

Economistas Contra La Democracia

Antonio José Antón Fernández

Economistas contra la democracia Jacques Sapir,2004

Repensar la sostenibilidad ENRÍQUEZ SÁNCHEZ José María ,DUCE DÍAZ Carmen ,MIGUEL GONZÁLEZ Luis Javier ,2021-01-11 La sostenibilidad, cualidad de lo sostenible, hace referencia a un proceso que puede alargarse en el tiempo. Cuando este proceso lo referimos a cuestiones socio-ecológicas, comprobamos cómo, desde hace ya largo tiempo, no son pocas las voces acreditadas que han puesto sobre aviso del progresivo deterioro ecológico y sus consecuencias perjudiciales para la vida humana. Nuestra obra parte de estas negatividades para repensar la idea de sostenibilidad en sus justos términos, y así dar cabida a una variedad de aportaciones que ayuden a restituimos dentro de los límites ecosistémicos.

Crónicas del neoliberalismo que vino del espacio exterior Antonio José Antón Fernández,2015-12-15 «Sentíamos que Margaret Thatcher era mucho más terrorífica que cualquier monstruo al que el Doctor se había enfrentado.» Así resumía la situación el equipo de guionistas y actores de la popular serie Doctor Who de la BBC: lo que estaba ocurriendo fuera de los platós, en un mundo que el capitalismo estaba conquistando a golpe de privatizaciones y leyes contra los trabajadores, también tendría su reflejo en las pantallas. «Helen A.» o «Rehctaht», trasuntos alienígenas de la Dama de Hierro, precipitaron con su afilado retrato la cancelación de una de las series más longevas de la historia de la televisión, pero resaltaron una vez más un valor que la ciencia-ficción nunca dejó de tener. Tras la crisis y recomposición del capitalismo global en los años setenta, la ciencia-ficción continuó siendo un espejo implacable tanto de las nuevas formas de dominación económica, como de las respuestas colectivas a esta. Desde los robots «anti-huelga» de las revistas pulp americanas de comienzos del siglo XX, hasta la obra de los dos «H. G.», Oesterheld y Wells, recorremos los mapas que ese mundo alternativo nos ha ido ofreciendo; pesadillas y sueños de emancipación que perviven hoy bajo el reinado de la economía financiarizada y sus vasallos políticos.

La economía institucional Bernard Chavance,2018-11-09 El argumento principal de esta obra es que las instituciones juegan un papel muy importante dentro de la economía. Así se presenta un estudio introductorio y panorámico sobre la economía institucional, el cual incluye una revisión de las corrientes económicas más significativas que han reflexionado sobre el papel de las instituciones en la teoría económica, tales como el institucionalismo heterodoxo, la teoría francesa de la regulación, algunos enfoques provenientes de la sociología económica y la “nueva escuela institucional”. A través de una

perspectiva histórica, el autor aborda el origen, la naturaleza, la transición de las instituciones, así como sus efectos en el desempeño económico y el desarrollo.

El laberinto económico Joaquín Estefanía, Selección de artículos de Joaquín Estefanía.

El sueño de Gargantúa Antonio José Antón Fernández ,2021-02-15 Recordamos la utopía desde una sola mirada: sociedades paritarias y felices sin diferencias ni clases sociales. Si hubo futuros trazados desde posiciones liberales, no se nos ocurre otra forma que la distopía: futuros de pesadilla, sin libertad y con diferencias de clase abismales. Pero esto no explica su fertilidad e influencia. Si el liberalismo hizo de los sueños de la izquierda una distopía, ¿pudo ser porque quien soñaba era él? En estas páginas se analizan esas promesas, para aclarar el ocaso neoliberal de todo futuro, y de nuestro capitalismo sin horizonte. «Todos deberían leer El sueño de Gargantúa: si ignoras su moraleja, tarde o temprano pagarás el precio en tus propias carnes.» Slavoj Žižek

Estrategia Bonsái Cleri, Carlos A.R.,1900 Andar a oscuras es peligroso, no saber adónde uno se dirige también, así como creer que las trayectorias de vida son lineales y determinadas es un grave error. La felicidad y la frustración, tanto para las personas como para las empresas, dependen de establecer objetivos anhelados, planificar las acciones atinadas para alcanzar los deseos y ejecutarlas con precisión y constancia. En esto no hay distinción de tamaños, todas las firmas deben pensar, soñar, planificar y actuar. La mayor parte deberá conservar celosamente los espacios alcanzados, generalmente pequeños y especializados; a ellos les corresponderá trazar Estrategias Bonsái.

El otro riesgo país Rocío Lapitz,2005

Desde la ciudad Rodrigo, Vidal Rojas,María Victoria, Correa Baeriswyl,Marco Antonio, Valencia Palacios,Jorge Luis, Atria Lannefranque,Rosario, Magro,Rodrigo, Martin Quijada,Giuliana, dos Santos Paz,Carlos, Muñoz Parra,Karla, Henríquez Ojeda,Matías, Dziekonski Rüchardt,Amaya, Pavez Lizarraga,Abril, Monserrat Alfaro,Francisco, Ramírez-Carrasco,Fernando Peña-Cortés,Julio A., Soria-Lara,Diego, Moya Ortiz,Eduardo, Zenteno Latorre,2021-01-01 ¿Cómo entender la ciudad actual en toda su complejidad? ¿Cómo debemos pensar, diseñar y producir hoy la ciudad para que dentro de veinte a treinta años sea un lugar sostenible y grato para vivir? Este libro pretende contribuir a la elaboración de respuestas a estas y otras problemáticas adoptando una mirada urbana y arquitectónica desde la ciudad, que se desligue de la mirada tradicional hacia la ciudad. Para ello, se enfoca en una mirada desde la memoria, la disruptión y la gran escala con la finalidad de comprender la ciudad desde sus habitantes y sus múltiples formas de interacción (social, política, económica, cultural) como, también, desde sus partes (edificios patrimoniales, calles, plazas, barrios, espacios públicos, áreas, zonas). En lugar de estudiar la ciudad como un objeto meramente académico, este libro ofrece un conjunto de perspectivas enfocadas en sus usuarios, con el fin de generar pensamiento urbano nuevo. Su objetivo es el beneficio de la sociedad civil y de sus múltiples actores para servir de aporte en la constante labor de pensar, diseñar y actuar sobre el espacio urbano, que se construye en función de la

mejora en la calidad de vida de todas las personas, sin excepción, en un contexto de necesaria sostenibilidad. En ese sentido, este libro asume una postura crítica y constructiva de la ciudad e invita a adoptar una responsabilidad ética para con las ciudadanas y ciudadanos de las próximas generaciones, y a quienes toman las decisiones urbanas.

Boletín bibliográfico mexicano ,2004

Crónicas de Anos de Chumbo (2008-2013) Eduardo Paz Ferreira,2013-04-01 Este não é um livro alegre. Nos textos que o compõem fala-se de coisas tristes: de um país à deriva e que perde a sua autonomia, de uma sociedade empobrecida, dividida, desanimada, que parece pensar que perdeu o encontro com o futuro. Neles se fala, também, da União Europeia, que se perde nos jogos de interesses e aceita a discriminação dos Estados em função do seu poderio económico e financeiro, afastando- se do projecto de igualdade e esperança que os seus fundadores nos quiseram legar. Mas este não é um livro de conformação. É um livro escrito por quem acredita que é preciso dar testemunho - Vemos, ouvimos e lemos. Não podemos ignorar - e que é possível escrutinar caminhos alternativos e, por eles, pugnar. Alguém que acredita que não nos devemos render ao óbvio ululante. Alguém que alimenta a convicção profunda de que só do debate livre e do confronto de ideias resultam soluções em que a sociedade se reconheça. Os anos de chumbo só vieram para ficar se a isso nos resignarmos. Temos de marcar o reencontro com o progresso e a felicidade e, por isso, este não sendo um livro alegre, não é também um livro conformado, nem um livro que ignore o poder da ironia.

Economía y Economistas Borja Loma Barrie, Las teorías económicas. Los teóricos. Terminología más frecuente de esas ciencias imprescindibles.

La hora de los economistas Luis Perdices de Blas,2010 Se ha celebrado el quincuagésimo aniversario de uno de los hitos de historia económica de España, el Plan de Estabilización de 1959. Momento crucial en el que los economistas tomaron las riendas de la política nacional y encauzaron a España hacia la apertura económica, conscientes de que acabaría llevando la apertura política. Desde esa fecha los economistas han desempeñado un papel fundamental en la modernización de la economía española y en el bienestar de los españoles. Sirva de ejemplo su participación en la firma del tratado preferencial con la Comunidad Económica Europea en 1970, los pactos de la Moncloa de 1977, las medidas de ajustes de los gobiernos socialistas de la década de los ochenta, la integración de España en la Unión Europea en 1986 y la incorporación en el Sistema Monetario Europeo. El libro reúne, por primera vez, un amplio conjunto de entrevistas con aquellos economistas que han influido de forma decisiva en el desarrollo y difusión del pensamiento económico en España. Se recogen más de cuarenta entrevistas articuladas en torno a dos grandes grupos. El primero compila entrevistas históricas realizadas en el pasado con economistas que ya no se hallan entre nosotros, abarcando desde Antonio Flores de Lemus hasta Enrique Fuentes Quintana, cuya trascendencia para el pensamiento económico y para la historia reciente de España ha sido decisiva. El segundo presenta entrevistas realizadas ex profeso para este libro con grandes economistas, desde Juan Velarde

y Manuel Varela hasta Xavier Sala-i-Martín, provenientes de diferentes áreas de especialización y de distintas regiones españolas.

Un progetto di liberazione Manolo Monereo,Héctor Illueca,2020-05-15T00:00:00+02:00 Il contesto geopolitico attuale, che Manolo Monereo e Héctor Illueca analizzano magistralmente in questa opera, è segnato dal declino degli Usa e dall'inizio di una nuova era geopolitica caratterizzata dall'instabilità, dai conflitti sociali e, molto probabilmente, dalla guerra. Tutto questo nel bel mezzo di una crisi estremamente grave del progetto europeo e di una frattura territoriale di imprevedibili conseguenze in Spagna. La chiave per uscire dalla crisi è riappropriarsi della sovranità, fuori dalle asfissianti catene di un'Unione Europea esclusivamente funzionale all'egemonia tedesca e dei paesi del Nord, per costruire il socialismo del XXI secolo attraverso l'unità popolare della maggioranza sociale.

Controversias y debates en el pensamiento económico argentino Ricardo C. Aronskind,2008

¿Qué es la democracia? Giovanni Sartori,2012-06-26 ¿Qué es y qué no es la democracia? Para definir la democracia, Sartori dialoga consigo mismo, así como con Aristóteles, Locke, Rousseau, Marx... y con el lector: reflexiona sobre la democracia, el liberalismo, la libertad, desde sus orígenes y en todas sus acepciones hasta llegar a nuestro actual uso, comprensión y aplicación de estos conceptos y valores. Analiza las relaciones entre política y economía, revolución y reforma; Estado, sociedad civil e individuo.

Saber lo que se hace Gabriel Vommaro,2011

Boletín de información comercial ,2005-05

Contributo para o conceito e a natureza das entidades administrativas independentes Maria Celeste

Cardona,2023-06-22 A globalização e o aprofundamento da União Europeia estiveram na origem da Reforma do Estado. O Estado Regulador Contemporâneo incorpora, na sua organização administrativa, entidades administrativas independentes. Em Portugal, as entidades administrativas independentes integram a Administração Pública na categoria de administração independente do Estado. As entidades administrativas independentes com estatuto de independência “forte”, bem como as entidades administrativas independentes com funções de regulação da actividade económica nos sectores privado, público e cooperativo, são estruturas da organização administrativa, devendo ser qualificadas como parte da Administração Pública Independente. Em Portugal a ERC, o Banco de Portugal, o Provedor de Justiça, a Procuradoria-Geral da República e os Conselhos Superiores da Magistratura e do Ministério Público não são entidades administrativas independentes.

Fantasías sexuales de mujeres argentinas Silvana Castro,2004

When people should go to the ebook stores, search opening by shop, shelf by shelf, it is in point of fact problematic. This is

why we provide the books compilations in this website. It will definitely ease you to see guide **Economistas Contra La Democracia** as you such as.
