**Quotes to Live by . . .** Marni S. Feldman,2015-12-02 To say the least, they mentioned, With all your quotes, you should write a book. I thought to myself, That is a wonderful idea, and they just poured out of me. I compiled them one by one, hour by hour, day by day, year by year, into one book. As I love quotes and sayings and clichés on anything. I love little hardback books, softback pocket guides, and so on. I'm drawn to quotes, and I know people are as they live by them: day by day! However, I then decided to break them down by category, by mood, by feeling, and by emotion, and they became chapters in the book: Inspirational, General, Spiritual, etc. For fun, I wanted to create some T-shirts, as I love baby tees. I love tissue cotton tees. I love characters and sayings on tees. I was going to make them with some simple sayings, but they took on lives of their own. The tees are pieces of artwork, such as the chapters in the books. I am drawn to them, and I know people are too, so that is why combining them, I feel, is such a neat way to express this unique concept. And that is how Quotes to Live By books (by Think Again!) and Quotes tees (by luminous) were born. It's a timeless era. It's a lifestyle. It's a way of life. They are quotes to live by, so think again. Remember the Quotes, and always be luminous. Yours truly, Marni Enterprises, LLC

You will learn about the real you and what you can do to live a more gratifying and fulfilling lifestyle.

**Jackie Robinson in Quotes** Danny Peary,2016-04-19 This book uses quotes to narrate the life and career of Jackie

Robinson, the first African American to play Major League Baseball and one of the most famous players of all time, just in time for Father's Day and the 70th anniversary celebration of Robinson's first MLB debut. Jackie Robinson was a Hall-of-Fame second baseman for the Brooklyn Dodgers. He was most famous for breaking the baseball color line with the Dodgers on April 15, 1947, though he was also known for his strong character and political activism that contributed to the Civil Rights Movement. Every year on April 15, all players in the MLB recognize Jackie Robinson Day by wearing Jackie's number, 42. He was an inspiration to players, fans and underdogs around the world. With *Baseball Immortal: Jackie Robinson*, Danny Peary takes you on an incredible, unique journey to a time of great progress in America and some really good baseball. Get a first-hand, 360-degree look at one of America's greatest and most important athletes through his words and the words of those around him - from his outspoken wife, Rachel Robinson, his childhood influencers, fans, other baseball greats and more. This book is perfect for baseball fans and historians across the country, especially since the book will publish in time for Father's Day gifts. Baseball fans will get an advantage reading about Robinson's life just in time to celebrate major anniversaries of the great player. In 2016 and 2017, the MLB will commemorate the 70th anniversaries of Robinson's first debuts in the minor leagues and in the major leagues with the Dodgers, along with other anniversaries like the 35th anniversary of his induction into the Hall of Fame.

**In the Line of Duty** Cathryn Fox, 2017-12-17 His Obsession Next Door: Cole Sullivan made a battlefield promise to his best friend to take care of his little sister, but that vow, given to a dying man, has pushed the woman he's wanted for years even farther from reach. His Trouble in Tallulah: Garrett Andersen finds himself agreeing to step into the role of adoring fiancé. In real life, she's his comrade's kid sister, so it's hands off all the way. Except behind closed doors, her all-out campaign of sweet seduction is burning that strategy to ashes... His Taste of Temptation: Since Brad Crosby's last relationship blew up in his face, he's lost his appetite for "permanent". But his kid brother's best friend? Now there's a curvy morsel he could wrap his lips around.

**Ethical Leadership and the Community College** Carlos Nevarez, J. Luke Wood, 2014-10-01 This book is designed to aid community college leaders in becoming ethical leaders. This aim is essential, as ethical leadership is needed to address the continual ethical quandaries and persistent leadership dilemmas (e.g., funding, governance, accountability, shifting student demographics) facing public postsecondary education in the current era. When leaders are fully committed to the ideals that underscore public education (e.g., public good, access, social mobility, civic engagement) and accept the notion that their role as leaders is to be a servant to others, ethical leadership serves as a roadmap to guide their decisions, actions, and advocacy. This volume serves as a comprehensive resource in articulating the foundational, conceptual, interpersonal, and practical dispositions of the critical need to develop leaders with high moral aptitudes.

Newsworkers Henrik Örnebring, 2016-05-05 The last decade has seen a transformation of journalism industries and the working lives of our journalists. Do the changes have the same impact everywhere? Do journalists today experience these changes as a pressure or as a possibility? Is something irrevocably lost from journalism with these changes? *Newsworkers* takes a broad range of European countries - North and South, East and West, big and small - comparing in each how journalism as work has been affected by the changes in journalism institutions. The book looks at three pertinent and topical questions: the role of technology in changing journalism work practice; the decline or not of professional values; and whether journalism is becoming more homogenous across national borders. Drawing on extensive and original research, the book provides a comprehensive picture of contemporary European journalism.

*His Obsession Next Door* Cathryn Fox, 2017-12-17 I LOVED this story. OMG this hero was all that and then some. I definitely RECOMMEND the book. I enjoyed every page!! 5 star, Gatorfan. He left to fight beside my brother, only to come back alone. He's different now. Harder. A beautifully scarred soul. It does little to extinguish the heat between us. I want him. He wants me. Except he's taken on the role of my protector. I'm not having any of that. Not when I'm the only woman who can soothe the savage beast inside him.

**Jack's Life: A Biography of Jack Nicholson** Patrick McGilligan, 1996-02-17 Volatile Jack Nicholson has found the perfect biographer in Patrick McGilligan, who gives us a rich, absorbing portrait of one of the greatest movie stars ever. —Patricia Bosworth No male American film star of the post-Brando era has demonstrated the talent, the charisma, the larger-than-life audacity, and the string of screen triumphs of Jack Nicholson. In *Jack's Life*, Patrick McGilligan, one of our finest film historians, has produced the definitive biography of this most private and public of stars, from his tangled Dickensian upbringing in New Jersey, his formative years as an actor and screenwriter, his near-accidental breakthrough to stardom in *Easy Rider*, and his string of great roles in *Chinatown*, *Five Easy Pieces*, *One Flew Over the Cuckoo's Nest*, *The Last Detail*, *The Shining*, and other films that mark him as a searching, complex artist. Here as well is the often Rabelaisian life behind the smiling mask, the legendary romances and appetites for sex and drugs, the obsessions with money and control, and the perpetual restlessness.

Silk Cathryn Fox, 2017-12-18 Unwrap a little holiday wickedness... The pleasures of Christmas. Love. The two things Jon Wilson doesn't think he deserves, thanks to a holiday accident that took his parents. Under pressure from his uncle, Jon returns to Whispering Cove for the annual festivities, but he's counting down the hours until he can hop a Christmas Eve plane back to his Miami medical practice. Chef Lila Sheppard left the big city and its fast-talking men for Whispering Cove, hoping to settle down with a nice, small-town boy. Until Mr. Picket Fence appears, though, she's not opposed to a tango on the wild side. When Jon shows up—gorgeous, hot and temporary—she figures Santa delivered her Christmas present a few days early. Soon they're heating up cold, wintry nights, but as they get lost in each other's arms, Lila begins to realize their

brief affair has become something more. Yet she wonders if there's enough magic in Whispering Cove to show Jon that love can heal all hearts...and that there's only one place he belongs. Warnings: Contains enough passion to melt ice, and turn any blustery wintry night into a hot, sultry holiday.

*Reality Calling* Nicholas J. Pace,2013-10-03 Crafted from authentic experiences shared by principals, *Reality Calling: The Story of a Principal's First Semester* reveals fictional Principal Joe Gentry's first few months on the job. We see his efforts to establish relationships with students, staff and community, handle unexpected (and sometimes unimaginable) events, and pursue the often elusive concept of instructional leadership. Throughout the process, Joe seeks guidance and support from his wife, mentors and two friends, who are also new principals. As the months roll by, he strives to navigate the complex ups and downs of school leadership, find personal and professional balance, apply the standards that govern school leaders and learn from his mistakes. This extended, real-world case study provides readers an authentic, unvarnished account of a fully-human principal knee deep in what is appropriately called the toughest job in education. The book concludes with Joe and his two principal friends reflecting on lessons learned and setting goals for the second half of the school year -- revealed in this book's companion, *Seeking Balance: The Story of a Principal's Second Semester*.

**The Werewolf Filmography** Bryan Senn,2017-02-06 From the horrific to the heroic, cinematic werewolves are metaphors for our savage nature, symbolizing the secret, bestial side of humanity that hides beneath our civilized veneer. Examining acknowledged classics like *The Wolf Man* (1941) and *The Howling* (1981), as well as overlooked gems like *Dog Soldiers* (2011), this comprehensive filmography covers the highs and lows of the genre. Information is provided on production, cast and filmmakers, along with critical discussion of the tropes and underlying themes that make the werewolf a terrifying but fascinating figure.

**Reassessing the Hitchcock Touch** Wieland Schwanebeck,2017-10-20 This volume is dedicated to the elusive category of the Hitchcock Touch, the qualities and techniques which had manifested in Alfred Hitchcock's own films yet which cannot be limited to the realm of Hitchcockian cinema alone. While the first section of this collection focuses on Hitchcock's own films and the various people who made important artistic contributions to them, the subsequent chapters draw wider circles. Case studies focusing on the branding effects associated with Hitchcockian cinema and its seductive qualities highlight the paratextual dimension of his films and the importance of his well-publicized persona, while the final section addresses both Hitchcock's formative period, as well as other filmmakers who drew upon the Hitchcock Touch. The collection not only serves

as an introduction to the field of Hitchcock scholarship for a wider audience, it also delivers in-depth assessments of the lesser-known early period of his career, in addition to providing new takes on canonical films like *Vertigo* (1958) and *Frenzy* (1972).
