for those outside her community, they were written informally and spontaneously, often with little editing. It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order. Seemingly of little interest except for those to whom they were addressed, the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints, as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century. At the same time, and perhaps surprisingly, these letters may also prove to be worthwhile reading for a wider audience. Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels, giving the reader light and help even though he or she is not living the same religious life as one of the Sisters. Mother Teresa's unpolished statements are at times humble and at times humbling. They inspire confidence and encourage generosity. Many a time they are humorous but more often challenging. They are sprinkled with serene joy but also permeated with deep pain. She delighted in her Sisters' accomplishments yet did not shy away from correcting even the smallest flaw, which didn't escape her very observant eye. Sometimes she sounded just like a mother, full of tender loving care, and at other times more like a commander in chief, exhibiting an iron will and uncompromising determination. In either case, her followers seemed to have been drawn into the mystery of her charism, endeavoring to keep pace with her. Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor, or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation? Or was it both? The letters will reveal the answer! Inspiring in their simplicity, the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate. The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs. In the context of Mother Teresa's statement that we are created for greater things, to love and to be loved', these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life. They will inspire us to put our love into living action, sharing His love with all

those we meet, and so make our lives something beautiful for God.

The Crown of Sanctity Daniel O'Connor, 2019-03-04 2,000 years ago, the Son of God prayed to His Father, "Thy Will be done on Earth as it is in Heaven." This prayer, the greatest ever uttered by the lips of man, will not go unanswered. Jesus has revealed to an Italian mystic named Luisa that the time has now at last arrived for its fulfillment; that is, for the restoration of what was destroyed by Adam 6,000 years ago in the Fall of Man. In brief: the entire world is about to be radically transformed like never before in its history. This is probably something you should know about. This book has been written to inform you about the transformation and to enable you to take part in it and hasten it. But this transformation will not be achieved through human effort. It will be given directly from Heaven by way of God's greatest Gift: the Gift of Living in the Divine Will, which is the Crown of Sanctity, and which even now we must all strive to receive. In this sanctity is found The Culmination of Deification, the Fruitfulness of Mystical Marriage, the Aspiration of the Unification of Wills, and the Essence of Marian Consecration. This is none other than the Triumph of the Immaculate Heart of Mary promised at Fatima. It is the coming of the Kingdom of God. This is a long book, but its length should turn away no one, as a thorough and detailed table of contents is given so that each reader can easily select only those sections in which he is interested for his perusal. And any reader is sure to find much that interests him. Within these pages is a treasury of resources; not only concerning Luisa's revelations directly, but also on new arguments for God's existence and the truth of Christianity, extensive Catechesis on Private Revelation in general and on the spiritual life in general (including overviews of the greatest teachings on spirituality in the history of the Church), and details on the Era of Peace as revealed to Luisa and many other mystics, visionaries, and seers (Fatima, Medjugorje, Venerable Conchita, Fr. Gobbi, and dozens more). You will not regret reading this book. This is our great hope and our petition: Your Kingdom come - a kingdom of peace, justice, and serenity, that will re-establish the original harmony of creation. - Pope St. John Paul II
