

Le Investigatrici Piano Dellopera

Christian Drosten

Il pianto dell'angelo Greg Iles,2011-10-04 Sulle rive del Mississippi una diciassettenne viene violentata e uccisa. Il principale indiziato è Drew Elliott, rispettabile medico quarantenne che aveva una relazione clandestina con la ragazza. Il suo migliore amico, avvocato, cerca di toglierlo dai guai: s'imbatte in un giro illegale di droga e di sesso che minaccia la quiete dell'intera cittadina.

Agatha Christie, una donna in giallo Gillian Gill,2020-08-27T00:00:00+02:00 In questa sensibile e rivelatrice biografia di Agatha Christie, Gillian Gill sonda la misteriosa vita privata e le ragioni del successo di una delle maggiori autrici di bestseller di tutti i tempi, scoprendo una donna brillante ed eccentrica ossessionata dalla privacy. La fine del primo matrimonio con Archibald Christie e la successiva scomparsa di Agatha per dieci giorni avevano suscitato clamore. Sentendosi ferita dalla stampa, aveva deciso di non lasciare più che i giornalisti entrassero nella sua vita privata e di dare l'impressione di essere un personaggio noioso, così da essere lasciata in pace. Strategia che le permise di vivere un secondo felice matrimonio e un'intensa vita familiare, nonché di raggiungere una produttività letteraria sorprendente. Intrecciando la vita di Agatha Christie con le storie, i complotti e i personaggi dei suoi romanzi, Gillian Gill rivela il volto di una donna passionale e sanguigna, unica e determinata, un'autrice geniale le cui creazioni hanno fatto volare l'immaginazione di milioni di persone in tutto il mondo.

Catalogo del Romanzo Giallo Maria Cremonini,2017-07-14 Una approfondita carrellata su tutte le opere di genere

poliziesco pubblicate dagli affiliati al Self-Publish, un'associazione nata tra scrittori in erba, più o meno affermati. Indipendentemente l'uno dall'altro, gli autori del Self-Publish si sono imposti delle regole che si possono così riassumere. L'e-book deve essere redatto in modo che sul dispositivo di lettura si possa leggere come un libro cartaceo. Il libro, poi, prima di essere pubblicato, viene sottoposto alla lettura agli altri aderenti al Self-Publish che ne decretano la pubblicazione oppure no. Se ne valuta la scorrevolezza, se è scritto in un italiano corretto e se possa essere considerato interessante. Non si interviene, invece, sull'atmosfera del libro. Ci si spiega meglio: un libro può essere d'azione o intimista e così via. Ed è chiaro che ogni ambientazione, atmosfera, ha i suoi lettori, per cui sarebbe incorretto agire su tali parametri. Il presente catalogo delle opere di genere poliziesco riporta la copertina del libro, la trama e il primo capitolo. Così facendo si ha la possibilità di valutarne l'acquisto o meno. Ebook di 524 pagine.

Fata Morgana Web 2019. Un anno di visioni aa. vv.,2019-12-19 Da C'era una volta a... Hollywood a Joker, da Il traditore a Martin Eden, agli ultimi film di Polanski, Martone, Moretti, Eastwood e Soderbergh, da uno speciale dedicato alla serialità televisiva a letture di opere come Game of Thrones e Chernobil, questo volume racconta tutto ciò che di importante e degno di memoria è apparso sugli schermi del cinema, e non solo, nel 2019.

William Blake e William Butler Yeats. Sistemi simbolici e costruzioni poetiche Arianna Antonielli,2009 Da Blake a Yeats. Sistemi simbolici e costruzioni poetiche è una indagine sull'influsso, per molti aspetti determinante, che il sistema simbolico e la poesia visionaria del grande romantico inglese, William Blake, ebbero sull'immaginazione di William Butler Yeats fin dalla sua giovinezza. Decisivo ai fini della formazione del sistema simbolico yeatsiano che avrebbe nutrito tutta la sua poesia, fu per lui quel vero e proprio apprendistato poetico e visionario sull'opera di Blake, che si concluse nel 1893 con una edizione in tre volumi, riccamente introdotta e commentata: *The Works of William Blake Poetic, Symbolic, and Critical*. Adottando un percorso di lettura che si snoda a partire dall'analisi del corpus poetico blakiano e quindi dal pantheon mitico-simbolico che da esso affiora, per poi attraversare il primo particolare hodos chameliontos yeatsiano, profondamente segnato da esperienze magiche ed esoteriche, entrando quindi nei meandri del rapporto estetico, filosofico e poetico tra il sistema simbolico di William Blake e quello di W. B. Yeats, Da Blake a Yeats mette in luce come *Works of William Blake* costituisca la prima vera formalizzazione degli insegnamenti blakiani ed esoterici nel sistema yeatsiano; quanto costituisca, per Yeats stesso, una chiave di volta nella sua visione di Blake e una fonte inesauribile per lo sviluppo del suo sistema simbolico e della sua

immaginazione in atto.
