HER BROKEN SOUL Tanisha Singh ,2025-02-21 The weight of expectations and responsibilities that never seem to lighten. The Broken Soul is a raw and poignant collection of poems and stories that delve into the depths of the eldest daughter's experience. Drawing from true events and personal anecdotes, each piece explores the struggles, sacrifices, and triumphs that come with being the firstborn in a family. From a young age, the weight of expectations and responsibilities are placed on the shoulders of the eldest daughter. She is often seen as the caregiver, the role model, the one who must set an example for her younger siblings. But underneath the facade of strength and resilience lies a broken soul, burdened by the weight of societal norms and familial obligations. Through verse and prose, The Broken Soul illuminates the complexities of the eldest daughter's journey. From navigating the turbulent waters of adolescence to grappling with the pressures of adulthood, each piece offers a glimpse into the inner world of a woman forced to mature before her time. The stories within these pages are not just my own, but the collective experiences of eldest daughters everywhere. They are a testament to the resilience and courage of these unsung heroes, who navigate the precarious balance between duty and self-discovery. The Broken Soul is a tribute to the eldest daughters who carry the weight of the world on their shoulders, yet find the strength to rise above their struggles. It is a reminder that despite the brokenness that may lie within, there is beauty and resilience in the eldest daughter's soul. And through these stories and poems, I hope to shine a light on the often unseen and unspoken reality of their experiences.

Send My Roots Rain Kim Langley,2019-04-01 Langley offers comfort and encouragement to those struggling with recent loss or grief, helping them find language for complex emotions, and open their hearts through poetry. Send My Roots Rain is a companion full of stories—sometimes wry and funny, always observant and accepting—for letting grief unfold and teach us. Langley invites a keen awareness that the passage through grief is the navigation of a narrow strait, requiring patience, skill, and worthy companions. These poems can be those companions on the journey. Langley has carefully selected 60 poems and arranged them in a meaningful arc, beginning with the shock of early grief, leading through a sensitive exploration of a new inner space. She introduces each section, encouraging the ongoing embrace of the healing power of poems, writing, and entry into the grieving process. Each poem is followed by a brief meditation and quotation, with questions for contemplation, journaling, or group discussion.

Performing Shakespearean Appropriations Darlena Ciraulo, Matthew Kozusko, Robert Sawyer, 2022-06-29 *Performing Shakespearean Appropriations* explores the production and consumption of Shakespeare in acts of adaptation and appropriation across time periods and through a range of performance topics. The ten essays, moving from the seventeenth to the twenty-first century, address uses of Shakespeare in the novel, television, cinema, and digital media. Drawing on Christy Desmet's work, several contributors figure appropriation as a posthumanist enterprise that engages with electronic Shakespeare by dismantling, reassembling, and recreating Shakespearean texts in and for digital platforms. The collection thus looks at media and performance technologies diachronically in its focus on Shakespeare's afterlives. Contributors also construe the notion of "performance" broadly to include performances of selves, of communities, of agencies, and of authenticity—either Shakespeare's, or the user's, or both. The essays examine both specific performances and larger trends across media, and they consider a full range of modes: from formal and professional to casual and amateur; from the fixed and traditional to the ephemeral, the itinerant, and the irreverent.

Do Not Go Gentle David MacCuish, 2020-02-25 *Do Not Go Gentle*, first published in 1960, is a poignant novel about the U.S. Marines in World War II. The book focuses on Norman MacLeod, growing up in the tough Depression-era town of Butte, Montana. After his father succumbs to a mining-related disease, young Norman leaves school and also begins working in the copper mines. Following the death of his closest friend in an mine accident and the moving of his mother and sister to relatives back East, Norman enlists in the Marines. The book follows MacLeod through boot camp, life on and off base, and then to the South Pacific where MacLeod and his fellow Marines face both their fears and the Japanese. On leave in the U.S., Norm visits the wife of a killed comrade, and begins a relationship with her. Filled with gritty scenes and no-holds-barred dialog, *Do Not Go Gentle* remains a minor classic in the field of novels about men at war.

Marrakech Noir Fouad Laroui, Allal Bourqia, Abdelkader Benali, 2018-08-07 This unique anthology of crime fiction features 15 original stories of “scandals, smugglers, and other sordid tales” by award-winning Moroccan authors (CrimeReads). At first glance, Marrakech may seem like an odd setting for noir fiction. Contemporary Moroccans call it The Joyful City—a place where locals are happy to joke about gossip and quick to forget stories of crime. But in Marrakech Noir, some of Morocco’s finest authors address old wrong that have been kept hidden behind the city’s ancient gates, and spin contemporary tales of poverty, grift, and violence in this global tourist destination. Marrakech Noir features brand-new stories by Fouad Laroui, Allal Bourqia, Abdelkader Benali, Mohamed Zouhair, Mohamed Achaari, Hanane Derkaoui, Fatiha Morchid, Mahi Binebine, Mohamed Nedali, Halima Zine El Abidine, My Seddik Rabbaj, Yassin Adnan, Karima Nadir, Taha Adnan, and Lahcen Bakour.

The Christ Literalist L. O. U. MEZA, 2006-02 What did Christ say about war, peace and humanity? What did he say about politics and taxes? About life and death? Liberty and justice? What did he say about lust and greed? Family, marriage and divorce? The Christ Literalist is an attempt to consolidate His Word, i.e., at least, the words he actually spoke, into one volume. What is left, are the words of Christ for what they are, unadulterated, placed in their historical setting and contrasted by secular quotes from other notable historical and modern celebrities, revolutionaries, radical thinkers and misfits: 'Christianity will go. It will vanish and shrink. I needn't argue about that; I'm right and I will be proved right. We're more popular than Jesus now.' John Lennon, of The Beatles British Musician, 1940-1980 'In the secret of my knowledge there is no God but me. The Satanic Rituals Written By Anton LaVey, (1972) 'the time has come. It is quite clear our Antichrist is here. It is done. Marilyn Manson, Antichrist Superstar American Rock Artist, 1971- 'You're the Anti-Christ. You know that Stern? God Is Speaking - Are You Listening? Steven W. Raasumaa, 2002 In July 1998, GOD approached a man, to assist GOD and channel his will into the written word. This book is the result of that conversation. GOD is responsible for the flow, topics and discussions. The man simply wrote what GOD spoke and what thoughts he received. GOD is speaking - Are you listening? My Story is GOD'S full disclosure to his human family, including his laws of Life and Death. He speaks to Steve as a friend. That is, a friend of GOD'S, chosen by GOD. The fact that anyone would be allowed to hear his voice is astonishing. In this day and age of miracles, is it so far fetched not to believe? He speaks to Steve of his world...Heaven. He speaks of his Love for his

human family. GOD tells it like he sees it. No soft touch, no political correctness, just the plain truth, GOD'S Truth. July 5th 1998 4:00 P.M. I AM the GOD of ALL. The reason for this writing is that the stories I AM about to unfold to you, through my friend Steve, are stories to teach, inspire and to create hope. Hope, in that when you greet me in my Heavenly Kingdom, you will have a better understanding, appreciation and moral imperatives, necessary to the alleviation of your guilt. I AM in the world as a spirit of Love, hope, divine inspiration and most of all understanding. I have tried to conquer you, and your fears, by sending messengers to your world, Moses, Abraham, Isaac and Jesus the Christ. I have been alive 50 million of your Earth years and the stories I AM about to tell you are just one of many, told countless times in my Kingdom.

To Right Every Wrong Dave Andrews, 2021-01-21 Dave Andrews's latest book, *To Right Every Wrong*, is the last in the Dave Andrews Legacy Series. It is a funny, sad, brutally honest retrospective, reflecting on what it has meant for him and his family to seek to live a lifetime dedicated to love and justice. The reflections in this book, subtitled *The Making and Unmaking of One Improbable Minor Prophet*, come in three parts--the personal, the prophetic, and the paradoxical. The personal part explores Andrews's experience of the radical, compassionate spirituality that he shares with wife, Angie, and which has shaped their way of life as a family in community with marginalized and disadvantaged groups of people. The prophetic part explores Andrews's embrace of the strange, crazy, improbable call he felt to be a prophet, which he has sought to flesh out in classic prophetic roles--as an interrogator, a protester, a practitioner, and an inspirator--in contemporary prophetic contexts characterized by poverty and violence. The paradoxical part explores Andrews's making and unmaking as a minor prophet, critically constructing and deconstructing the more confrontational aspects of the prophetic roles he has played in order to be able to practice more sensitive pastoral care.
