**Somebody Owes Me Money** Donald E. Westlake, 2011-10-30 Sometimes winning feels an awful lot like losing in this “comic caper” about a New York City cabbie whose outrageous mishaps “keep us smiling along in the backseat” (Booklist) Cab driver Chet Conway was hoping for a good tip from his latest fare, the sort he could spend. But what he got was a tip on a horse race . . . which might have turned out okay, except that when he went to collect his winnings Chet found his bookie lying dead on the living room floor. Chet knows he had nothing to do with it—but just try explaining that to the cops, to the two rival criminal gangs who each think Chet’s working for the other, and to the dead man’s beautiful sister, who has flown in from Las Vegas to avenge her brother’s murder . . .

**Don't Ask** Donald E. Westlake, 1993-04 Dortmund has a job offer. He's been hired by third parties to pull off heists in the past, but never to lay his hands on anything this peculiar. Frankly, it's a bone. Not just any bone. A femur. Well, not just any femur, either. A femur which, 800 years ago, was part of a 16-year-old girl who, having been killed and eaten by her own family, was made a saint by the Church. The femur, her only relic, is all that's left. Now two small eastern European countries - Tsergovia and Votskojek - are fighting like dogs over...well, the bone. There's only room for one of them in the United Nations General Assembly, and the choice is in the hands of a powerful Catholic prelate. The country that tosses him the bone is sure to be in like Flynn. Dortmund's first reaction to the Tsergovian ambassador's offer is to ask for more front money. His second is to round up his gang - light-fingered Kelp, master driver Murch, and man-mountain Tiny Bulcher - and case the Votskojekian mission, a former tramp steamer parked in the East River. The current repository of the bone, it will be the target of a heist carried out by land and sea, with the team displaying the finesse and split-second timing for which they're famous. It should only be that easy. Before the gang can say Saint Ferghana's knee, they've got a major fiasco on their hands, one that will reach from the snow-capped mountains of Votskojek to a billionaire's art-crammed estate in New Hampshire. But it will show, once and for all, that when it comes to getting revenge, Dortmund can cut to the bone.

Eighteen months later and still unemployed, he puts a new spin on his job search -- with agonizing care, Devore finds the seven men in the surrounding area who could take the job that rightfully should be his, and systematically kills them. Transforming himself from mild-mannered middle manager to ruthless murderer, he discovers skills he never knew he had -- and that come to him far too easily.
