There are several reasons I think Shaman race options should be expanded in TWW, which was recently shut down (as well as other race/class combos) in a dev interview. The shaman melee rotation and button bloat is a bit more then druid. For range, Druid range (moonkin) seems to usually be better off then shaman range (elemental) but is tougher to play. These are just slight differences at end game level. Rsham mana problem - Shaman - World of Warcraft Forums Oct 31, 2024 · It doesn’t help that basically everything a shaman does uses mana.
