Zachary Alan Starr

Seven Rules for Breaking Hearts Kristyn J. Miller, 2023-05-16 A fresh take on modern romance. - Lauren Blakely, #1 New York Times bestselling author Love breaks all the rules. Margo Anderson is sworn off commitment. Alongside her best friend Jo, she runs a viral podcast featuring rules for hooking up without catching feelings. So when Jo surprises her by deciding to get married and takes up a sponsor's offer to host an all-expenses-paid wedding trip on Catalina Island, they have the whole internet to answer to. In a scramble for content to appease their disappointed listeners, Margo cooks up a social experiment: break all her own dating rules, just to prove that it's a bad idea. And she's found the best man for the job in the groom's best friend and her old high school nemesis, Declan Walsh. He may be easier on the eyes than Margo remembered, but he's sure to be as smug and annoying as he was before. There is no chance Margo will ever catch feelings for him...until she does. The more time they spend together through cake tastings and wedding party activities, Margo can't ignore their obvious spark, and she may actually be enjoying getting to know Declan. But can she let go of the rules to let him in?

Given Our History Kristyn J. Miller, 2024-08-29 In this sparkling romance, two professors with a complicated past get a second chance to prove history won't repeat itself. Assistant professor Clara Fernsby is nothing if not driven. She's wanted to teach history since she was fourteen, and she hasn't let anything stand in her way-not even the love of her life. And it all paid off in the end, because she landed a well-paid position at a private liberal arts college fresh out of grad school, and this year, she's finally up for tenure. When Theodore Harrison is brought on for the fall semester as a visiting scholar, it's an unexpected blast from Clara's past. She hasn't spoken to Teddy since rejecting him over a phone call ten years ago. Now that he's here, she's reminded of their time together at every turn: autumns spent at a sleepaway camp in the Blue Ridge Mountains, trading battered history books and burned CDs with the quiet, dark-haired boy she once fell in love with. That boy might've been her best friend, but the man teaching HIST-322 is a total stranger-or so she thinks. As they spend evenings working on a shared project and brainstorming over drinks at a college bar, Clara realizes she's at risk of falling all over again. Given their history, she knows there's every chance he's not interested. But history's all down to interpretation, and this time around, she's got no intentions of repeating it.

How to Break the Seven Rules of Women Who Stay Fat Julie North Schwarz, Kenneth Schwarz Ph.D., 2016-10-04 As you begin to break the old, strict, binding rules, you will be effectively brushing aside big obstacles you've had to fight against in

the past. You will be clearing the way. As you break the old rules, you make space for new rules, rules that work for you instead of against you. If you don't need to fight against yourself every step of the way, weight loss becomes possible, inevitable, and even a joy.

7 Rules of Power Jeffrey Pfeffer, 2022-06-07 If you want to change lives, change organizations, change the world, the Stanford business school's motto, you need power. Is power the last dirty secret or the secret to success? Both. While power carries some negative connotations, power is a tool that can be used for good or evil. Don't blame the tool for how some people used it. If fully understood and harnessed effectively, power skills and understanding become the keys to increasing salaries, job satisfaction, career advancement, organizational change, and, happiness. In *7 Rules of Power*, Jeffrey Pfeffer, professor of organizational behavior at the Stanford University Graduate School of Business, provides the insights that have made both his online and on-campus classes incredibly popular—with life-changing results often achieved in 8 or 10 weeks. Rooted firmly in social science research, Pfeffer's 7 rules provide a manual for increasing your ability to get things done, including increasing the positive effects of your job performance. The 7 rules are: 1) Get out of your own way. 2) Break the rules. 3) Show up in powerful fashion. 4) Create a powerful brand. 5) Network relentlessly. 6) Use your power. 7) Understand that once you have acquired power, what you did to get it will be forgiven, forgotten, or both. With *7 Rules of Power*, you'll learn, through both numerous examples as well as research evidence, how to accomplish change in your organization, your life, the lives of others, and the world.

7 Rules of Achievement Tom Terwilliger, 2010-03-01 “Terwilliger’s latest personal growth and development system . . . will help you program for success the most important piece of equipment you own—your brain!” (Flex Magazine). “Tell me your goal and I will tell you WHY you are likely NOT to achieve it! The way in which you have pursued goals in the past has very likely created the exact opposite blueprint of the one needed to achieve what you want. Those negative blueprints may be exactly what are keeping you from living your dreams.” With these words, motivational speaker and author Tom Terwilliger lays out his success philosophy and challenges you to fulfill your long-held desires.⁹ *7 Rules of Achievement* is a life-changing book that will help you finally create the new and empowering architecture needed to achieve whatever you want—including abundant wealth, a joyful and fulfilling relationship, a sexy, strong and healthy body, and the ability to lead and inspire. Even before completing the seven rules, you will immediately begin to feel unstuck and compelled to start moving towards even your most ambitious dreams. “Terwilliger’s love for people and his desire to help them succeed is evident throughout the book along with the rules needed to do it.” —T. The Undivided Heart Zachary Alan Starr, 2025-07-31 *The Undivided Heart* presents a history of legal and moral thought in Jewish civilization from the earliest times until 200 CE. It discusses Israelite wisdom literature, biblical law collections, the prophets, works of the Hellenic Jewish Diaspora, the apocrypha, apocalypses, the Dead Sea Scrolls, and the Mishnah, and it compares the moral teaching of the Pharisees/tannaim, the Essenes, and Jesus of Nazareth. Among the book’s important insights is that ancient Israel experienced a fundamental moral change, from people esteeming qualities and conduct having competitive value to people esteeming qualities and conduct having cooperative value. These newly esteemed qualities and conduct were, moreover, not originally justified as being commanded by God but as promoting the nation’s well-being. Another important insight concerns Jeremiah’s belief that human beings would not be righteous until given a “single heart.” Although Jeremiah is typically understood as envisioning the end of free will, this book argues that Jeremiah was actually envisioning the integration of human desires and emotions, and that a “single heart” is better translated as an “undivided heart.” The notion of an undivided and a divided heart was used throughout the Second Temple period to explain, respectively, moral rectitude and moral failure.

Sette regole per spezzare un cuore Kristyn J. Miller, 2024-07-30T00:00:00+02:00 *La commedia romantica perfetta per l'estate.* Margo Anderson ha giurato solennemente di stare lontana da ogni tipo di rapporto. Per questo, insieme alla sua amica Jo, gestisce un podcast di successo per offrire consigli su come divertirsi senza legami. Quando Jo decide di sposarsi e accettare un matrimonio sponsorizzato a Santa Catalina, scatenando l’ira delle loro ascoltatrici, Margo si trova costretta ad

avviare un esperimento sociale per dimostrare che non seguire le regole sugli appuntamenti è una pessima idea, coinvolgendo nel piano Declan Walsh, il testimone dello sposo di Jo e suo ex rivale al liceo. Nonostante l'iniziale antipatia, più Margo trascorre del tempo con Declan ad organizzare le nozze, e più si rende conto di provare sentimenti sinceri per il ragazzo che non è più lo stesso di anni prima. Sarà disposta a rinunciare alle sue sette regole per lui?

The God-Shaped Heart Timothy R. MD Jennings,2017-09-05 The key to spiritual and emotional health is to grasp the truth of God's transforming love for us and then let that reality influence our own hearts and relationships. It seems simple, but we are experts at complicating simple things. Instead of living lives characterized by love we find ourselves trapped in cycles of shame, violence, and addiction that steal our joy and keep us from loving others--so much so that, by all indications, Christians are living no differently than anyone else when it comes to abuse rates, use of pornography, alcohol and drug addiction, and more. Christian psychiatrist Dr. Timothy Jennings wants to release us from this prison. With powerful illustrations from case studies and from Scripture, Jennings shows believers who are stuck in addiction, violence, fear, and broken relationships how to experience true freedom through God's transforming love to experience greater health, fulfillment, and well-being.
