April Bostic, 2008-12-01 Do soul mates really exist? Is there really another person out there who was born just for you? And are they the only one who can answer your heart's call? Bridget Monahan is an elementary school teacher, and she's about to find out that perhaps soul mates do exist. Her heart is on the mend from many failed relationships, she's a skeptic when it comes to finding love, and the last thing she wants is to be set up on another blind date. But her best friend Autumn is convinced she's found Bridget's soul mate. After many unsuccessful attempts to introduce Bridget to Mr. Right, she persuades her one last time to meet the charming Tristan Hathaway. Bridget's first impression of Tristan is that he reminds her of an angel with a British accent that makes her knees weak. When they begin their passionate romance, Tristan is able to break her defenses that were guarding her heart for so long, and as Bridget allows herself to fall deeper in love with him, she starts to believe that they are soul mates. But she also learns that although his beauty is near perfection, he is not without flaws and there's more to him than she ever imagined. Not to mention, he can seduce her unlike any man she's ever known and take her mind, body, and soul to a place of sheer ecstasy. Bridget unexpectedly becomes the student in this magical love affair and her biggest lesson may be that true love and eternity are bound.

The Autobiography of Vivian Sherrie Krantz, 2002-06-25 Meet Vivian . . . A small-town girl who conquers the Big City on her own terms . . . a sucker for happy endings with an attraction to all things fattening—and a personality that oddly gets her in (and out of) trouble at lightning speed. This is her story . . . and perhaps a little of yours, too. True, Vivian Livingston has the gig of a lifetime, starring 24/7 as the heroine of www.Vivianlives.com, a kind of “girls rule” Web site. But it wasn't

always that way. So rewind, back to the traditionally traumatic last semester of college, when Vivian, feeling the need for drastic change, randomly enters a songwriting contest and, to everyone's surprise, actually wins. The prize—an incredible weekend getaway to the capital of the universe: New York City. One amazing weekend getaway later, without a real “life” plan and weeks away from graduation, she and her best friend Sophie make the obvious decision . . . NYC here we come! But the moment Vivian and Sophie set foot in their new apartment—a raw, hand-me-down, fourth-floor walk-up studio—they know that life in the Big Apple is going to be anything but easy. Lacking both dough and direction, Vivian has a rough time with the transition. Even worse, Sophie seems to have found a soul mate—and has left Vivian behind. But Vivian is determined to make her world work, despite a few challenging bumps in the road. Rather than ship out, things begin to shape up, as Vivian not only gets the (virtual) keys to the city, but most important, discovers the keys to her own heart.

Perfect Strangers Susan L. Buckley,2002-09-26 Looking for love? Tired of expensive traditional dating services, singles dances and being set up? The Internet offers an exciting and successful alternative. Perfect Strangers will guide you through the ins and outs of the exhilarating and sometimes confusing maze of Internet dating. But Perfect Strangers is more than a how-to book. It contains the stories and photographs of people who met their soul mates on the Internet, most after having nearly given up on ever finding love. Their stories will make you laugh and make you cry. But most important, the stories in Perfect Strangers will instill hope by sharing the inspiring stories of people who found love on the Internet, sometimes under the most surprising circumstances. Many people say that meeting the right person is just a numbers game, others say it's fate. As the couples' stories in Perfect Strangers reveal, the Internet satisfies both perspectives. It provides access to thousands of eligible singles along with a healthy dose of fate. Increased personal control coupled with an infinite number of possible love connections and a hefty dose of serendipity make the Internet superior to meeting suitors in traditional ways. You will meet people online whom you would have never met otherwise. One of them could be your soul mate.

Spirit Keeper Mary Diggs,2018-08-07 Love is a powerful emotion. It can defeat hate. To love so deeply to give your life to save a life is biblical. But can love be so strong that it reaches from the grave to speak to us? Surviving being bullied in many forms and a fall in a Texas cavern symbolic as if descending into hell, Abby knows deep inside that there is a higher purpose in life that she's been chosen to do. Seeing the eyes and face of the vision-spirit, she knows she must help her. Spirit Keeper: Identity by Mary Diggs tells a coming-of-age story of Abby Je Louangé Vérité Manning, a sensitive young woman of color, beautiful, but because of being bullied by destructive words spoken about her facial port-wine stain, she's unable to see her beauty, leaving her emotionally scarred. She is a gifted artist with a name that holds her inconceivable destiny of Spirit Keeper. Kent Leon Baker, white, handsome, wealthy, a master martial artist, and teenage bodyguard, who vows to protect the innocent, only knows that he's drawn to Abby and must protect her from her past and help her survive in the present. Identity speaks to how these extraordinary people discover who they are while risking their lives being targeted by a vendetta as they seek the truth and the identity of one disgraced spirit twelve years after her death. Their passionate love and desire to help the living as well as the dead will inspire all.
