Zodiac and the Salts of Salvation George W. Carey, Inez Eudora Perry, 2013-10 This is a new release of the original 1932 edition.

The Zodiac and the Salts of Salvation: Both Parts - Complete and Unabridged George W. Carey, Inez Eudora Perry, 1932 This classic manual explains the connections between astrology, alchemy and the appearance of salts in the body's cells. George Carey and Inez Eudora Perry offer illuminating insights into the history and milestones of astrology in the context of cellular chemistry. Thousands of years ago, the writings of Ancient Greek scholars such as Hippocrates marked the early appearance of astrology in the context of examining the body's composition. The use of this knowledge advanced over centuries, with examples of this evolution in understanding given through the book's chapters. This book consists of two volumes, which are united in this edition. The first volume consists of short summarizing examinations of the various zodiac signs, explaining their significance. The second volume embarks on detailing the links between the astrological signs and the chemical compositions of the bodily salts. A series of analytical discussions of these syntheses is given, that the reader may fully comprehend their intricacy and depth.

The Zodiac and the Salts of Salvation George W. Carey, 2018-07-25 Abridged edition. After digesting the material presented by Carey and Perry, readers will have a new understanding of basic homeopathic principles, as well as being able to tie various homeopathic remedies to the sun signs. Once this is understood, it is reasonable that the position of the Moon and ascendant in the natal chart and even the position of Saturn may well be indicators of homeopathic remedies that are needed by the physical body. For example, when an Aries is too quick to anger, perhaps a regular dose of kali phosphate may even out the temper. Or when Virgo is beginning to feel digestive problems, kali sulphate may help balance out the minerals in the body. Nothing beats going to the doctor when needing a diagnosis; however, knowing the basics of homeopathy can also be likened to keeping a first aid kit in the house.

The Zodiac and the Salts of Salvation George W. Carey, Inez E. Perry, 2021-06-28 *The Zodiac and the Salts of Salvation* explores the use of certain minerals called cell-salts to cure disease and how one's Zodiac sign impacts their cell-salt deficiencies.

Washington Carey (1845-1924) was an American physician known for a number of 1910s 'Chemistry of Life' publications, a subject which he referred to as biochemistry, particularly his 1919 *The Chemistry of Human Life*. Carey combined a mixture of religion, astrology, physiology, anatomy, and chemistry, themed particularly with a mineral-based theory of human disease, to develop his theories. Carey is popular among the new-age and homeopathic circles. In the context of a person viewed as a human molecule, Carey was the first to state that a person's body is a chemical formula in operation. This title is divided into two parts. Part 1 is entitled the Relation of the Mineral Salts of the Body to the Signs of the Zodiac, while Part 2 is an Esoteric Analysis and Synthesis of the Zodiacal Signs and their Physiochemical Allocations. With the renewed interest in homeopathy, increased study of astrology and the entrance of the Aquarian Age, this book has gained more importance. It is an attempt to answer all the questions regarding the cell salts. Part 1 is a brief and concise outline of the 12 signs of the zodiac, their symbolism and the salts to be used to overcome any disease. Part 2 enlarges on Part 1 by discussing the physiochemical analysis, symbolism and actual use of each mineral salt.

The Zodiac and the Salts of Salvation George W. Carey, Inez Eudora Perry, 2023-11-27 In 'The Zodiac and the Salts of Salvation', George W. The works included navigate the complex tapestry of ancient wisdom and modern scientific inquiry, providing an unparalleled comprehensive guide to understanding the body's mineral needs according to the zodiac signs. The contributing authors, Carey and Perry, bring together a rich background of esoteric astrology and naturopathy, positioning this anthology at the confluence of historical, cultural, and literary movements that champion a holistic approach to health. Their collective expertise and pioneering research offer readers a profound insight into the correlation between celestial influences and physical well-being, encapsulating a groundbreaking philosophy that has influenced alternative medicine and astrological studies. Relation of the Mineral Salts of the Body to the Signs of the Zodiac George W. Carey,2021-03-24 Dr. George Washington Carey's 1932 work Relation of the Mineral Salts of the Body to the Signs of the Zodiac unites homeopathy and astrology to explain both the causes and cures of human disease. Dr. Carey's unique blend of chemistry, physiology, religion, and astrology has made him a popular writer in homeopathic circles since the early 20th century. Dr. Carey's work was greatly influenced by the experiments of another contemporary doctor, Wilhelm Heinrich Schüßler. Dr. Schüßler was the first to identify the twelve cell-salts, which Dr. Carey expounds on further in Relation of Mineral Salts. Dr. Carey is perhaps best known for his Chemistry of Life publications, released in the 1910s. These works are still popular in New Age circles. In The Chemistry of Human Life (1919), Dr. Carey originated the idea that the human body is a chemical formula in operation, and without each chemical in the correct amount, the formula will no longer create the desired effect - a healthy and vibrant person. Relation of the Mineral Salts of the Body to the Signs of the Zodiac expands on this idea and ties these chemical needs to the Zodiac. Published posthumously in 1932, this work was co-written with Inez E. Perry. Dr. Carey collaborated with Ms. Perry several times before his death in 1924. Relation is Dr. Carey's contribution to a larger two-part work titled The Zodiac and the Salts of Salvation. In this short volume, Dr. Carey explains that all maladies are due to a deficiency in some necessary chemical, or cell-salt. Just as the cure for a shadow is to introduce light, the cure for maladies of the human body is to introduce some vital element for the nourishing of our blood and organs. But which cell-salts are we deficient in? That may well depend on the position of the sun at our birth - or our Zodiac signs. Dr. Carey describes the 12 signs of the Zodiac, including their characteristics and the cell-salts that he recommends to cure the diseases of each. For example, those born between June 21st and July 22nd under the sign of Cancer exhibit tenacity...in holding onto home or dwelling place. This is represented by the crab, who has both a tight grip and carries its house along wherever it goes in order that it may be sure of a dwelling. Dr. Carey identifies the salt fluoride of lime (or calcium fluoride) as the most important salt for the Cancer. When it is deficient, tissue fiber loses its elasticity. Symptoms of this relaxation can include varicose veins and interestingly, a groundless fear of financial ruin. There are Biblical connections explored as well. Dr. Carey associates both the twelve apostles and the twelve sons of Jacob and their respective tribes to an astrological sign. Jacob's tenth Zebulum, or Zebulun in many modern translations, represents Cancer. His name even translates to dwelling in Hebrew. Dr. Carey was not the first to

make the connection between the twelve sons of Jacob, twelve apostles of Christ, and the Zodiac. In fact, Rev. Robert Taylor may have been the first to make this connection in the mid-19th century in a series of controversial sermons. His ideas were so contentious that he was banned from preaching in the United Kingdom. The second part of the work, written by frequent collaborator Inez E. Perry, is titled *Esoteric Analysis and Synthesis of the Zodiacal Signs and their Physiochemical Allocations*. This volume expands on *Relation of Mineral Salts* and provides guidance for the use of each mineral to cure disease and reach a more enlightened spiritual state.

The Zodiac and the Salts of Salvation George Washington,George Washington Carey,Inez Eudora Perry,1989 After digesting the material presented by Carey and Perry, readers will have a new understanding of basic homeopathic principles, as well as being able to tie various homeopathic remedies to the sun signs. Once this is understood, it is reasonable that the position of the Moon and ascendant in the natal chart and even the position of Saturn may well be indicators of homeopathic remedies that are needed by the physical body. For example, when an Aries is too quick to anger, perhaps a regular dose of kali phosphate may even out the temper. Or when Virgo is beginning to feel digestive problems, kali sulphate may help balance out the minerals in the body. Nothing beats going to the doctor when needing a diagnosis/ however, knowing the basics of homeopathy can also be likened to keeping a first aid kit in the house. In Part I, Dr. Carey relates the parts of the body to the biochemical cell salts (homeopathic remedies) that were espoused by Dr. Schuessler. Part II, by Inez Perry, enlarges upon the symbolism of the sun types and the basics about the homeopathic remedies. She discusses the twelve sign types in relation to Biblical symbolism, and also combines information from the Kabbalah, masonic texts, eastern and western philosophy, to trace the spiritual symbolism of the signs. She then shows how the twelve basic biochemical remedies work with the sign types. According to Carey and Perry, astrology deals with the body (anatomy) of the Grand Man (the universe), and by analogy, with the human body as it relates to astrological symbolism. The authors bring back to contemporary astrology students the ancient symbolism that was once common knowledge to astrologers.
