The Quotable Stoner Holden Blunts, 2011-06-18 I love my FedEx guy 'cause he's a drug dealer and he don't even know it . . . and he's always on time. --Mitch Hedberg Talking about weed? It never gets old. There's just a whole lot to be said. And in this book, you'll find more than a thousand hilarious, half-baked quotes about marijuana and its (medicinal, calming, overall awesome) influence on movies, people, politics, and pop culture from well-known stoners like Tommy Chong to closet

inhalers like Jennifer Aniston. Within these papers (er, pages), you'll be treated to tasty nuggets of wisdom from Jay Leno (Forty million Americans smoke marijuana and the only ones who didn't like it were Judge Ginsburg, Clarence Thomas, and Bill Clinton.) to Bob Marley (When you smoke the herb, it reveals you to yourself.) and every pothead in between. As you roll through these words of wisdom, picking up new knowledge to drop on your friends, you'll wish you thought of these killer buds first. So gather around the bong, grab some snacks to share, and burn through this collection of essential pothead wisdom.

Killer Weed Susan C. Boyd, Connie Carter, 2014-02-05 Since the late 1990s, marijuana grow operations have been identified by media and others as a new and dangerous criminal activity of “epidemic” proportions. With Killer Weed, Susan C. Boyd and Connie Carter use their analysis of fifteen years of newspaper coverage to show how consensus about the dangerous people and practices associated with marijuana cultivation was created and disseminated by numerous spokespeople including police, RCMP, and the media in Canada. The authors focus on the context of media reports in Canada to show how claims about marijuana cultivation have intensified the perception that this activity poses “significant” dangers to public safety and thus is an appropriate target for Canada’s war on drugs. Boyd and Carter carefully show how the media draw on the same spokespeople to tell the same story again and again, and how a limited number of messages has led to an expanding anti-drug campaign that uses not only police, but BC Hydro and local municipalities to crack down on drug production. Going beyond the newspapers, Killer Weed examines how legal, political, and civil initiatives that have emerged from the media narrative have troubling consequences for a shrinking Canadian civil society.

I write short stories, slogans, saying, philosophy, songs, and comedy, restore paintings and comic books, and I can invent almost anything technical. I jog and it seems like I don't age; do to mixing a Dr Jackal and Mr. Hide type concoction when I was 20 years old. My parents are Joseph and Dorothy Bonkowski. I wrote The secrets of mind reading revealed (Howell Press), and Casablanca 2 (Unpublished), the Theory of Relativity 2, which expands on Einstein's Theory of Relativity (Only 200 copies printed.) My future plans are to keep on writing, and start a career in comedy. I still have thousands of unpublished quotes and saying, and if this book sells well I will write a second book lord willing.

Quotes for the Mentality Notes for the Reality Antonia Harris, 2024-08-23 This book is written in a logical and philosophical form. This book includes mixed-up situations with a little twist, and it is off the hook. Before you begin, here are some questions that you can ask yourself: Has anyone ever done you dirty, or have you ever done someone dirty? Have you ever been hurt by someone, or have you ever hurt someone? Has anyone ever made you cry, or have you made someone cry?

Have you ever been in a deep thought from a cause, then had to pause? Have you ever wondered why, then had to sigh? Have you ever tried, then had to say goodbye? My point is to let readers know that there are many situations that can happen in different ways, and I am breaking it down on different kinds of levels. My moral is to let leaders know that there are plenty of preparations that can happen in all significant prays, and I'm creating it found on the significant finds of specials. The ideal is to read one quote a day. The reveal is to lead one note a pray.

I Did Not Know Brian Keith,2024-12-31 Drugs have played a leading role on the crime and violence. Due to drug abuse, our country is now rated on the list for most violent country in the world. Some cities in the country are on the high rated list, as well. From youth to adult hood, drugs have played its role. It is like a movie full of actors whose role is to harm one another. But this is no movie. This is real deal stuff here. But God, who is rich in mercy sent forth a plan to the earth on stop the violence. We all know crime and violence won't cease tomorrow, but we are to work as if it can happen today. The more people who are at work, the better the chance of making a difference.

The Routledge Handbook of Post-Prohibition Cannabis Research Dominic Corva,Joshua Meisel,2021-09-06 The place of cannabis in global drug prohibition is in crisis, opening up new directions for socially engaged cannabis research. The Routledge Handbook of Post-Prohibition Cannabis Research invites readers to explore new landscapes of cannabis research under conditions of legalization with, not after, prohibition: post-prohibition. The chapters are organized into five multidisciplinary sections: Governance, Public Health, Markets and Society, Ecology and the Environment, and Culture and Social Change. Case studies from the United States, Uruguay, Morocco, and the United Kingdom show readers alternative ways of thinking about human-cannabis relationships that move beyond questions of legality and illegality. Representing a cross-section of cannabis scholarship, the contributors provide readers with critical perspectives on legalization that are not based upon orthodoxies of prohibition. While legalization signals a global shift in the legitimacy of cannabis research, this collection identifies openings for academics, policy makers, and the public interested in ending the drug war, as well as a way to address broader social problems evident in the age of neoliberal governance within which prohibition has been entangled.
