Leading Your Way Marty Kaplan,2009-02 Do it my way, do it this way, and you will be successful, insist countless business books. Marty Kaplan, a business veteran who climbed from the lowest rung of the leadership ladder to a top-level position at one of America's largest companies, respectfully disagrees. Drawing on the author's extensive leadership experience, the work of behavioral theorists, and historical analogy, Leading Your Way argues that to be truly successful as a leader, you must first embrace your uniqueness. Trying to follow another's formula or model will only compromise your potential. Real leadership comes from who you are, what you do, and how you do it. Packed with thought-provoking questions designed to help you understand and leverage your own uniqueness, Leading Your Way boldly tackles both leadership fundamentals and sensitive topics rarely discussed in business literature today: Should you really be a leader in the first place? Why do some talented, capable leaders feel like imposters always on the verge of being unmasked? How can we lead up? This book's practical answers and real-life wisdom will inspire you. Are you ready to be the best leader you can be?

A Pentecostal Commentary on Romans Glen Menzies, 2025-05-20 Over the past 125 years, of the branches of the Christian family the Pentecostal/Charismatic/Neoevangelical branch has seen the greatest growth, increasing from essentially nothing to about 650 million people. This constitutes more than one-quarter of the world's Christian population. Despite its dynamic growth, this segment has been badly underserved in biblical resources. A Pentecostal Commentary on Romans is presented within this context of need. However, it should also be of use to those from other traditions. Written by a life-long Pentecostal, this commentary is a careful study of Paul's epistle to the Romans with an eye to the many theological controversies in which Romans has figured prominently over the centuries. It features a fresh translation of Romans from the Greek text, and, in addition to traditional verse-by-verse commentary, twenty excursuses that wrestle with important theological and interpretive topics. Considerable attention is given to the Greco-Roman setting in which the book was written as well as its role in Paul's ongoing struggle to keep Jewish Christianity and gentile Christianity united. Romans may be Paul's most theological epistle, but it was written with a deep pastoral purpose. Accordingly, it is generally acclaimed as the apostle's greatest letter.

Language, Meaning, and Use in Indian Philosophy Malcolm Keating, 2019-05-16 This introduction brings to life the main themes in Indian philosophy of language by using an accessible translation of an Indian classical text to provide an entry into the world of Indian linguistic theories. Malcolm Keating draws on Mukula's Fundamentals of the Communicative Function to show the ability of language to convey a wide range of meanings and introduce ideas about testimony, pragmatics, and religious implications. Along with a complete translation of this foundational text, Keating also provides: - Clear explanations of themes such as reference, figuration and sentence meaning - Commentary illuminating connections

between Mukula and contemporary philosophy - Romanized text of the Sanskrit - A glossary of terms and annotated bibliography - A chronology of important figures and dates By complementing a historically-informed introduction with a focused study of an influential primary text, Keating responds to the need for a reliable guide to better understand theories of language and related issues in Indian philosophy.

Teachings of the Buddha Rulu, 2012-01-20 The sixteen sutras in this book are English translations of texts selected from the Chinese Buddhist Canon. Thirteen of them have never before been published in book form. The translators introduction to Buddhist doctrine provides an organized background for readers at all levels to better understand and appreciate the teachings in these sutras, which cover a wide range of interesting topics. For example, in Sutra 1, the Buddha teaches karmic requitals and how one can avoid or mitigate unfortunate requitals. In Sutra 6, He predicts that long after His Dharma has perished, the next Buddha, Maitreya, will bring the Dharma back to this world. In Sutra 13, the Buddha reveals the mystery of consciousness, giving a detailed description of ones rebirth according to karmic force. In Sutra 14, He declares the eternity of nirvana and ones Buddha nature. In Sutra 16, He affirms that ones great compassion for all sentient beings will quickly lead one to Buddhahood. These English translations are easy to read, and Buddhist terms are explained in the glossary. One can read this book for pleasure, or study it for spiritual development. One can also recite the sutras, prayers, and mantras as a spiritual practice. Students in Buddhist Studies certainly can use this book to support and enhance their

learning.

Discourses on Bodhicharyavatara His Holiness the XIVth Dalai Lama,2017-01-01 Bodhicharyāvatāra, composed in the 8th century A.D. by the Indian scholar Śāntideva, is one of the most celebrated texts of Mahāyāna Buddhism. Its Tibetan translation is included in the Tengyur. Āchārya Śāntideva himself was a bodhisattva and a realized tantric adept and his writings have a universal, timeless appeal. Many ancient scholars wrote Sanskrit commentaries on Bodhicharyāvatāra, prominent among them being Vibhutichandra, Krishnapāda, Kamalāsila, Vairochan and Prajñākaramati. Besides its Tibetan translation by such masters as Sarvajnadeva, Dharmasribhadra and Sumatikirti, this great classic was also translated into Chinese, French, German, English and Italian languages. The present work is an English translation of His Holiness the Dalai Lama's discourses on Bodhicharyāvatāra given to the Himalayan devotees from Lahaul, Spiti, Kinnaur and the Tibetan residents at Kullu-Manali, Himachal Pradesh in 1981. His Holiness himself has received this teaching from the great Himalayan master Khunu Lama Tenzin Gyaltzen of Kinnaur.
