Intersectionality and Leading Social Change in Education Aubrey H. Wang,Margaret Grogan,2024-07-02 This book explores a social change and transformational approach to leadership. As educational leaders are increasingly serving a changing demographic of students and also address persistent challenges and heightened tension around race and equity, it is becoming necessary for educators to approach leadership in new and radical ways. Designed for aspiring and current leaders, this book highlights stories of courageous educational leaders with intersectional identities who interrogate and reflect on how their intersectionality shaped their leadership. In turn, these stories help readers explore how lived experiences and deeply held values can shape and inform their own leadership. Chapters conclude with a reader's guide, prompting reflection upon the nuances of each leader's journey, and thus, facilitating the discourse of marginalized experiences in educational leadership. This new approach to professional learning helps today's aspiring principals, aspiring superintendents, and practicing administrators learn how intersectional leadership can help them navigate multiple marginalized spaces and codify new notions of power and success. This volume generates a collection of compelling counter narratives that the field needs to hear.

Unfit to Fight Amber Smith, 2024-04-30 Our Woke Military Could Lose the Next War Wokeness used to be an annoying distraction in the U.S. military. Now it is a major threat to national security. Faster than most of us thought possible, our military has become a woke, dysfunctional bureaucracy focused not on winning wars but on identity politics, gender ideology, climate change, and other favored causes of the leftist elite. Don't think that China isn't watching. Don't think that Russia, Iran, and North Korea haven't noticed. But so has Amber Smith, a former U.S. Army combat helicopter pilot and Deputy Assistant to the Secretary of Defense. In her riveting new book, *Unfit to Fight*, she sounds the alarm that our military and our nation are at grave risk. In *Unfit to Fight*, you'll learn: Why the military should not "reflect American society," but be a select group of lethal professionals How the Pentagon rewards lowered standards for the sake of "diversity" Why failure often leads to promotion—if you have the right friends Why a return to combat merit, battlefield mission, and trust in leadership are essential—or we will lose our next war Elections, as they say, have consequences, and catastrophic damage to national security is among the most important. Amber Smith's *Unfit to Fight* needs to be in the hands of everyone who cares about our military and our survival as a nation.

Becoming A Real Father Eddy Leo, Hendra Zefanya, 2025-04-23 Why then do so many fathers fail to live out their role as fathers to the fullest? I believe, as Edwin Louis Cole said, that the main factor is because men are not growing into maturity — and the reason men are not maturing is due to the lack of discipleship within the local church. For this reason, it is the task of church pastors to disciple men, and it is the task of men to disciple their families. This material is a 30 day devotional, designed as a follow-up to Module 2 Men's Discipleship. After participants attend Camp Module 2: Becoming a Real Father, they are to go through this material together with their Havruta-Micro Cell group to dive deeper and apply the principles of fatherhood within their families.

Here Be Dragons Melanie Shankle, 2025-02-18 NEW YORK TIMES BESTSELLER • From the author of *Nobody's Cuter than You* comes a poignant, deeply personal story about trusting God to heal generational wounds so you can be a strong, loving presence for your teenage daughter. In medieval times, uncharted waters were marked on maps as Here Be Dragons to signify that no one knew what dangers might lie ahead. Melanie Shankle quips that the years spent raising our teenage daughters could be labeled the same due to the uncertainties before us. Like a lot of moms, Melanie found herself in need of a parenting map when her teenage daughter, Caroline, entered her sophomore year of high school where she encountered relentless mean girls and brutal heartache. While trying to equip her daughter to deal with the toxic social dynamics of high school, Melanie was hit with a cruel realization: The shame, criticism, and verbal abuse she had endured throughout her own life was wrought by one particular mean girl—her own mother. Melanie hoped to raise her daughter to be a warrior, and she realized she couldn't do that unless she became healthy enough to fight her own dragons. She invites you into her story as she explores her complex family dynamics, discovering what it takes for any of us to survive and ultimately thrive in spite of wounds that remain. This was the beginning of her journey of trusting God to help break generational cycles that had told the women in her family to find their value in everything but His love. Filled with personal stories and written in the same

whimsical and honest style Melanie is known for, *Here Be Dragons* will have you both laughing out loud and crying—sometimes on the same page—as you confront the challenges of raising your own strong, independent daughter while fighting dragons along the way.
