Frommer's Australia Natalie Kruger,Marc Llewellyn,Lee Mylne,2002-01-15 After examining a slew of guidebooks to Australia, this was my clear favorite, the one that's torn and underlined; pages folded back; in other words the one I really used. Unlike so many guides that are just full of facts, this, in the style of other Frommer books, is written in a chatty manner, as if an expert acquaintance is helping you make your plans. —New Orleans' Times-Picayune You'll never fall into the tourist traps when you travel with Frommer's. It's like having a friend show you around, taking you to the places locals like best. Our expert authors have already gone everywhere you might go-they've done the legwork for you, and they're not afraid to tell it like it is, saving you time and money. No other series offers candid reviews of so many hotels and restaurants in all price ranges. Every Frommer's Travel Guide is up-to-date, with exact prices for everything, dozens of color maps, and exciting coverage of sports, shopping, and nightlife. You'd be lost without us! Completely updated every year (unlike most of the competition), Frommer's Australia features gorgeous color photos of the spectacular scenery and amazing wildlife that await you Down Under. This extraordinary and opinionated guide is personally researched by a pair of lifelong residents, who'll show you how to discover the real Australia. We'll start off in Sydney, with its gorgeous harborfront setting. Then we're off to the Great Barrier Reef, where you'll find complete details on the world's most beautiful beaches, magnificent snorkeling and scuba diving, and other eco-adventures. From the urban pleasures of Melbourne to the rustic, untamed Outback, Frommer's Australia covers it all, with all the advice you need to make the most of your time and money. Whether

you want to stay in mom-and-pop motels, wilderness lodges, elegant B&Bs, or luxury beach resorts, this guide will help you design the Australian adventure that's right for you. You'll even get a free color fold-out map and an online directory that makes trip-planning a snap.
