Susan A. Enns

Daily Motivational Quotes-If misery loves company, than motivation breeds success! Susan A. Enns,2010-12-13 This is a collection of my favorite motivational quotes all in one place! Some are sales related, some are business related, but most are simply life related. They are in no particular order, just a random thought for each day of the year to help keep you on a positive note. If the old saying “misery loves company” is true, then motivation must breed happiness! I have spent my entire career, in one form or another, in sales. As such, I have dealt with rejection almost every day of my working life. Don’t get me wrong, I have had a very successful career, but no sales person hears yes all the time. In fact, it is just the opposite. We hear no many more times than we hear yes. In sales, rejection is just something we deal with every day. When we let it get us down, it shows to everyone we meet, including our customers, our colleagues and our family. Essentially, our negative attitude becomes our worst enemy. Even if you are not in sales, if you let your negative thoughts get the best of you, you are your own worst enemy too. Given my profession, I have been asked many times how do I stay positive? It can’t be easy to keep the right attitude when you have to deal with rejection every day, right? Yes, actually, it can be. I stay positive because I choose to stay positive. I actually make a conscious effort to not be negative and to only be positive. I discovered long ago that a motivational quote always puts me in the right frame of mind. I started searching the internet for a daily quote that made me smile or motivated me in some way. Each day I did this, I found that I became better mentally prepared to tackle the day. More importantly, I was just happier! I started to share what I found online. I would put a daily motivational quote in my Facebook and LinkedIn statuses, I would blog about them, and I would tweet them on Twitter. Friends, family, and business associates all enjoyed them so much they started calling me The Quote Lady. More importantly, everyone’s positive attitude seemed to be contagious. The more the motivation spread, the more everyone became motivated! That’s when I decided to pull together a collection of my favorite motivational quotes all in one place, and this eBook was created. I hope you enjoy them as much as I do. Remember, your thoughts control your outcomes and you control your thoughts. So choose wisely! Thank you for your everyday contribution to our success! It is really amazing for what you are doing in helping others stay positive and overcome their challenges, whatsoever small or big they may be Susan inspires me to do better and help others. Ask The Sales Coach-Practical Answers to the Questions Sales People Ask Most Susan A. Enns, 2019-02-20 Contrary to the popular belief, sales people don't rely on "the gift of the gab" to be successful. Actually, the opposite is true. The best sales professionals spend far more time asking and listening than they do talking and selling. They ask questions of their customers; they ask questions of their colleagues, and they ask questions of their managers. If Oxford defines curiosity as the strong desire to know or learn something, then by that definition, sales people are curious by nature. In fact, that's how sales professionals learn to be professional in the first place. This is a collection of practical answers to questions sales people ask most. Written by Susan A. Enns, a professional sales coach with a proven track record of sales excellence over her 30 plus year career. Her accomplishments include consecutively being the top sales rep in Canada, managing the top sales branch, and achieving outstanding sales growth in a national channel sales organization. She has written several books about sales and sales management and has created numerous automated sales tools. Her work has been published in several locations numerous times and has sold on five separate continents. As such, over the years, Susan has been asked many questions by many sales people. After a while, she saw that sales people, regardless of their experience, the products they sell, the industries in which they operate, or the countries where they sell, all share similar curiosities. In other words, although the wording may be different when asked in an email or when asked in person, sales people all ask the same questions, the most common of which are answered in this ebook. As the old saying goes, the only stupid questions are the ones unasked. As a sales professional, you should never be afraid to "Ask the Sales Coach" because you will learn so much from the answers! - Susan really knows the selling world. She's honest, articulate, bright, giving, highly competent, personable and a top professional. Welcome her. It's the right thing to do. - Our company hired Susan as our sales coach. She has helped me make more appointments, close more deals and make more money. The 3 most important concepts in sales. I

would recommend any sales force hire her to help boost business sales. - Susan ...understands the sales process intimately and is able to create a management process around it that drives sales people to accomplish their goals. - Susan knows her stuff. She brings many years of great sales experience and success to anyone who wished to improve their skills in sales. She is very personable, and is not afraid to tell it like it is. I would recommend anyone (and I have) to Susan, her website, her books if you want to become a better sales person. - "Thanks for the training... I made my quota this year in May!"

The Wind Chimes of Life D. A. Mc Bride, 2011-11 THE WIND CHIMES OF LIFE is about life! In everyone's personal journey there are light bulb moments of consciousness. The Voice of Creation J. Hudson Mitchell, 2016-02-16 This book is a compendium of insights from sermons and books of great preachers of the Word of God. It illuminates how God created the world in six days following His blueprint. It reveals that man is created in the image of God. It explains the significance of the nation of Israel in God's divine program. It discloses the origin and effect of sin on all of humanity. It disputes the atheistic opinions of the existence of God. It concludes with the fulfillment of God's plan as the King of Kings of the combined heaven and earth in the New Jerusalem. This book was written with the guidance of the Holy Spirit to bring some light to this darkening world. As Perry Como's song goes: "It is better to light just one little candle than to stumble in the dark."
