*Wallflower at the Orgy* Nora Ephron, 2007-06-26 A bitingly funny, provocative, and revealing look at our foibles, passions, and pastimes—from one of the most creative minds of our time. “Nora Ephron can write about anything better than anybody else can write about anything.”—The New York Times From her Academy Award-nominated screenplays to her bestselling fiction and essays, Nora Ephron is one of America’s most gifted, prolific, and versatile writers. In this classic collection of magazine articles, Ephron does what she does best: embrace American culture with love, cynicism, and unmatched wit. From tracking down the beginnings of the self-help movement to dressing down the fashion world’s most powerful publication to capturing a glimpse of a legendary movie in the making, these timeless pieces tap into our enduring obsessions with celebrity, food, romance, clothes, entertainment, and sex. Whether casting her ingenious eye on renowned director Mike Nichols, Cosmopolitan magazine founder Helen Gurley Brown—or herself, as she chronicles her own beauty makeover—Ephron deftly weaves her journalistic skill with the intimate style of an essayist and the incomparable talent of a great storyteller.

**Architecture and Affect** Lilian Chee, 2023-05-17 Architecture and Affect is motivated by two questions: Why does dismissed affective evidence trouble us? What would it mean for architecture to assemble such discrepant evidence into its discourse? Arguing that the persistent refrains of lived affect dwell in architecture, this book traces such refrains to a concept of architecture wedged in the middle ground—jammed amidst life, things and events. Rather than being aloof from its surrounds, architecture-in-the-midst challenges an autonomous epistemology. Beyond accounting for the vivid but excluded, this book develops a frame and a disposition for thinking critically about, speculatively through, and being grounded by, encounter. Examining affect through a constellation of spaces in contemporary Singapore, it details architecture’s uneasy but inextricable relationship with key subjects relegated to the incommensurate, the peripheral, the scenic and the decorative. The outcome is a politicized architectural discourse simultaneously grounded and speculative; bridging depth and intuition, thinking and feeling.

**New York Magazine** ,1983-03-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

*Her Lady to Love* Jane Walsh,2020-11-10 Country mouse Lady Honora Banfield arrives in London with one mission: to catch a husband. A perpetual wallflower, she's going to do whatever it takes to win a proposal from London's most eligible bachelor, including teaming up with the most popular (and least proper) woman in London. Miss Jacqueline Lockhart is having too much fun in her sixth season to ever consider settling down, even though she's been unsuccessful at mingling with the upper echelons of London society. When Lady Honora agrees to exchange invitations to the most exclusive events in return for Jacqueline's introductions to eligible gentlemen, neither expects their friendship to ignite passion. Nora and Jacquie begin an affair with the strict understanding that it will end once Nora is married, but as a proposal becomes more imminent, choosing between a conventional life without love, or certain ruination if they stay together, isn't as simple as it seems.

*Feminist Phoenix* Jerry Rodnitzky,1999-07-30 The rise and fall of feminist counterculture is traced through feminism's liberation of popular media such as music, cinema, and television and provides portraits of personalities as countercultural models. In addition, the decline of feminism after 1980 is explored. The book begins by suggesting relevant countercultural problems and failures throughout American history to provide a broad historical perspective. It also describes how the New Left countercultural stress influenced the women's liberation movement. Individual chapters focus on how feminists used music as a counterculture and how they attempted to liberate media such as cinema, television, and advertising. Cultural portraits of Janis Joplin, Joan Baez, and Gloria Steinem suggest how individual women can be effective countercultural models. The book examines the decline of feminism since 1980 and links that decline to the fall of feminist counterculture. Feminists of the 1960s seemed to be repeating the history of the 1920s, when feminists gained the vote, but then lost the next generation. Contemporary feminists made many economic and political gains, but again lost the next generation of women. Despite this loss, the book concentrates primarily on the positive and predicts that countercultural feminism will rise phoenix-like into a new future, feminist era.

*Nora Ephron at the Movies* Ilana Kaplan,2024-10-29 The first illustrated monograph on writer, journalist, and director Nora Ephron, the visionary behind *When Harry Met Sally*, *Sleepless in Seattle*, and *You've Got Mail* *Nora Ephron at the Movies* offers an unfiltered look at Ephron as a champion of the rom-com and as a feminist Hollywood trailblazer. It explores

her life and work by pairing detailed criticism with exclusive interviews with Ephron's key collaborators, including Andie MacDowell and Jenn Kaytin Robinson, to add color and nuance to her life and legacy. With her singular voice, Nora Ephron flourished as a dominant force in the entertainment industry, focusing on the idiosyncrasies of romance that were universally relatable. The women in her stories paralleled reality—the veil was lifted, the glossy sheen removed. Her protagonists share an unwavering sense of humor about life's mishaps, and they never take themselves too seriously—like Julie trying to master the art of cooking lobsters in *Julie & Julia*, Sally's theatrical fake orgasm in Katz's deli in *When Harry Met Sally*, or Rachel perfecting a key lime pie only to throw it in her cheating husband's face in *Heartburn*. Through her keenly self-aware humor and semi-autobiographical stories, Ephron left behind a groundbreaking legacy as a beloved journalist, essayist, screenwriter, author, producer, director, and feminist who delivered stories of resilience embedded in sharp wit and upper-crust landscapes. Through that lens, she became emblematic of rom-coms, shifting and redefining conversations around the complexities of relationships and the women who have them.

**The Forbidden Duke** Darcy Burke, 2020-10-11 Spinster Miss Eleanor Lockhart is suddenly homeless and employment is her only option. Ruined after succumbing to a scoundrel's excessive charm nearly a decade ago, she's lucky to obtain a position as a paid companion and committed to behaving with the utmost propriety. She definitely shouldn't be in the arms of a man capable of utterly destroying what little remains of her reputation... Titus St. John, Duke of Kendal, is known as the Forbidden Duke, a mysterious, intimidating figure who enters Society just once each year at his stepmother's ball. A decade ago, he was a devil-may-care rake until his idle roguery brought about the ruin of Eleanor Lockhart—and his resulting self-imposed isolation. Now she's back, and she needs his help. But by "saving" her, he may just ruin her life all over again.

*Inconspicuous* Andreas Pritzker, 2021-03-22 Nora is single, and she works as a typist in a law firm. Her life is gray and monotonous and characterized by lovelessness. Only reading novels brings color into her everyday life, but without awakening any longings. Before her fiftieth birthday, experiences accumulate that make her doubt her previous life. Can she overcome the crisis and turn her life around? The novel describes the female counterpart to the character of Gerold Trank in *Time Reclaimed* by the same author.

**It Started With a Duke** Darcy Burke, Fall in love with three dukes and an earl as they meet their matches in a ruined spinster, a destitute bluestocking, an impoverished ward, and a successful refinement tutor for young ladies. To escape her stepmother's matrimonial plans, Nora Webb sets a risqué wager with Merritt Dryden, Duke of Roxburghe; if he can't find her a suitable match by the year's end, he must provide her with financial freedom. But if she loses, she must publicly destroy Tabitha Philbert's reputation...and her own. Rescued by Nora before the marriage trap could spring, Merritt views their agreement as an opportunity to exact revenge on Tabitha for arranging the deceitful scheme. However, after their bet is discovered, Nora's intended fiancé—and his scheming sister, Tabitha—set out to ruin Merritt. When her fiancé is discovered with a knife protruding from his chest, Nora is accused of murder and arrested, and not even Merritt's powerful influence can save her from the gallows. A captivating mixture of Tessa Dare's witty banter and Amanda Quick's steamy suspense that plunges the reader into a shocking historical mystery. **Murder Down the Shore** Beth Sherman, 2016-06-26 It seemed like a good idea at the time to Anne Hardaway: a jolly family reunion in the sun and sand of Oceanside Heights on the Jersey Shore. But it turns out to be the last gathering of any kind for wealthy Great-aunt Hannah, who is discovered on the beach viciously stabbed to death ... by a knife taken from Anne's own kitchen! With a \$50 million inheritance at stake, any one of her kin could be the culprit, but it's Anne whom the evidence accuses. A killer isn't satisfied yet, however. As the professional ghostwriter/amateur sleuth intensifies her hunt for the blood relative with a taste for blood, Anne realizes her options are growing frighteningly limited. She can spend the rest of her life in prison ... or lose it right now!

**Nichols and May** Robert E. Kapsis, 2020-10-16 In the late 1950s, Mike Nichols (1931-2014) and Elaine May (b. 1932) soared to superstar status as a sketch comedy duo in live shows and television. After their 1962 breakup, both went on to long and distinguished careers in other areas of show business—mostly separately, but sporadically together again. In Nichols and May: Interviews, twenty-seven interviews and profiles ranging over more than five decades tell their stories in their own words. Nichols quickly became an A-list stage and film director, while May, like many women in her field, often found herself thwarted in her attempts to make her distinctive voice heard in projects she could control herself. Yet, in recent years, Nichols's work as a filmmaker has been perhaps unfairly devalued, while May's accomplishments, particularly as a

screenwriter and director, have become more appreciated, leading to her present widespread acceptance as a groundbreaking female artist and a creative genius of and for our time. Nichols gave numerous interviews during his career, and editor Robert E. Kapsis culled hundreds of potential selections to include in this volume the most revealing and those that focus on his filmmaking career. May, however, was a reluctant interview subject at best. She often subverted the whole interview process, producing instead a hilarious parody or even a comedy sketch—with or without the cooperation of the sometimes-oblivious interviewer. With its contrasting selection of interviews conventional and oddball, this volume is an important contribution to the study of the careers of Nichols and May.

Gender and the Modern Research University Patricia M. Mazón, 2003 In the 1890s, German feminists fighting for female higher education envied American women their small colleges. Yet by 1910, German women could study at any German university, a level of educational access not reached by American women until the 1960s. This book investigates this development as well as the cultural significance of the tremendous debate generated by aspiring female students. Central to Mazón's analysis is the concept of academic citizenship, a complex discourse permeating German student life. Shaped by this ideal, the student years were a crucial stage in the formation of masculine identity in the educated middle class, and a female student was unthinkable. Only by emphasizing the need for female gynecologists and teachers did the women's movement carve out a niche for academic women. Because the nineteenth-century German university was the model for the modern research university, the controversy resonates with contemporary American debates surrounding multiculturalism and higher education.
