Awaken (The Abandon Trilogy, Book 3) Meg Cabot, 2013-07-02 From #1 New York Times bestselling author Meg Cabot, the dark reimagining of the Persephone myth comes to a thrilling conclusion. Death has her in his clutches. She doesn't want him to let go. Seventeen-year-old Pierce Oliviera knew by accepting the love of John Hayden, she'd be forced to live forever in the one place she's always dreaded most: the Underworld. The sacrifice seemed worth it, though, because it meant she could be with the boy she loves. But now her happiness -- and safety -- are threatened, all because the Furies have discovered that John has broken one of their strictest rules: He revived a human soul. If the balance between life and death isn't fixed, both the Underworld and Pierce's home back on earth will be wiped away. But there's only one way to restore order. Someone has to die.

Colette Iselin is thrilled to be there for the first time, on her spring break class trip. But a series of gruesome murders are taking place around the city, putting everyone on edge. And as she tours the sights, Colette keeps seeing a strange vision: a pale woman in a ball gown and powdered wig, who looks like Marie Antoinette. Colette knows her status-obsessed friends won't believe her, so she seeks out the help of a charming French boy. Together, they discover that the murder victims are all descendants of people who ultimately brought about Marie Antoinette's beheading. The queen's ghost has been awakened, and now she's wreaking her bloodthirsty revenge. And Colette may just be one of those descendants . . . which means she might not make it out of this trip alive. Acclaimed author Katie Alender brings heart-stopping suspense to this story of betrayal, glamour, mystery, history--and one killer queen.

Teens Have Style! Sharon Snow, Yvonne Reed, 2013-03-18 Authors Sharon Snow and Yvonne Reed present fashion as a way to offer a fun and interesting program for teens in the library—and not just for girls. Today's fashion-savvy teenaged guys are just as likely to be eager participants. *Teens Have Style!*: Fashion Programs for Young Adults at the Library provides an easy-to-follow template for creating popular programs within the public or school library setting that will capture the attention of most teenaged girls. In *Teens Have Style!*, librarians will find programs they can adapt to their individual style or specific age range of their younger patrons, such as getting ready for the prom, making jewelry, decorating sneakers, creating a green outfit from recycled materials, and many more. All of the ideas are flexible and can be matched to other educational programs or to fit the library's needs, regardless of its size. For example, school librarians can partner with art teachers to orchestrate a Fashion as Art program, which challenges students to identify a painting that they like and then to create an outfit that reflects the style and feel of that work of art.
