A ways off - WordReference Forums Jul 16, 2007 · Hi. Will you please tell me what does the phrase "A ways off" mean and why the indefinite article is used with plural noun in the context bellow. In a meeting I have heard people say "I need to drop off the meeting" and "I need to drop off to another meeting", and I wonder if the use of drop off is correct in this context (to drop off a meeting).
