**The Last of the Wine** Mary Renault, 2013-09-10 New York Times bestseller: A “highly superior historical novel” about the bond that grows between two men in ancient Athens (Saturday Review). Alexias is a young aristocrat living during the end of Athens’s Golden Age. Prized for his beauty and athletic prowess, Alexias studies under Sokrates with his closest friend, Lysis. Together, the young men come of age in an Athens on the verge of great upheaval. They attend the Olympics, partake in symposia, fight on the battlefields of the Peloponnesian War, and fall in love. The first of Mary Renault’s celebrated historical novels of ancient Greece, *The Last of the Wine* follows Alexias and Lysis into adulthood, when Athens is defeated by Sparta, the Thirty Tyrants take hold of the city, and the lives of both men are changed forever. Through their friendship, Renault opens a vista onto ancient Greek life, uncovering its vibrancy, culture, and political strife, and offers an unforgettable story of love, honor, loyalty, and the remarkable bond between two men. This ebook features an illustrated biography of Mary Renault including rare images of the author. “Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.” —Hilary Mantel

**The Last of the Wine** Mary Renault, 2004 The story of Alexias, a young Athenian from a good family who gets drawn in to the controversial teachings of Socrates and a participates in the Olympic Games -- all set against the background of famine, siege and civil conflict.

*The Last of the Wine* Mary Renault, 2015-08-06 'All my sense of the ancient world - its values, its style, the scent of its wars and passions - comes from Mary Renault. Her Theseus novels are perhaps the most exciting of her Greek fictions, and *The Last of the Wine* the most moving. I turned to writing historical fiction because of something I learned from Renault: that it lets you shake off the mental shackles of your own era, all the categories and labels, and write freely about what really matters to you' EMMA DONOGHUE 'Mary Renault's portraits of the ancient world are fierce, complex and eloquent, infused at every turn with her life-long passion for the Classics. Her characters live vividly both in their own time, and in ours' MADELINE MILLER Combining the scholarship of a historian with the imagination of a novelist, Mary Renault masterfully brings the ancient world to life in this page-turning drama of the Peloponnesian War. Alexias, a young Athenian of good

family, comes of age during the last phases of the Peloponnesian War. The adult world he enters is one in which the power and influence of his class have been undermined by the forces of war. Alexias finds himself drawn to the controversial teachings of Socrates, following him even though it at times endangers both his own life and his family's place in society. Among the great teacher's followers Alexias meets Lysis, and the two youths become inseparable - together they wrestle in the palaestra, journey to the Olympic Games, and fight in the wars against Sparta. As their relationship develops against the background of famine, siege and civil conflict, Mary Renault expertly conveys the intricacies of classical Greek culture. 'Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us' HILARY MANTEL 'The most vivid and convincing reconstruction of ancient Greek life that I have ever seen' Sunday Times

*Gone With the Wine* Kelly Jamieson,2025-05-13 Where there's a wine there's a way... Bianca I left Napa Valley to forge my own winemaking path. But when I co-inherit my Nonna's share of the legendary Martinelli-Lamberti vineyards, I intend to bring in the harvest, then fly right back to Argentina, where I'm more than just the invisible middle child of a runaway mother. Until I encounter Jansen Beck, a handsome newcomer to Napa who lights me up like a good malbec. A retired hockey star who just bought an old, established neighboring winery. Jansen My sum total of winemaking knowledge would fit under a hockey puck. But partnering with Bianca will be a win-win—my state-of-the-art lab combined with her knowledge will bring the sexy brunette into my orbit more often—and maybe convince her I can be a success, even without skates and a stick. Trouble is, I've got baggage. And she's itching to pack hers and blow this cabernet stand. While we work together picking, crushing, and fermenting, the attraction between us is causing another chemical reaction. And with wine and with life, it's not healthy to keep things bottled up...

The Wines of Argentina, Chile and Latin America Christopher Fielden,2003-02-13 After Europe, Latin America is one of the major wine producing areas of the world, yet very little has been written about its wines. This title follows the transformation of winemaking in these countries, examines in detail each of the wine-growing areas, and explains how these now extremely popular wines were, until relatively recently, more or less unknown. There are details of more than 230 producers, from Peru to Cuba, with insight into the challenges faced by some of the lesser known countries and regions. It also explains the role of other internationally respected wine names such as Torres, Mondavi and Rolland.

The Masks of Mary Renault Caroline Zilboorg,2001-05 Caroline Zilboorg seeks to remedy this in *The Masks of Mary Renault* by exploring Renault's identity as a gifted writer and a sexual woman in a society in which neither of these identities

was clear or easy.--BOOK JACKET.

**The Wines of the Bible** A. M. Wilson,1877 Having been a teetotaler for more than thirty years, the author's personal habits, associations, and sympathies have all been in favor of the unfermented theory; but the facts encountered in the present investigation have constrained him, reluctantly, to conclude that, so far as the wines of the ancients are concerned, unfermented wine is a myth. - Preface.

*The Wines of the South of France* Rosemary George,2003-05-15 Known traditionally for its dramatic landscapes, the South of France is becoming one of the most vibrant and exciting of French vineyard areas. Every key wine area is covered from Banyuls on the Spanish border to the island of Corsica. The key wine producers and their wines are featured, with details of the regions, laws and grape varieties. The author reveals the fascinating developments in the vineyards and the cellars throughout this region's many wine-producing locations and how new appellations are more regularly rewarded here than in any other wine region in France.

The Wines of Hungary Alex Liddell,2003-02-13 This reference to the 22 wine regions of Hungary shows how this country, with its once-proud wine tradition, reinvented itself after 45 years of communism, during which time the entire structure of grape growing and wine production was changed out of recognition. The author details how Hungary's re-adjustment, which still continues, has progressed through privatization, foreign investment and the dedication of small producers struggling to achieve quality standards in the face of a chronic lack of capital. He covers over 300 wine producers, not only from the famous regions like Tokaj and Villany, where significant progress has been made, but also from the lesser-known and as yet underdeveloped regions that suggest the potential to make world-class wines. There are detailed profiles of the leading

producers, with assessments of their wines, plus maps detailing the key wine areas.
