Seven Archangels iMinds,2014-05-14 The history of angels rests predominantly in the Middle East. Other cultures had gods, goddesses or faeries, but in the Middle East they worshiped angels as their gods. Once the idea of a single all powerful God evolved, however, it was necessary to create another space for angels. And so, they became known as mediators between the newly created all powerful God and his servants, humankind, on Earth. The concept of angels was particularly native to Jewish and Babylonian culture.

**The Gates of Hell** David Henderson,2024-10-17 This book is mostly a collection of true stories about demonic beings frightening, torturing, and creating chaos among humans. The first reason I authored this book was because I simply enjoy this topic. Yes, I am a bit odd. I find topics that are strange, mysterious, and diabolical to be interesting. The second reason is because we are in a spiritual battle, and I find many Christians that I know seem to be almost oblivious to this fact. My hope in this book is to make you more aware of the battle going on around us and that we can and should be ready to defend and battle Satan and his demonic army. “Our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms” Ephesians 6:12.
