**Black Women Shattering Stereotypes** Kay Siebler, 2021-04-21 *Black Women Shattering Stereotypes: A Streaming Revolution* focuses on the work, voices, and perspectives of Black women in popular film and television. Kay Siebler argues that within the past five years, in response to the digital age and the number of racist stereotypes being purported in dominant culture, Black women creators are making entertainment media that fights back against these racist and sexist narratives and celebrates the realities of being Black and being a woman in today's world. When Black women are behind the camera, writing, directing, and producing, Siebler finds, the representations of Black women change dramatically in empowering and important ways. Focusing on films and series produced since 2015 that are made by, for, and about Black women, Siebler analyzes the portrayals of Black women and their culture in *Bessie*, *Self Made*, *Hidden Figures*, *Harriet*, *Insecure*, *Being Mary Jane*, *Twenties*, and *Chewing Gum*, among others. Siebler intertwines these analyses with in-depth interviews with over one hundred Black women throughout the book, offering a variety of perspectives across the broad spectrum of demographics that are—and are not—being represented in mainstream media.

**Power Up for the God Challenge** Nicole Showell, 2017-07-11 You are God's treasure. God loves you so much that He wants you to know the truth about who you are in Him. "Do you not know that you are a temple of God and that the Spirit of God dwells in you?" (1 Corinthians 3:16) God desires for you to be treated with respect and experience love in your relationships and all aspects of your life. When you receive less than the respect modeled on God's love, it breaks His heart. Today, God wants you to know that with His support and guidance you can have a real man, hand-picked by God, to cherish you as He cherishes you. God wants the best for you. As God's daughter, He wants you to know Him with all your heart and

spirit, and to allow Him to guide you into a bright and glorious future. Power Up for the God Challenge: The Battle to Receive Your Real Man will reveal the types of ungodly men women often date and how to steer clear of them. You will also learn what a real man is and how to grow with him. As you affirm the love of God and apply that knowledge and wisdom to your relationship, you'll be equipped to leave the "boys" alone and embrace the real man that God has for you! With this book, your heart will be opened to God's truth about love as you recognize and understand the roles that make for a godly and amazing relationship.

**Noises in the Blood** Carolyn Cooper, 1995-02-08 The language of Jamaican popular culture—its folklore, idioms, music, poetry, song—even when written is based on a tradition of sound, an orality that has often been denigrated as not worthy of serious study. In *Noises in the Blood*, Carolyn Cooper critically examines the dismissed discourse of Jamaica's vibrant popular culture and reclaims these cultural forms, both oral and textual, from an undeserved neglect. Cooper's exploration of Jamaican popular culture covers a wide range of topics, including Bob Marley's lyrics, the performance poetry of Louise Bennett, Mikey Smith, and Jean Binta Breeze, Michael Thelwell's novelization of *The Harder They Come*, the Sistren Theater Collective's *Lionheart Gal*, and the vitality of the Jamaican DJ culture. Her analysis of this cultural noise conveys the powerful and evocative content of these writers and performers and emphasizes their contribution to an undervalued Caribbean identity. Making the connection between this orality, the feminized Jamaican mother tongue, and the characterization of this culture as low or coarse or vulgar, she incorporates issues of gender into her postcolonial perspective. Cooper powerfully argues that these contemporary vernacular forms must be recognized as genuine expressions of Jamaican culture and as expressions of resistance to marginalization, racism, and sexism. With its focus on the continuum of oral/textual performance in Jamaican culture, *Noises in the Blood*, vividly and stylishly written, offers a distinctive approach to Caribbean cultural studies.

**Me and My Daddy Listen to Bob Marley** Ann Pancake, 2015-02-01 Ann Pancake's 2007 novel *Strange As This Weather Has Been* exposed the devastating fallout of mountaintop removal mining on a single West Virginia family. In *Me and My Daddy Listen to Bob Marley*, a follow-up collection of eleven astonishing novellas and short stories, Pancake again features characters who are intensely connected to their land—sometimes through love, sometimes through hate—and who experience brokenness and loss, redemption and revelation, often through their relationships to places under siege. Retired strip miners find themselves victimized by the industry that supported them; a family breaks down along generation lines over a fracking lease; children transcend addict parents and adult suicide; an urban woman must confront her skepticism about worlds behind this one when she finds bones through a mysterious force she can't name. *Me and My Daddy Listen to Bob Marley* explores poverty, class, environmental breakdown and social collapse while also affirming the world's sacredness. Ann Pancake's ear for the Appalachian dialect is both pitch-perfect and respectful, that of one who writes from

the heart of this world. Her firsthand knowledge of her rural place and her exquisite depictions of the intricacies of families may remind one of Alice Munro.

**Mano a Mano--Quote, Unquote** Dave Save,2008-03 Mano a Mano is a satirical story based on historical events in Zimbabwe, when Robert Gabriel Mugabe transformed himself from the much-loved Prime Minister to a controversial, polarizing figure. Millions of people have left Zimbabwe due to horrific economic times and widespread starvation. The villagers of Maze Wibb who remain behind have no choice but to rely on themselves in their fight for real independence-and soon discover that a good beginning does not guarantee a happy ending. Through sweat and blood, they build a school, hoping to secure a bright future for their children, but it soon becomes clear that the headmaster has other ideas. The book is divided into two parts: the first is a fictionalized account of true events, encompassing comprehensive descriptions of the narrator's life, his country, and his people; The second part weaves a variety of stories into one, creating a dialogue that provides an introspective look into the ways and customs of a culture across the world. This insightful novel is not just about an African country but about the strong and beautiful people who live within its borders and struggle to survive despite the appalling and dangerous conditions that surround them each day.

**Bob Marley, My Son** Cedella Marley Booker,2023-12-21 In this revealing and poignant account of the life of her son, reggae icon Bob Marley (1945–1980), Mother Cedella Marley Booker traces the unique history of Bob Marley and his contribution to popular music as only a parent could. Booker recalls her poor rural upbringing in the district of Nine Miles in Jamaica, her parents' relationship, and her courtship with Captain Marley, the white man forty years her senior who turned up one day in her father's fields and took Cedella to his bed when she was just sixteen. Their child was Bob Marley, who would introduce the world to reggae, and whose talent would later transform the course of popular music with such classics as "Get Up, Stand Up," "Buffalo Soldier," "No Woman, No Cry," "Stir It Up," and "One Love." With admirable candor, Booker shares her struggles in raising Bob on her family's farm in St. Ann's and the crime-riddled streets of Kingston, and her courageous move to start a new life in the United States. Bob stayed behind in Jamaica to perfect his music, though the two remained close as he began his transformation into reggae superstar and cultural prophet. Booker details Marley's embrace of Rastafarianism, the women in his life, his use of ganja, and his last months when Cedella nursed him until he succumbed to cancer. This book is a true look at Marley's life—not just as a cultural icon, but as a son.

**Speak** ,1991

Black Beauty: Aesthetics, Stylization, Politics Shirley Anne Tate,2016-04-15 Previous work discussing Black beauty has tended to concentrate on Black women's search for white beauty as a consequence of racialization. Without denying either the continuation of such aesthetics or their enduring power, this book uncovers the cracks in this hegemonic Black beauty. Drawing on detailed ethnographic research amongst British women of Caribbean heritage, this volume pursues a broad discussion of beauty within the Black diaspora contexts of the Caribbean, the UK, the United States and Latin America through different historical periods to the present day. With a unique exploration of beauty, race and identity politics, the author reveals how Black women themselves speak about, negotiate, inhabit, work on and perform Black beauty. As such, it will appeal not only to sociologists, but anyone working in the fields of race, ethnicity and post-colonial thought, feminism and the sociology of the body.

**Hands on the Freedom Plow** Faith S. Holsaert,Martha Prescod Norman Noonan,Judy Richardson,Betty Garman

Robinson, Jean Smith Young, Dorothy M. Zellner, 2010-09-30 *In Hands on the Freedom Plow*, fifty-two women--northern and southern, young and old, urban and rural, black, white, and Latina--share their courageous personal stories of working for the Student Nonviolent Coordinating Committee (SNCC) on the front lines of the Civil Rights Movement. The testimonies gathered here present a sweeping personal history of SNCC: early sit-ins, voter registration campaigns, and freedom rides; the 1963 March on Washington, the Mississippi Freedom Summer, and the movements in Alabama and Maryland; and Black Power and antiwar activism. Since the women spent time in the Deep South, many also describe risking their lives through beatings and arrests and witnessing unspeakable violence. These intense stories depict women, many very young, dealing with extreme fear and finding the remarkable strength to survive. The women in SNCC acquired new skills, experienced personal growth, sustained one another, and even had fun in the midst of serious struggle. Readers are privy to their analyses of the Movement, its tactics, strategies, and underlying philosophies. The contributors revisit central debates of the struggle including the role of nonviolence and self-defense, the role of white people in a black-led movement, and the role of women within the Movement and the society at large. Each story reveals how the struggle for social change was formed, supported, and maintained by the women who kept their hands on the freedom plow. As the editors write in the introduction, Though the voices are different, they all tell the same story--of women bursting out of constraints, leaving school, leaving their hometowns, meeting new people, talking into the night, laughing, going to jail, being afraid, teaching in Freedom Schools, working in the field, dancing at the Elks Hall, working the WATS line to relay horror story after horror story, telling the press, telling the story, telling the word. And making a difference in this world.
